Spirit Emerges

*R*eturning Rams witnessed the significant changes brought about throughout the summer. It wasn't unusual to see a senior searching for his class because of the re-numbering of classrooms which eliminated the 400 wing. Another drastic change was the removal of asbestos in many of the classrooms, because it was found to be hazardous to our health. Finally, the elevator, the sliding doors, and the ramps were created to help our handicapped students. As everyone settled into their classes, a feeling of school pride began to come over them

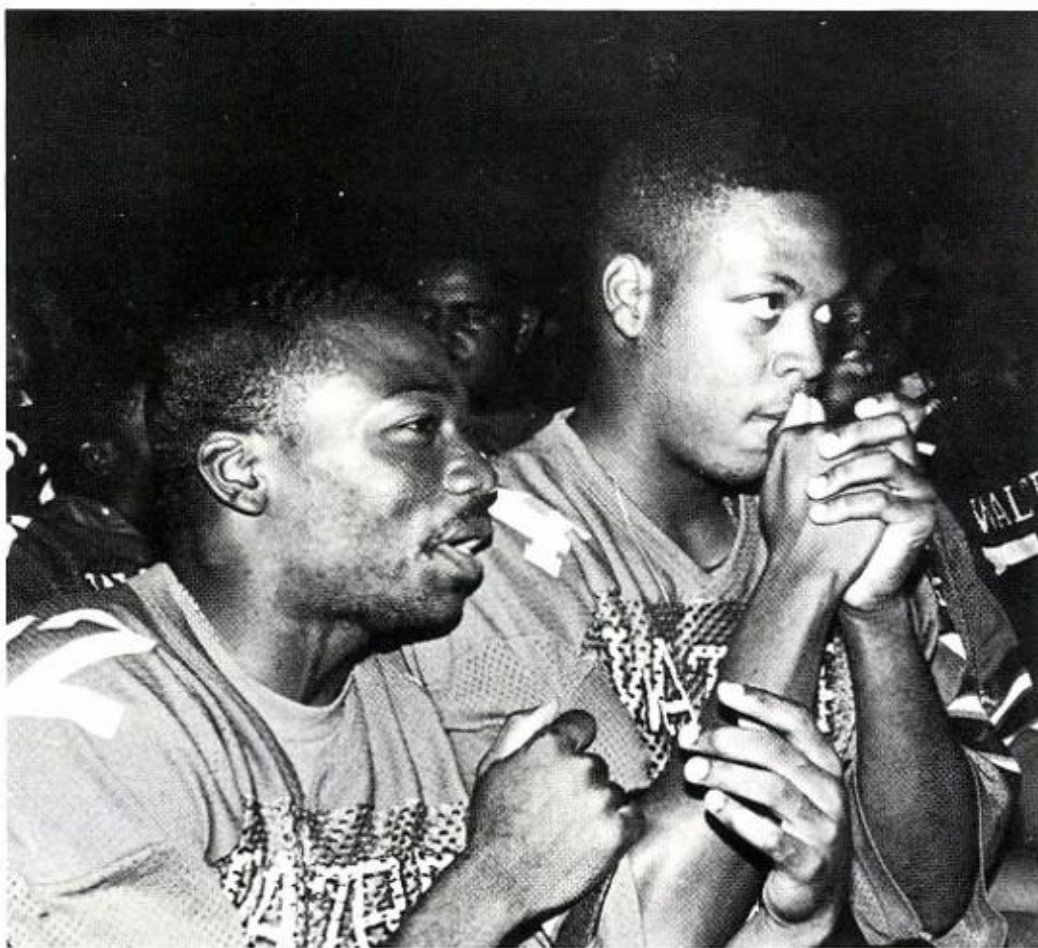

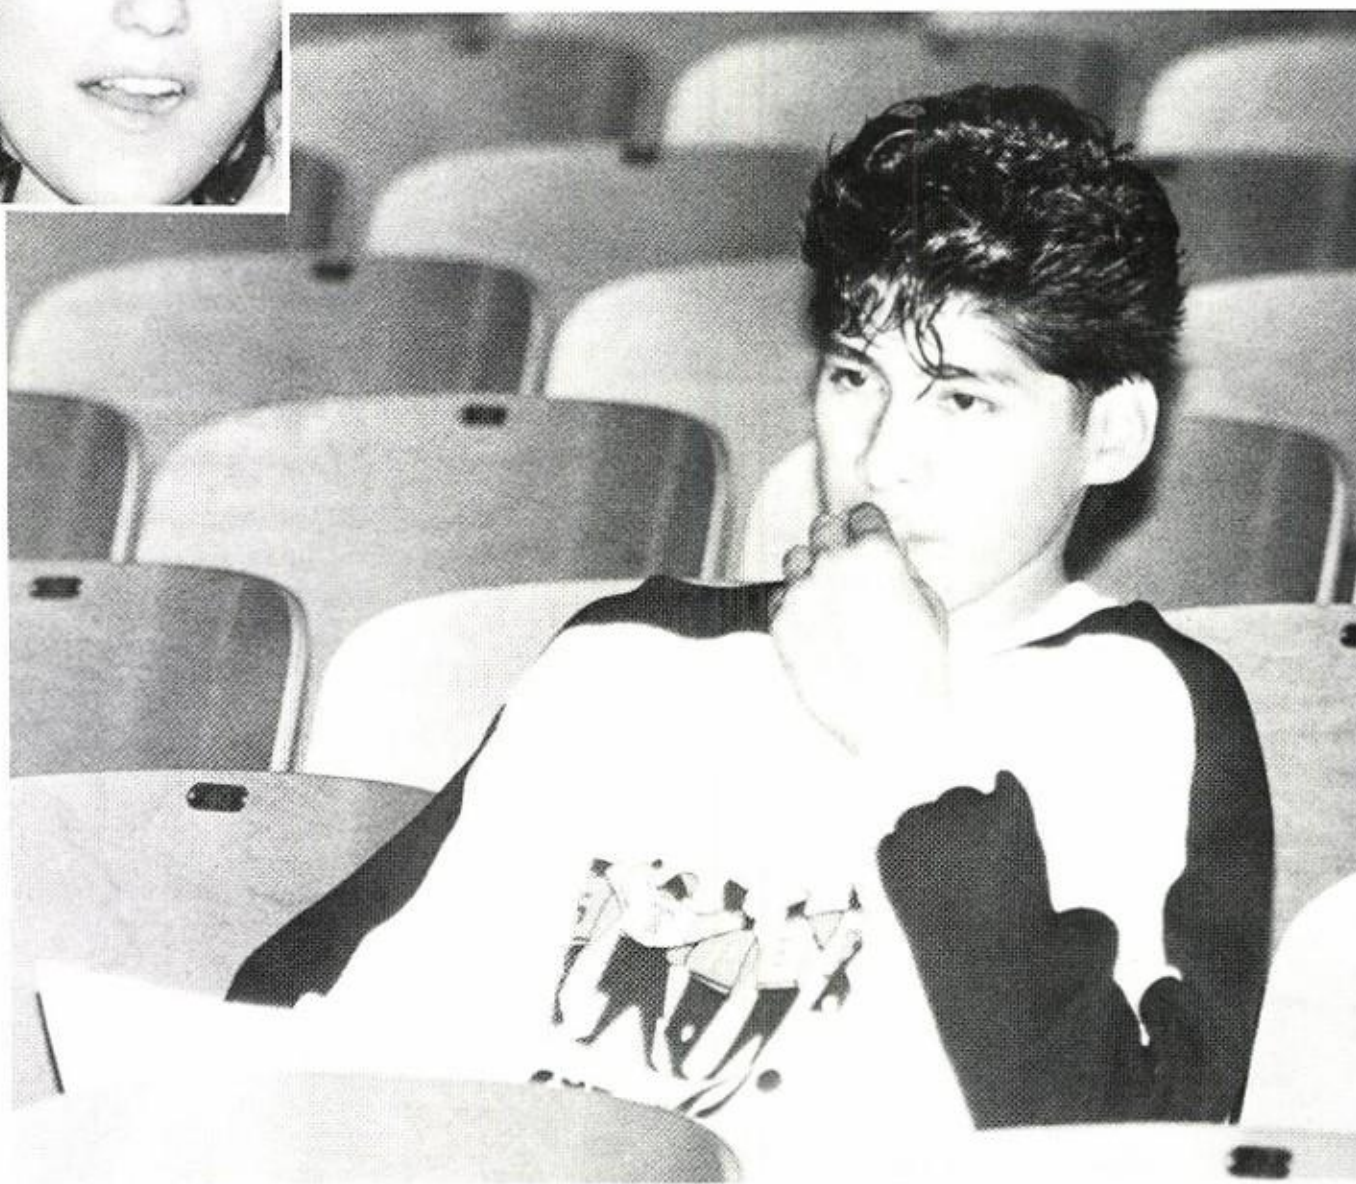

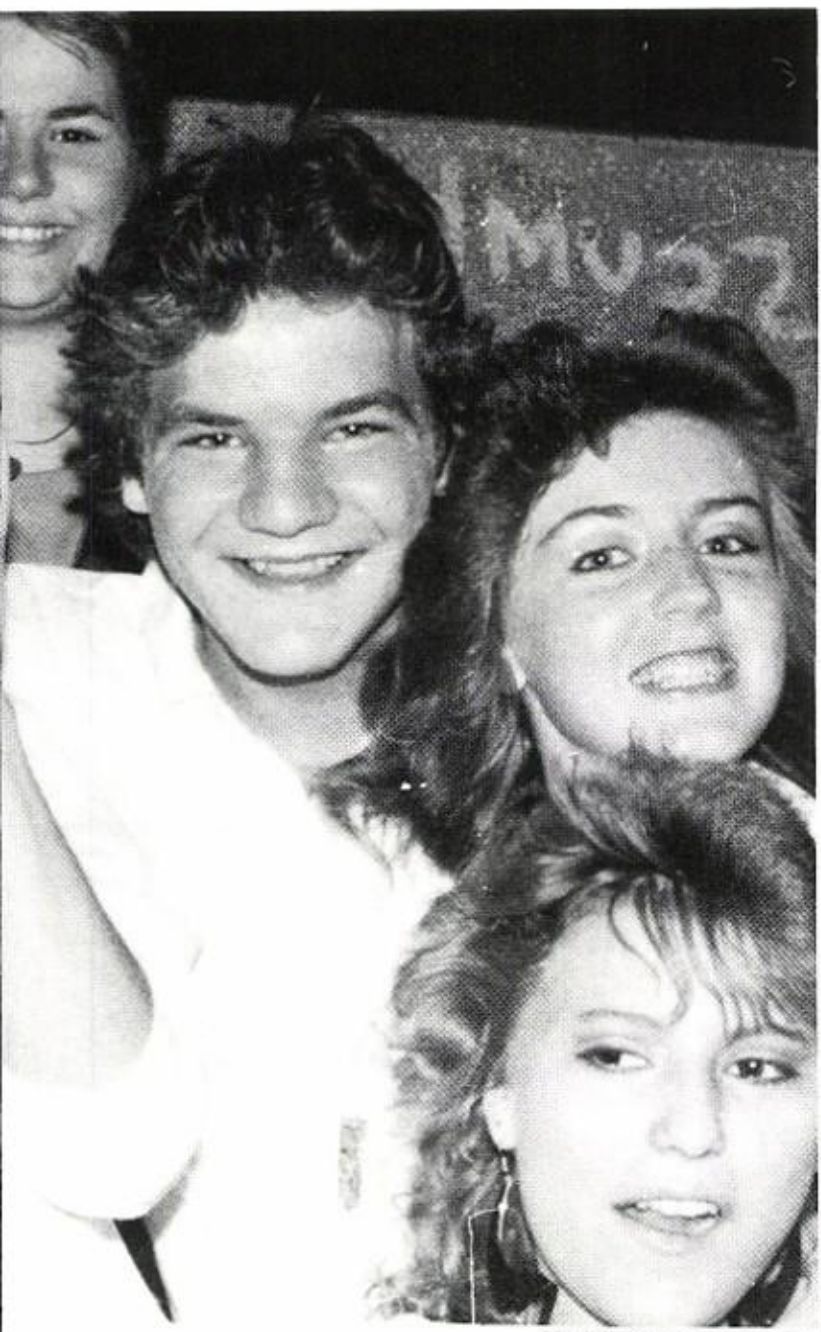

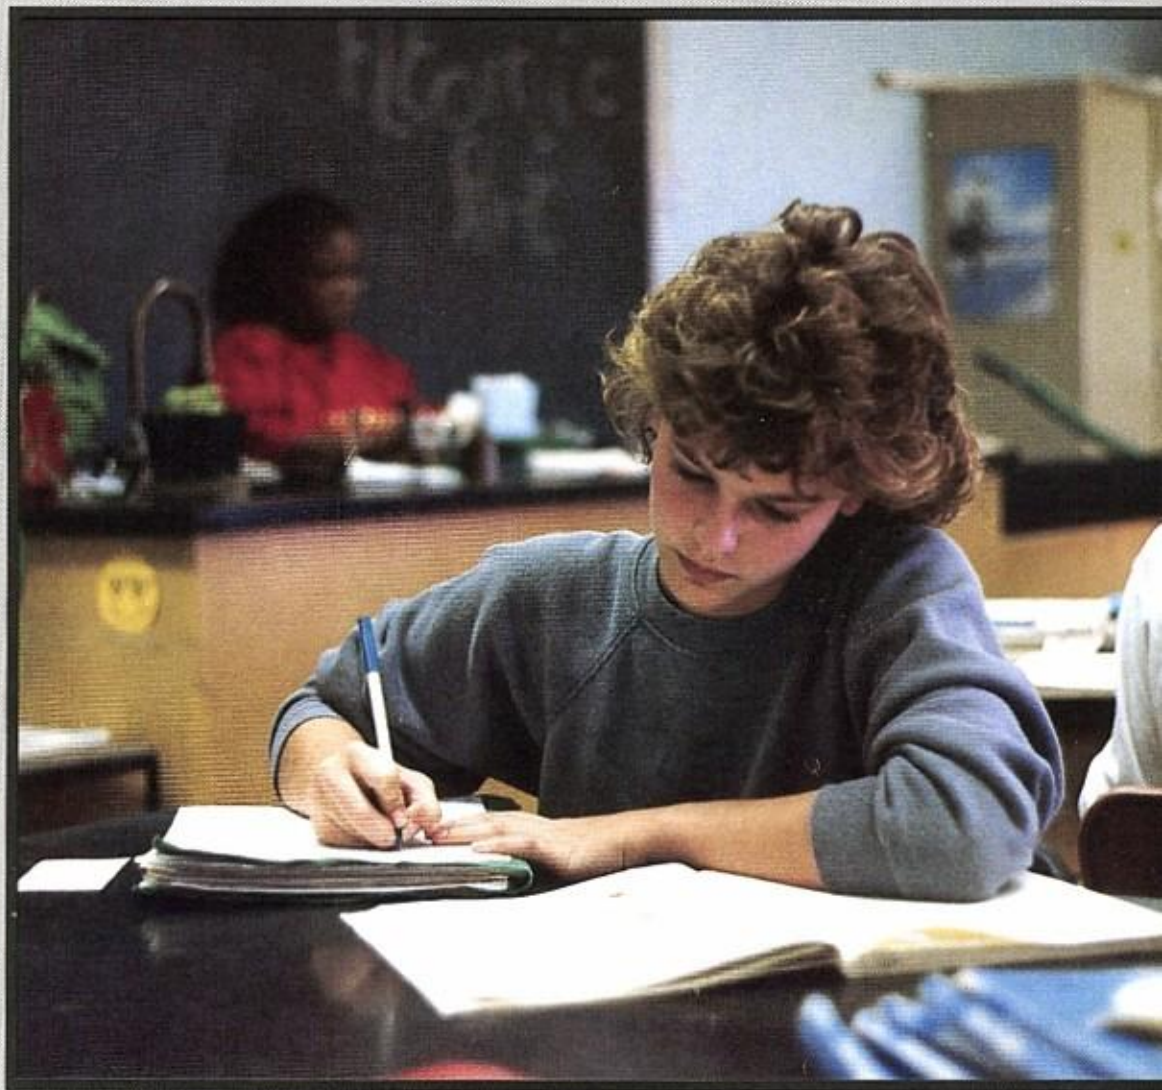

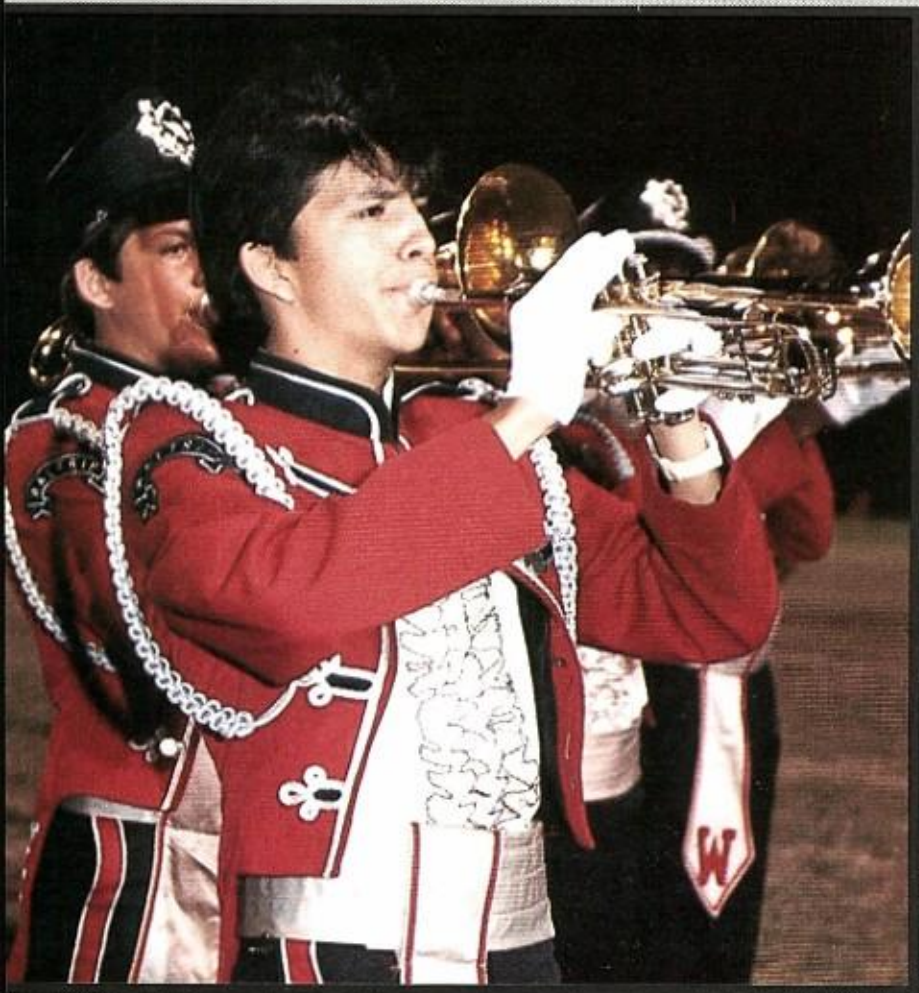

W

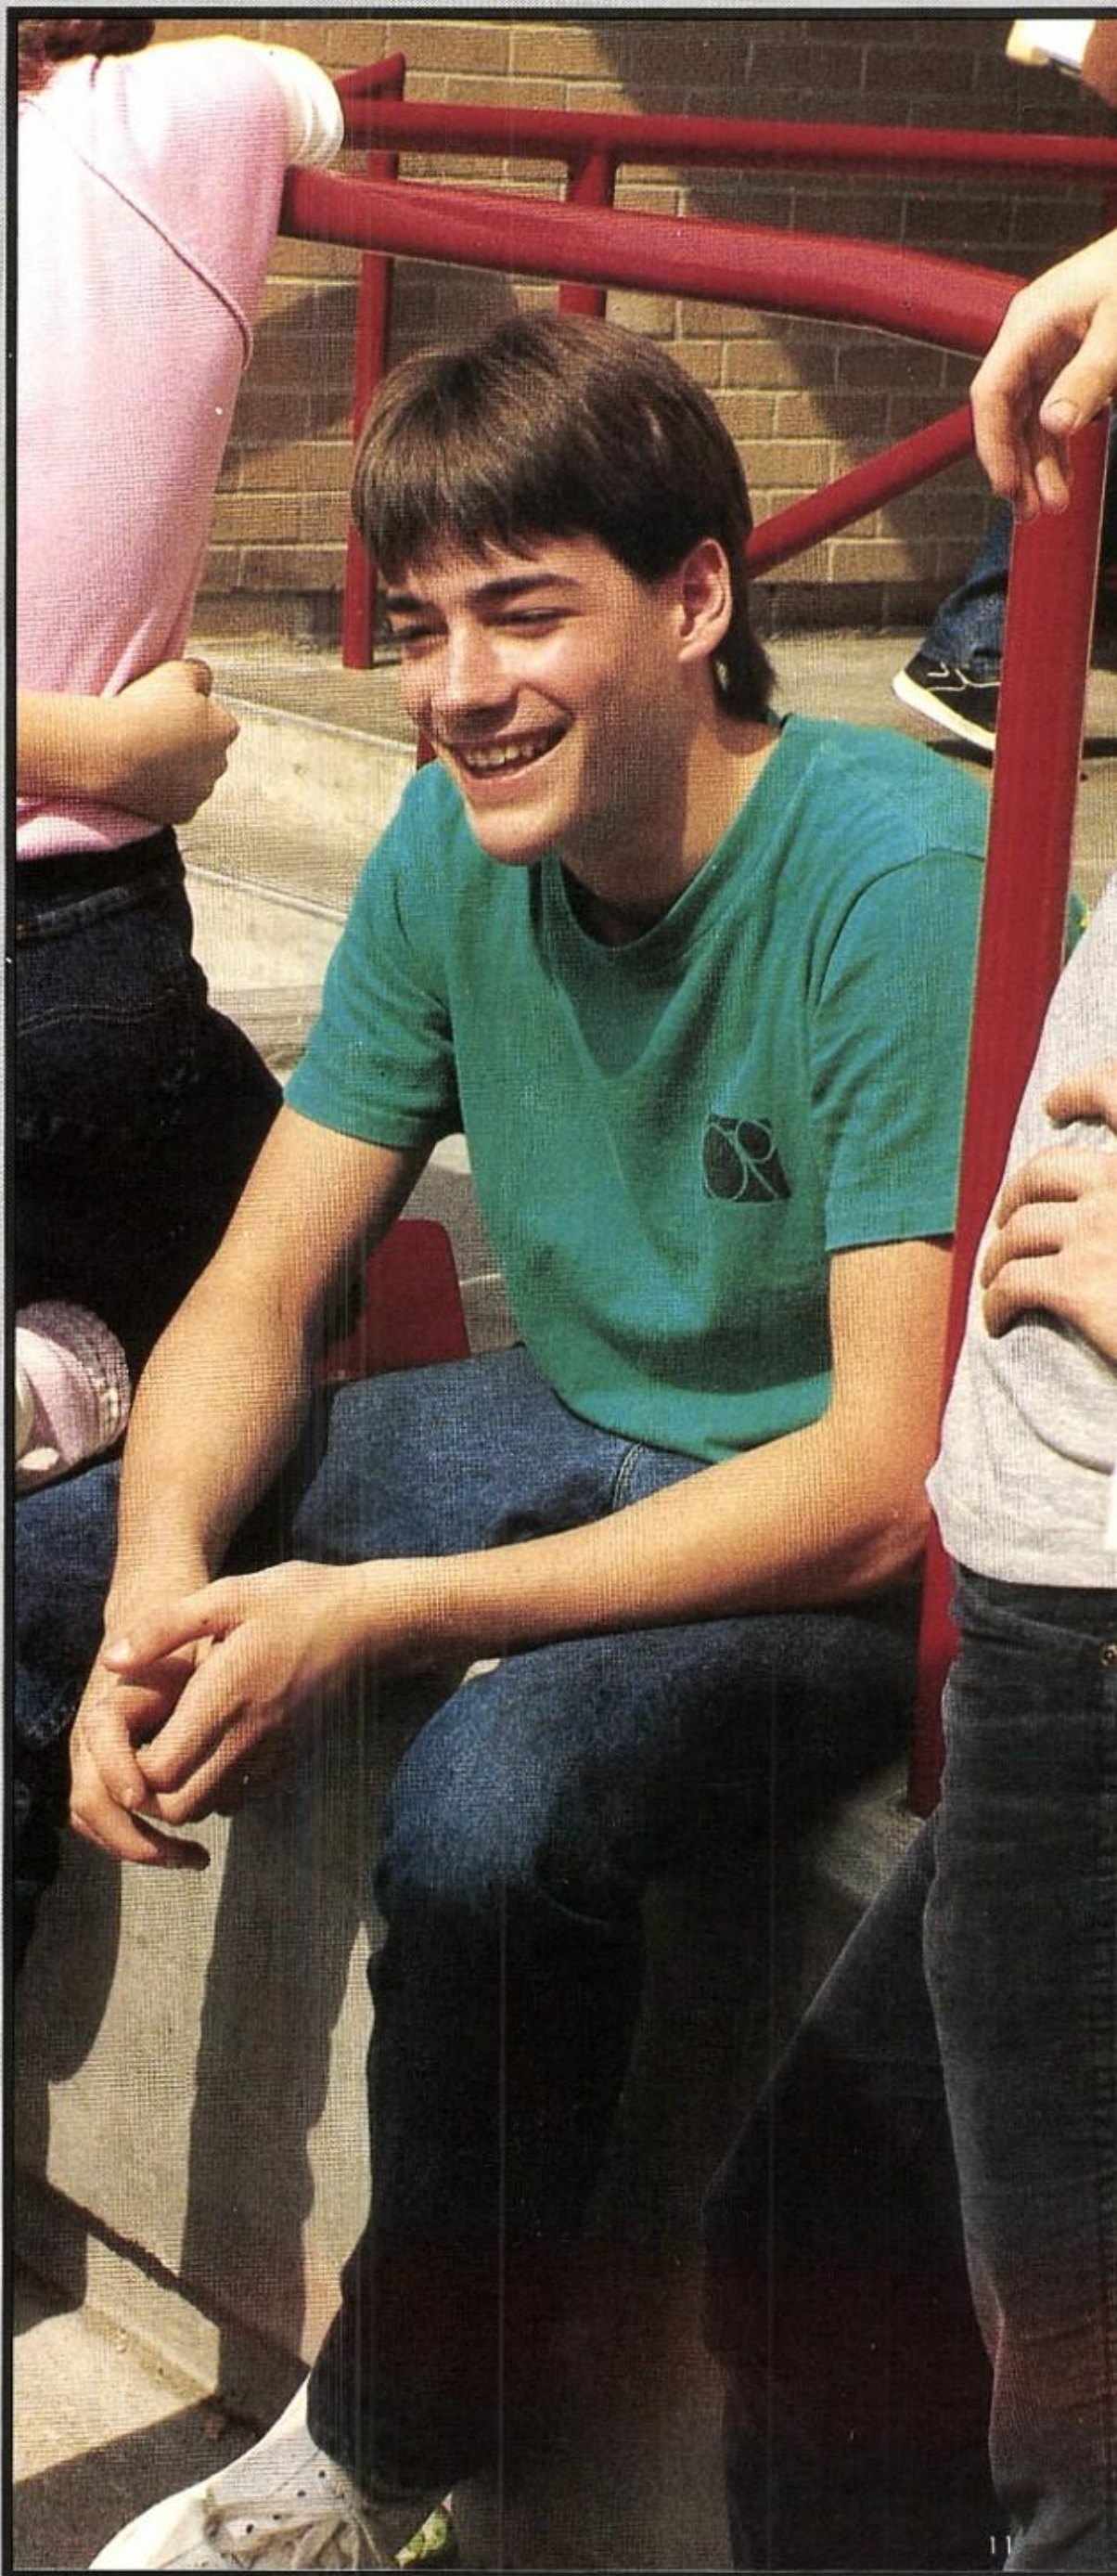

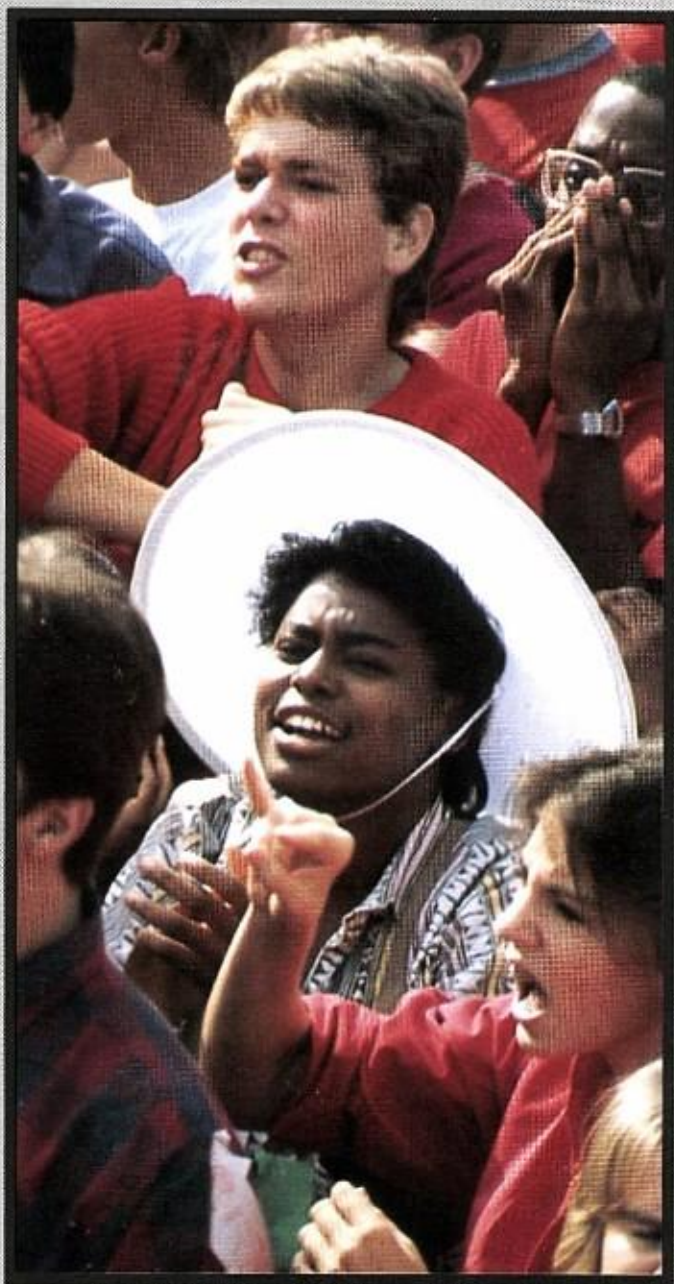

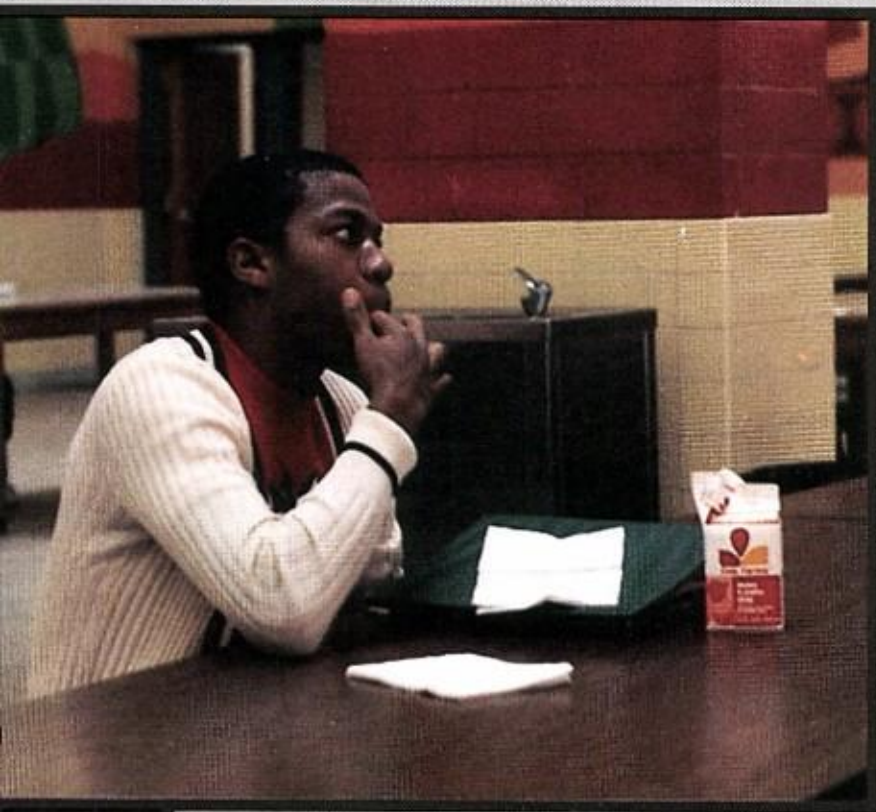

altrip is made up of many students with different backgrounds, interests, and goals. This is the reason the *Houston Chronicle* chose to write various articles about Waltrip throughout the year.

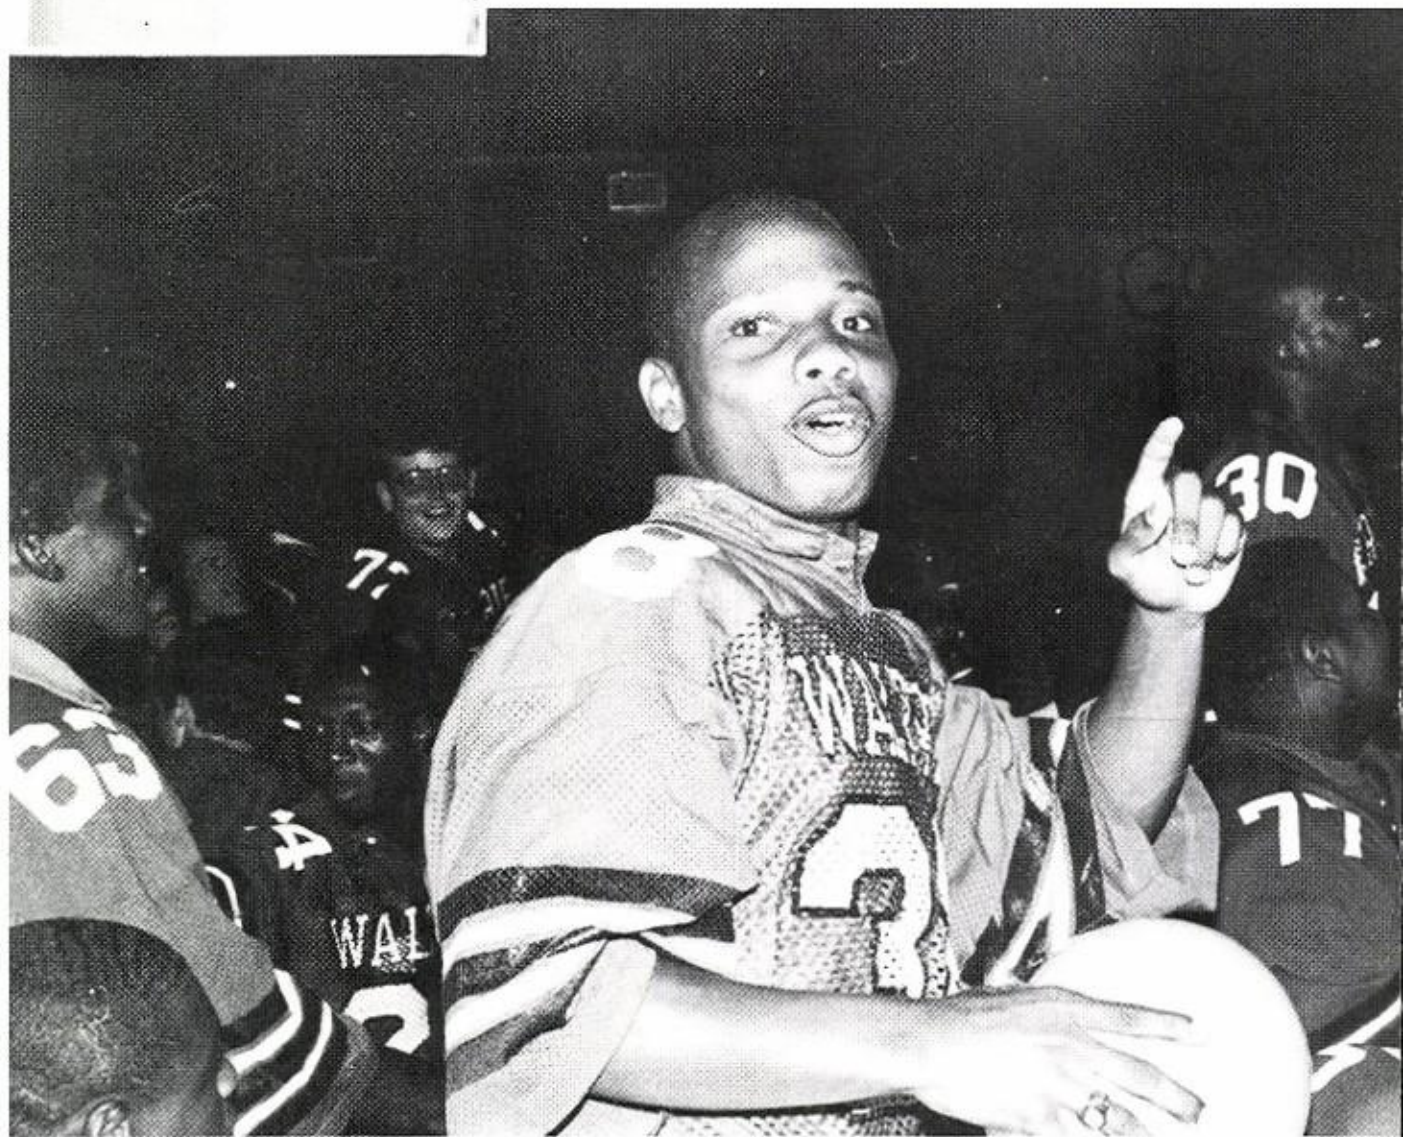

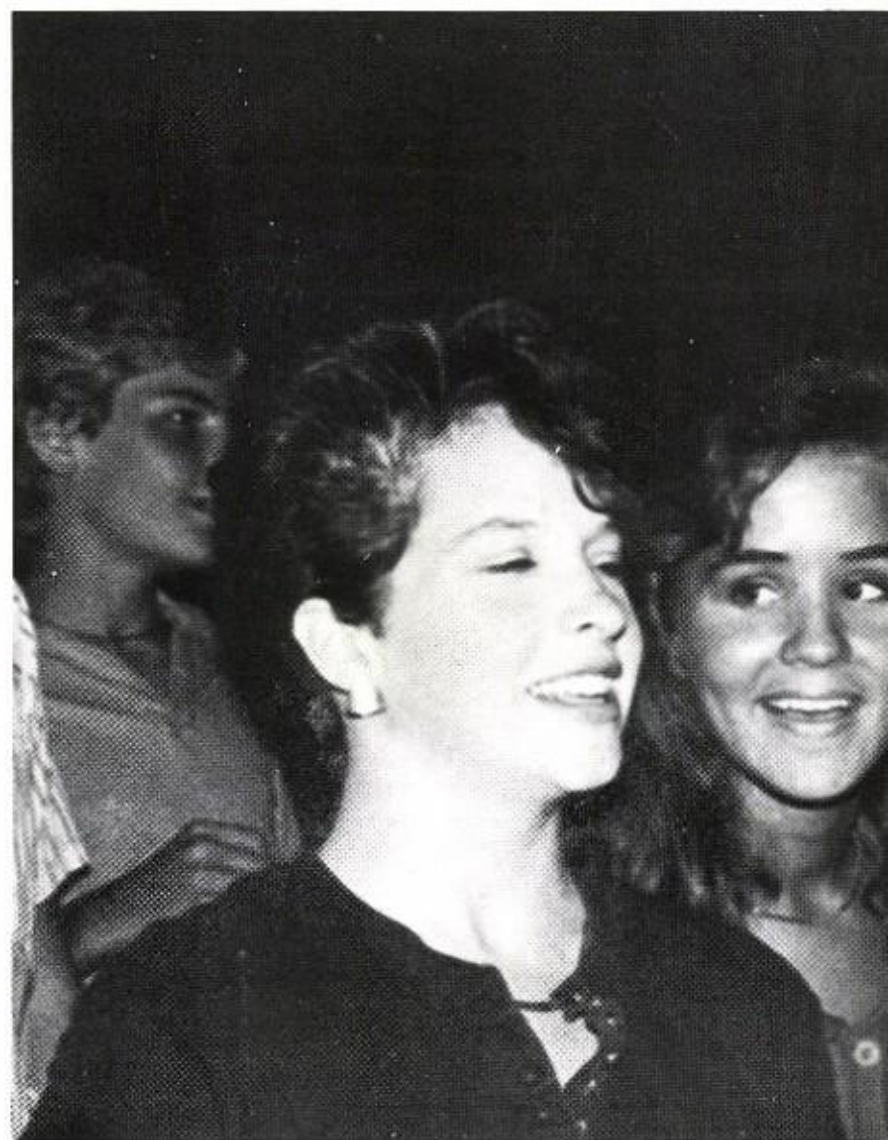

A common link among the students is the vivacious "Ram Spirit." No matter what group or clique you are in, everyone participates in Waltrip's famous pep-rallies, which are bursting with spirit!

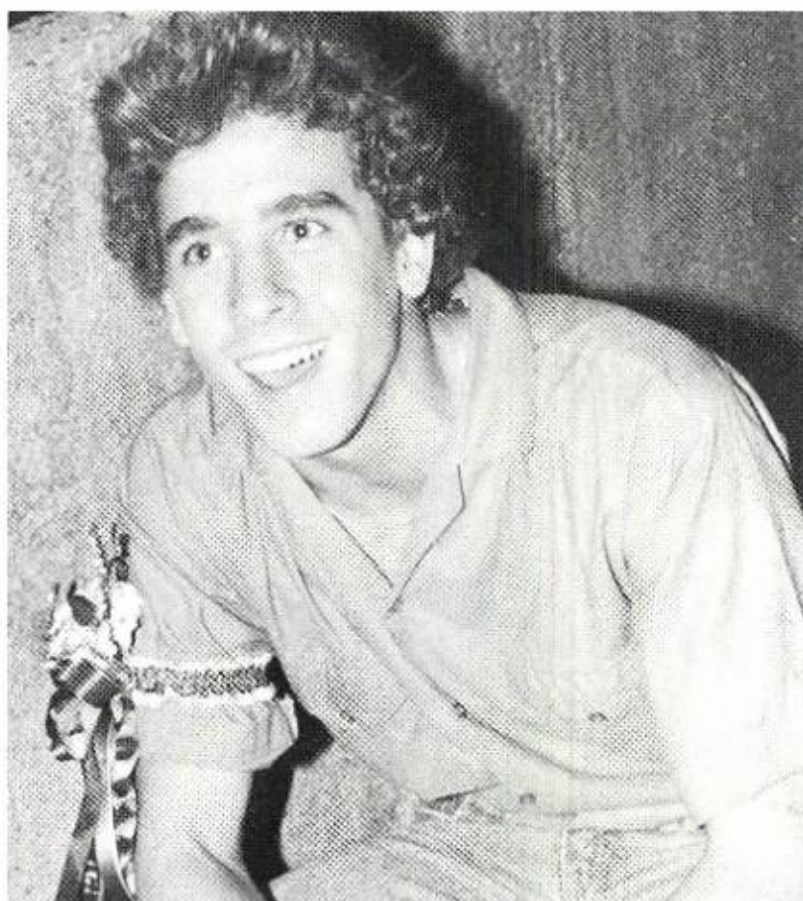

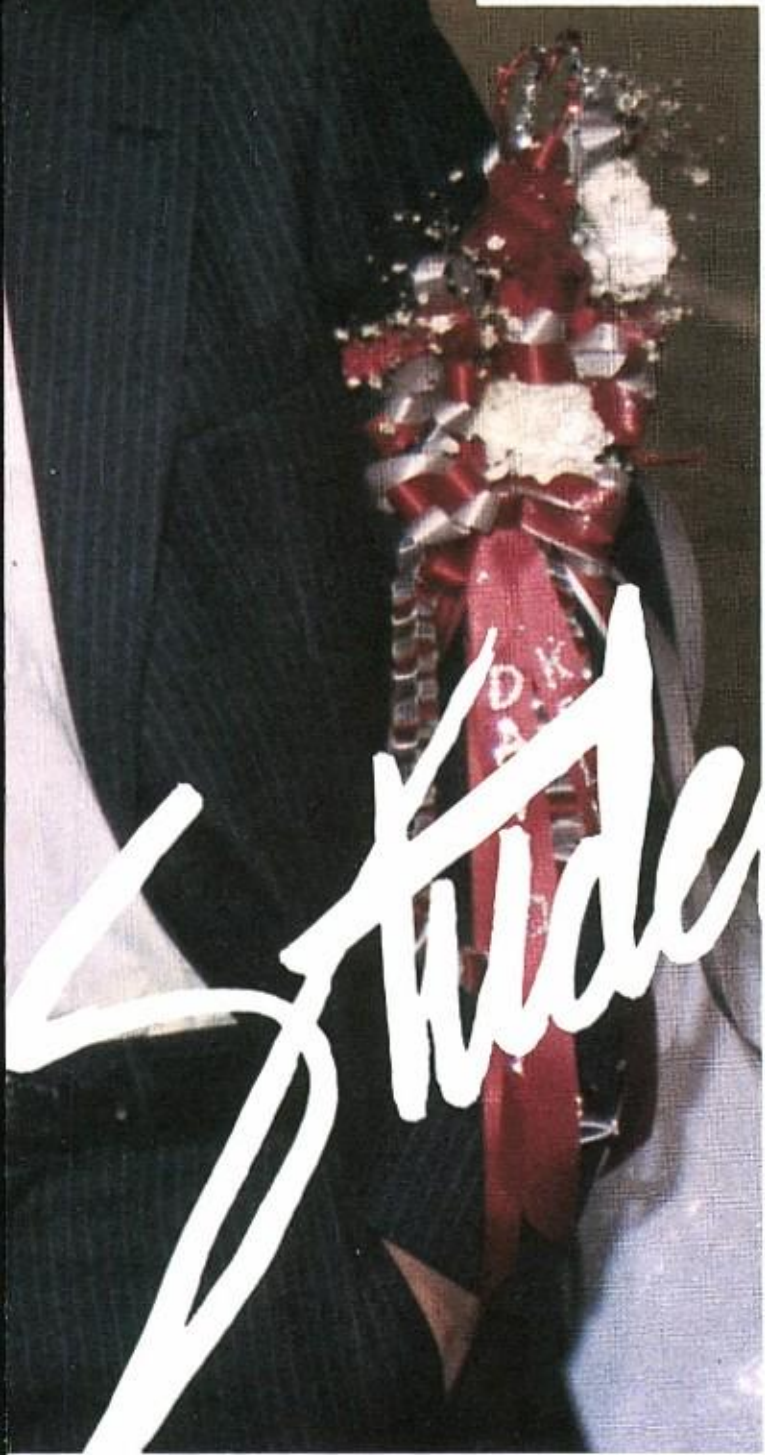

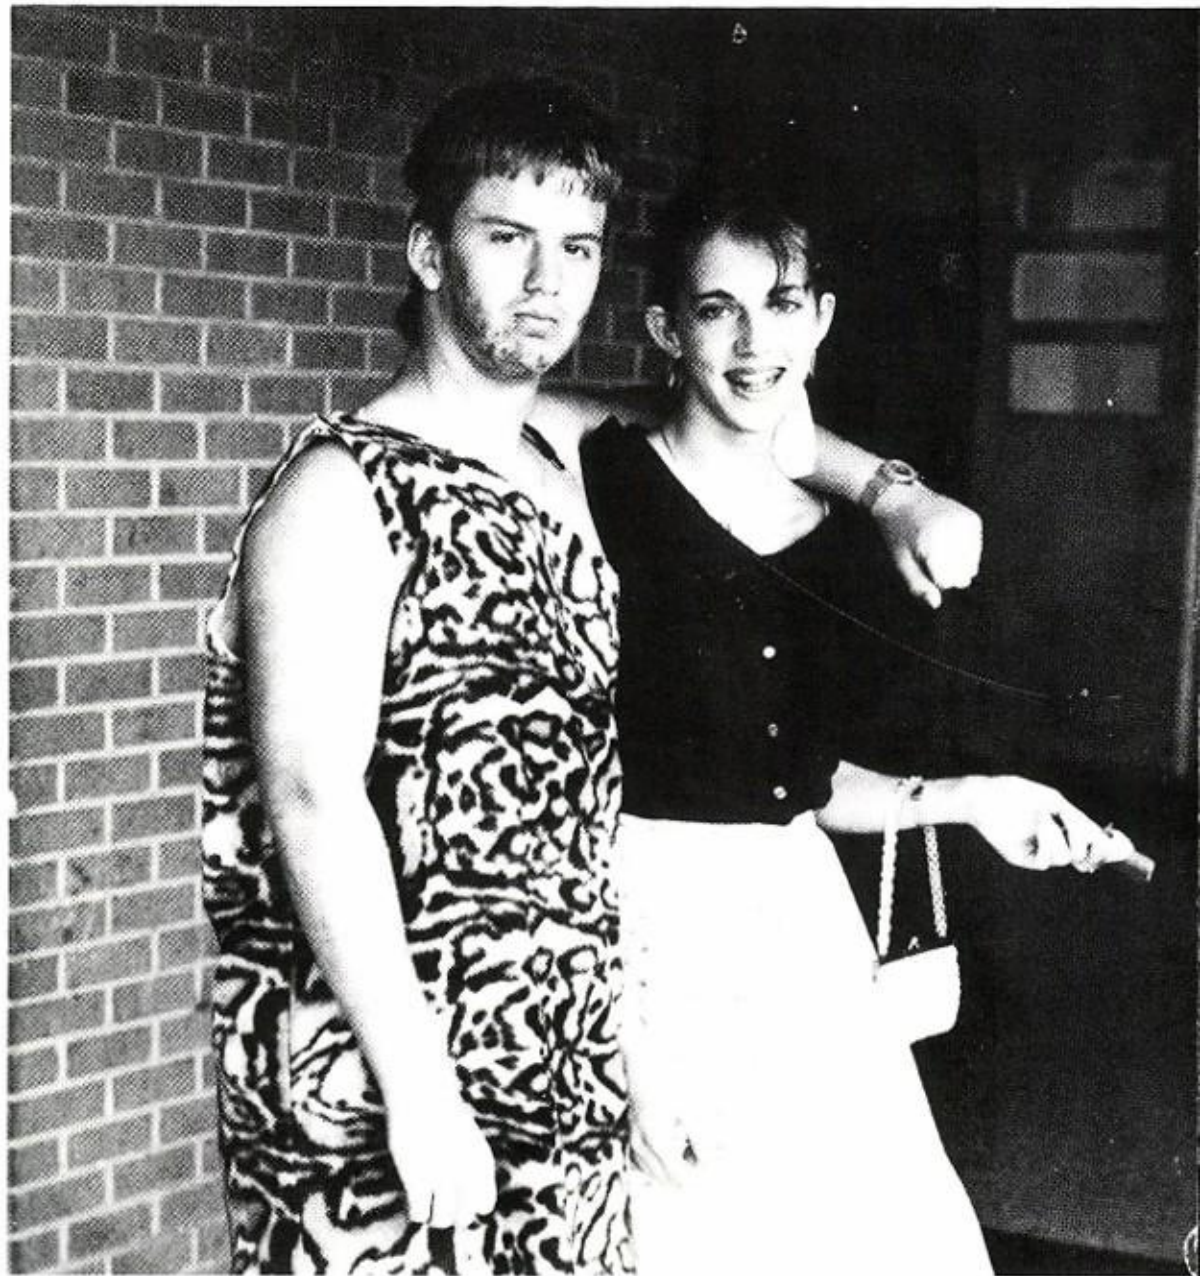

Student Life

Week Bursting With Spirit

Spirit Week started at Waltrip on Monday before the Homecoming game. Spirit had been building as classes painted signs for weeks. All the classes dressed up in wild outfits. The Freshmen were hobos one day and inside-out the next. Sophomores went back to the past and then jumped into the modern "New Wave." Juniors were their favorite cartoon characters and then stepped back to the fifties. Seniors had the beach bum look Wednesday and aged to be old men and women Thursday. Thursday night classes decorated their own halls. Friday morning the school was decked in T.P. and bursting with Waltrip Spirit.

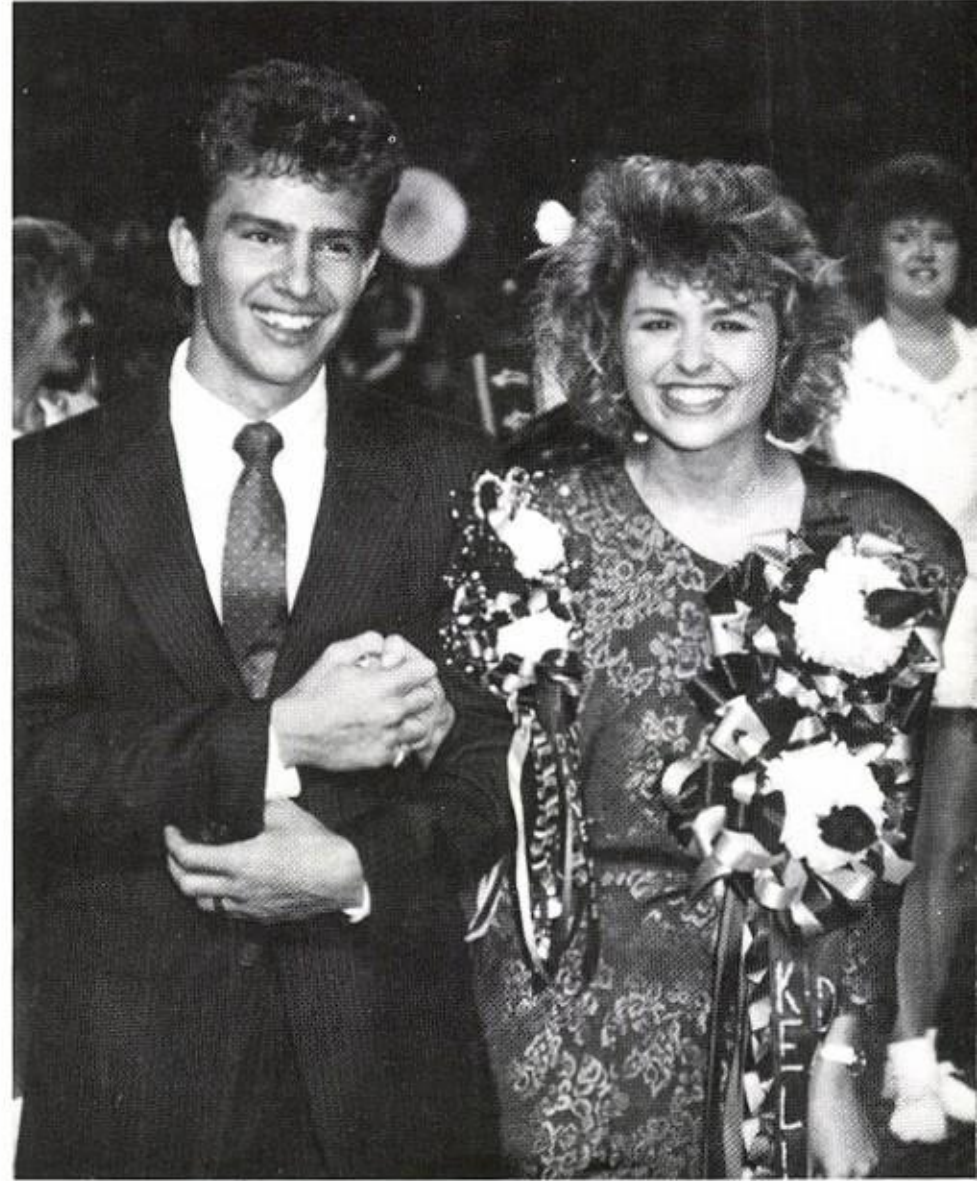

Kelly Drake Receives Honor

Mr. Ofield escorts Kelly and Christine

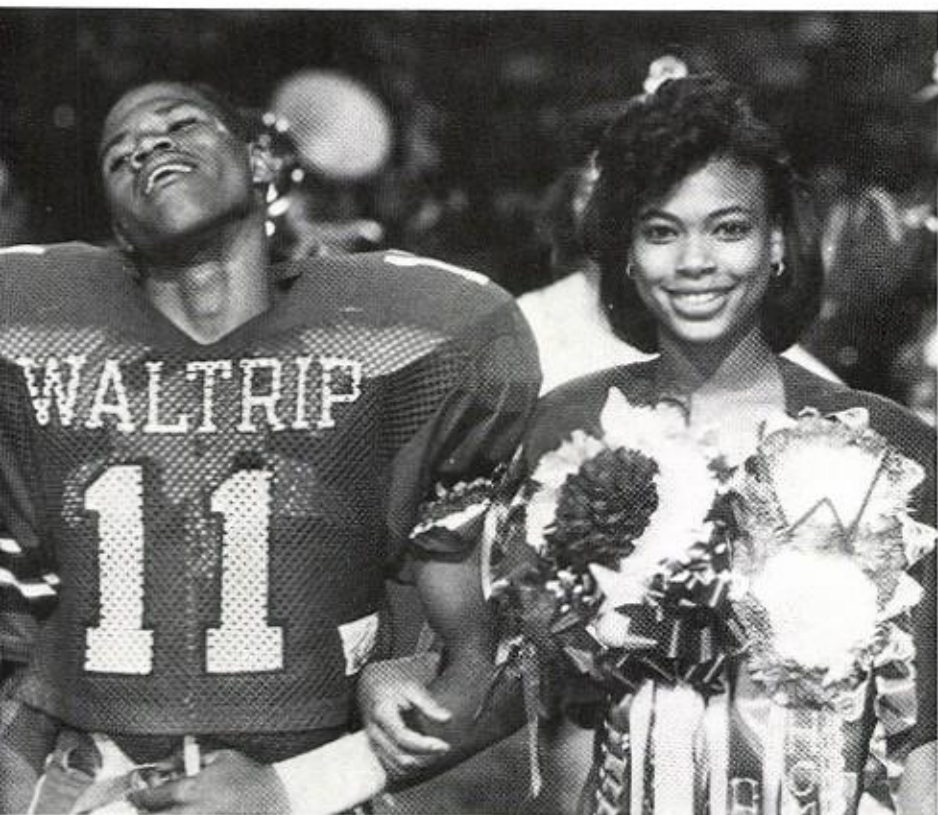

Kelly Drake was crowned the 1986 Homecoming Queen during half-time of the Waltrip-Reagan football game. Forty-six beautiful girls ran for the honor of being Waltrip's Homecoming Queen. The student body voted and a court of seven was selected. The many hours of practice that the band, Silks, and Roses endured paid off in a grand showing. The 1985 Homecoming Queen Christine Bilnoski passed on the crown to Kelly in a beautiful ceremony creating memories for all.

Let's Go Hawaiian!

Saturday, October 25, the Senior class sponsored a Hawaiian dance. The cafeteria was decorated with palm trees and colorful lights. Students danced to the beat of disc jockey Gary Steele from 104 KRBE.

One of the many highlights of the evening was when albums were passed out. With a variety of music from country to New Wave, the Waltrip Rams danced the night away.

Is There Life After Waltrip?

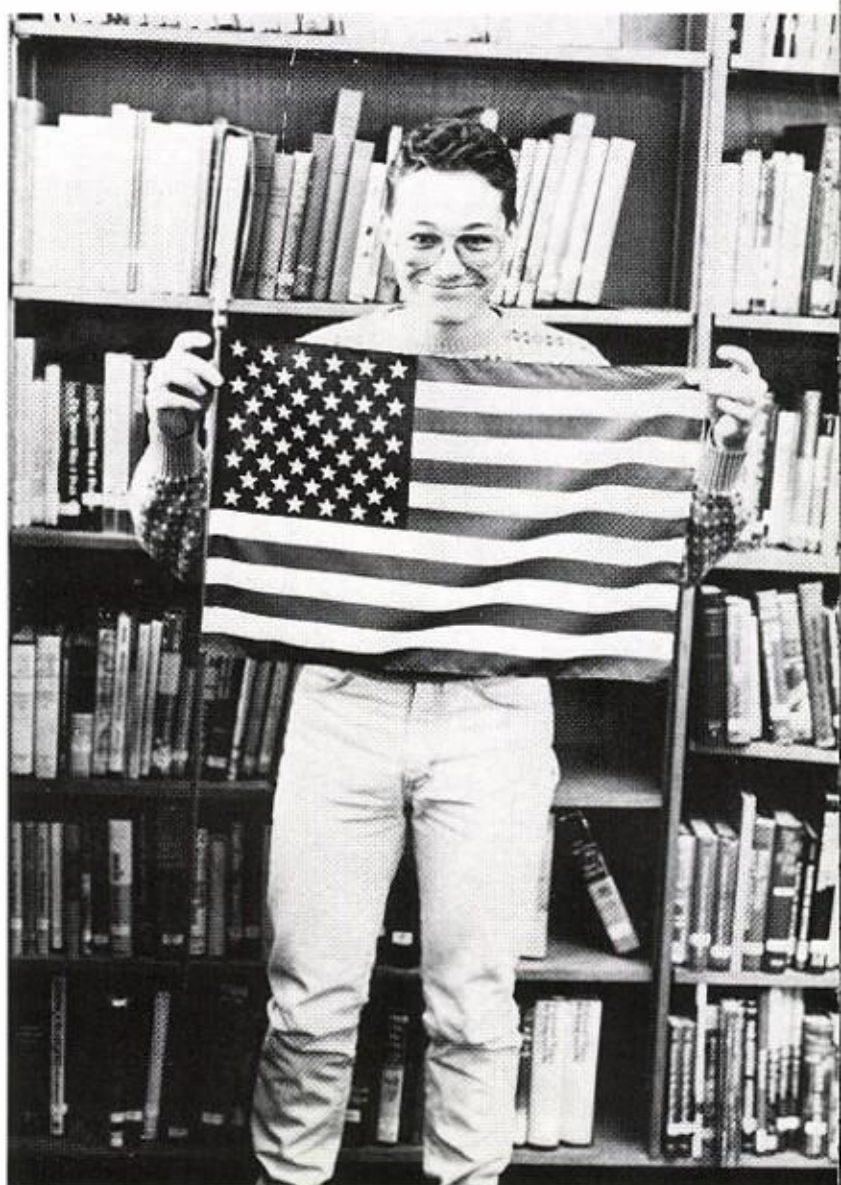

Over forty colleges and military institutions visited Waltrip on college night. Representatives were on hand passing out literature as well as pens, pencils, and other trivial items to promote their school. They were also available to answer questions from students, parents, and teachers concerning available fields of study, tuition, and boarding costs. College night provided an excellent opportunity for students to investigate the possibilities for life after Waltrip.

Saskia Elderson has wanted to come to America since she was twelve, so her parents weren't too shocked when the dream came true. As a Foreign Exchange Student from Holland, Saskia is spending the year in Houston and attending Waltrip. She is active in various school activities including Volleyball, Tennis, and Choir. She finds Waltrip "big with lots of people and things to do," and the students are all friendly, open, and very nice.

Exchange Students Become Part of Waltrip

German born Jorg Burgard was also a Foreign Exchange Student at Waltrip this year. It seems to be a popular misconception that living in another country for a year is all fun and games. Jorg thinks otherwise. "It's not easy being away from home for this long." He does however like Waltrip. It is a "big" school with mostly friendly, helpful students and many teachers whom he likes. As an active member on the Tribune staff and a participant in Junior Achievement, he finds himself quite busy but still finds time to miss home. America is very different from his home town of Reichenbrunn and when asked his thoughts of Houston, he quickly replied, "It is very hot here."

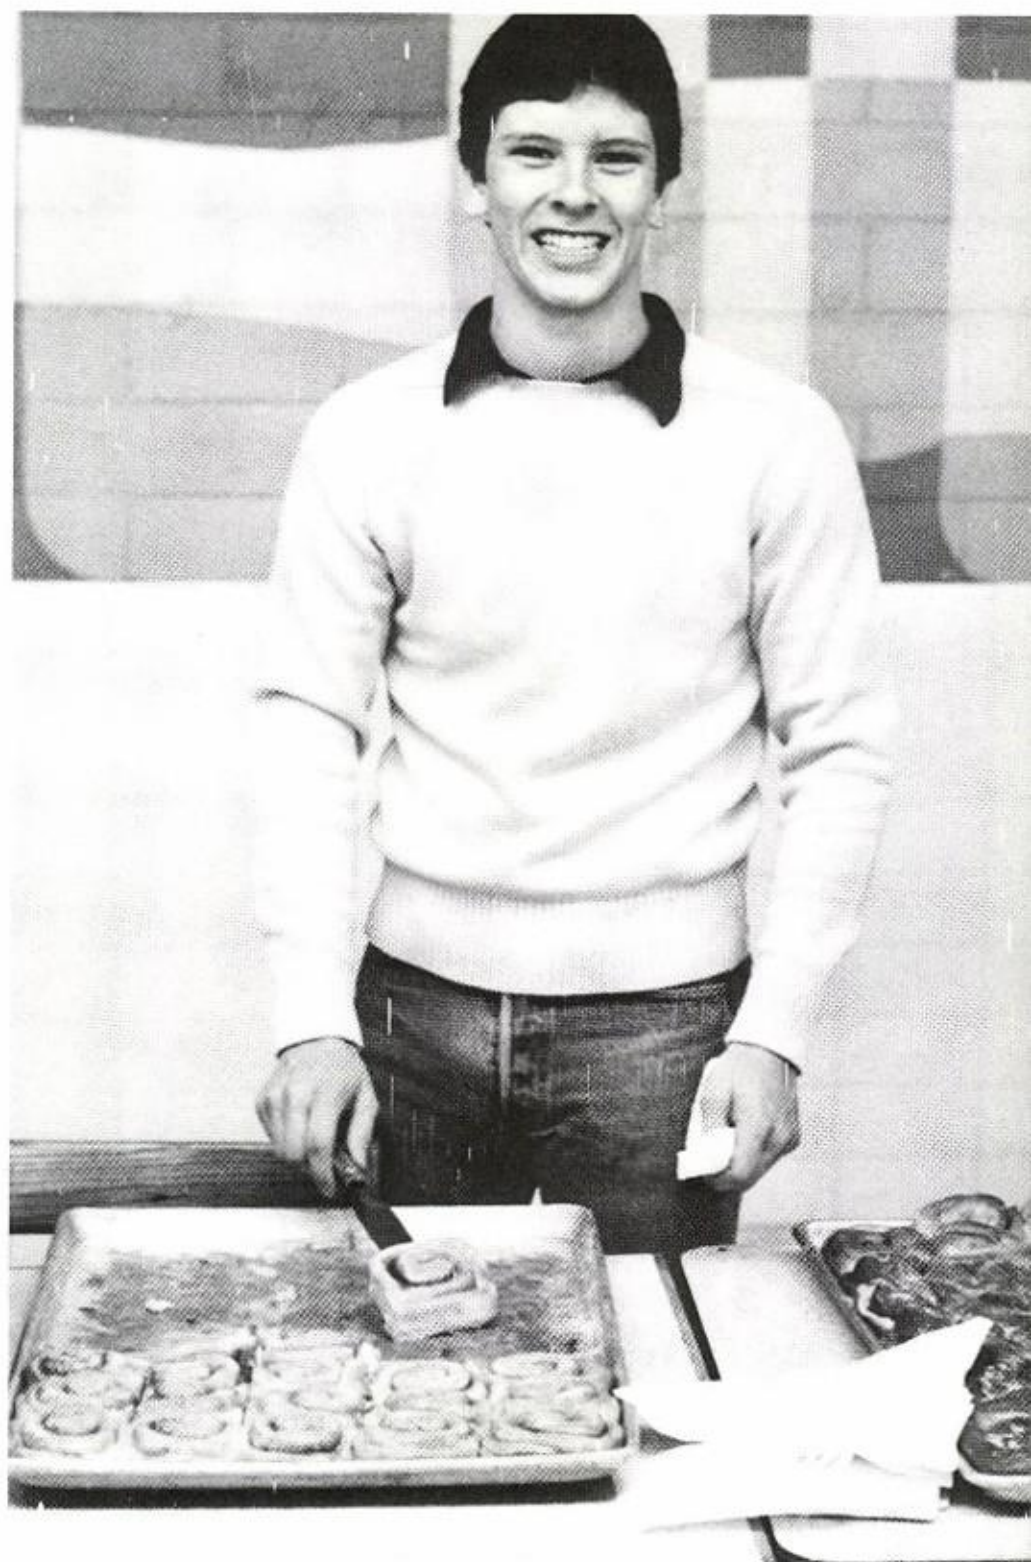

Marching in the Rain

On November 23, Waltrip's Band, Silks, and Roses marched in the Thanksgiving Day Parade. This group subjected themselves to drizzling rain and low temperatures. Being next to last in the line up, they had quite a wait in the terrible weather. There was, however, a light at the end of the tunnel as Waltrip was named the "Honor Band" of the event.

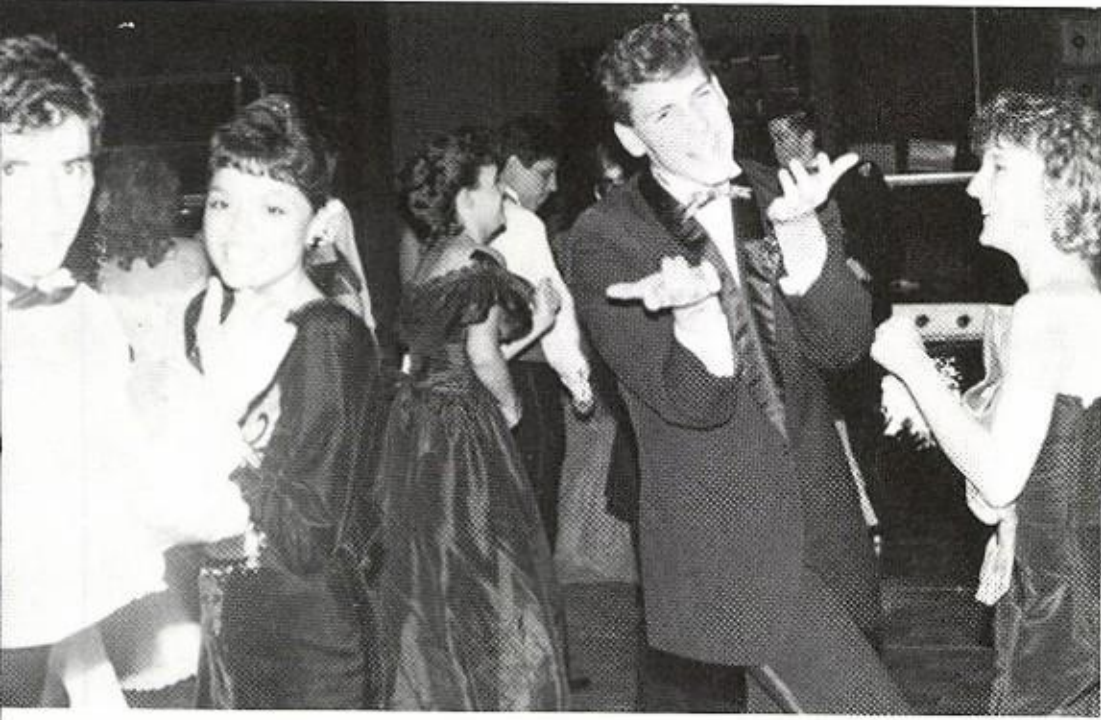

Honor Society Congratulates Students

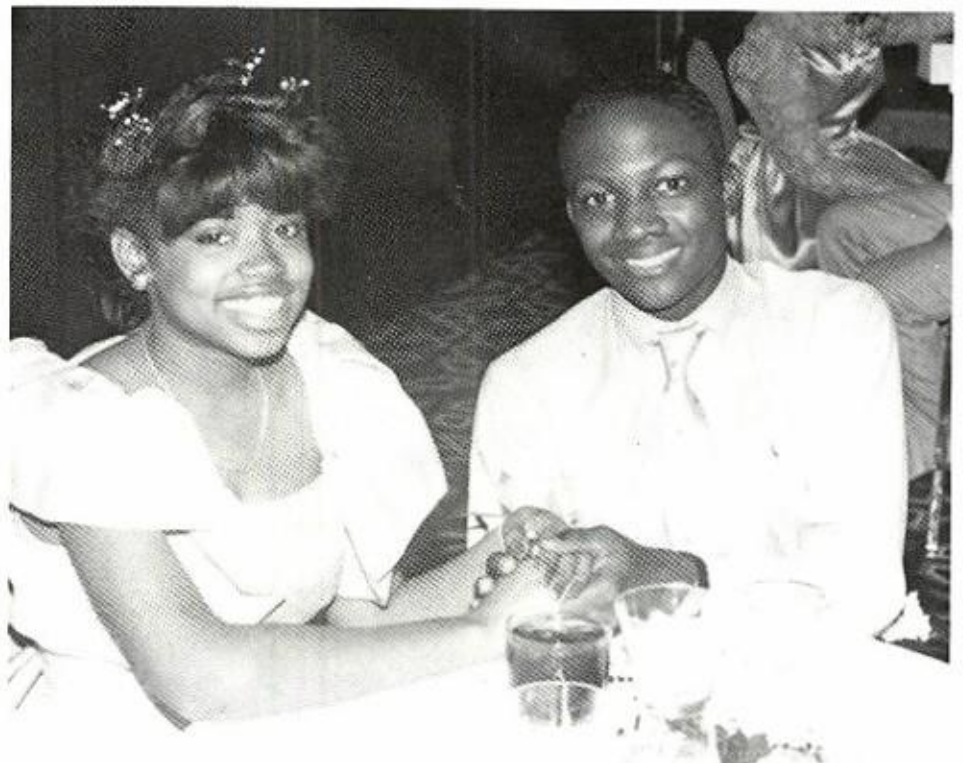

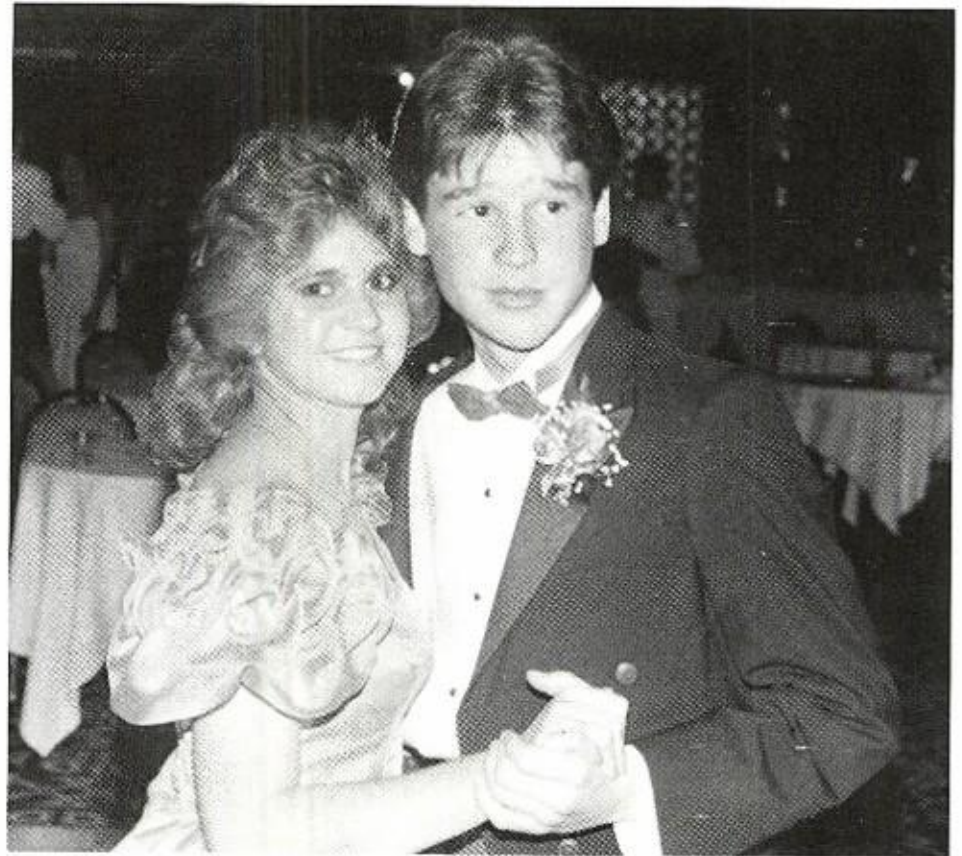

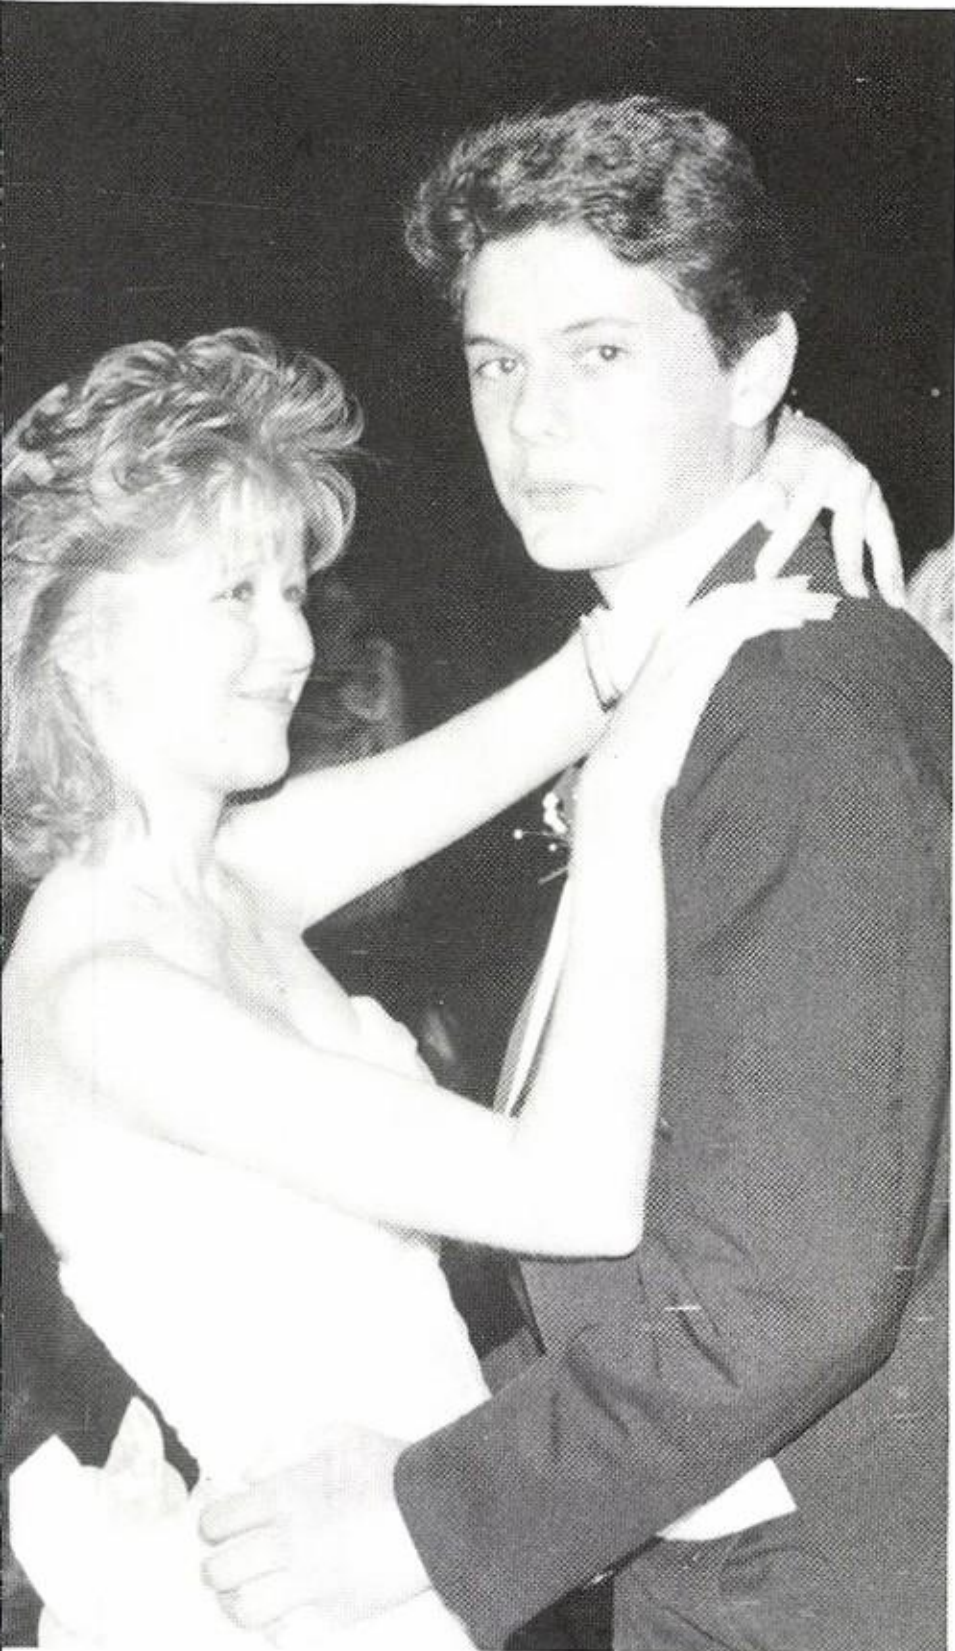

On November 7, and December 17, the National Honor Society sponsored breakfasts for Honor Roll Students. Student's making A's and no more than two B's were treated to all the cinnamon rolls and orange juice that they could want. National Honor Society President Holly Stovall thinks the breakfasts are a good idea. "I encourage the breakfasts because it gives students an opportunity to set examples for each other. It also rewards students for their good work and encourages them to continue doing a good job."

Roses Hold Celestial Ball

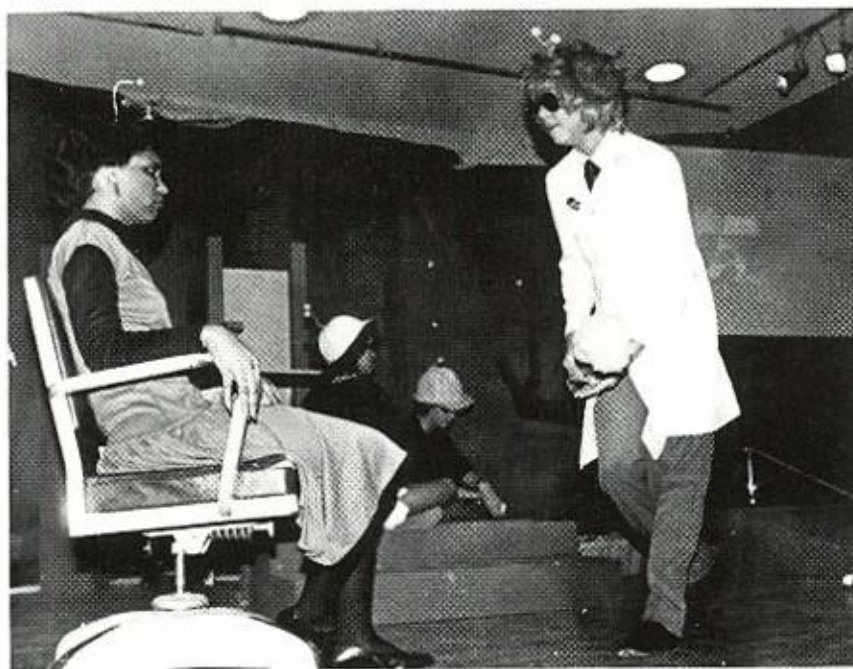

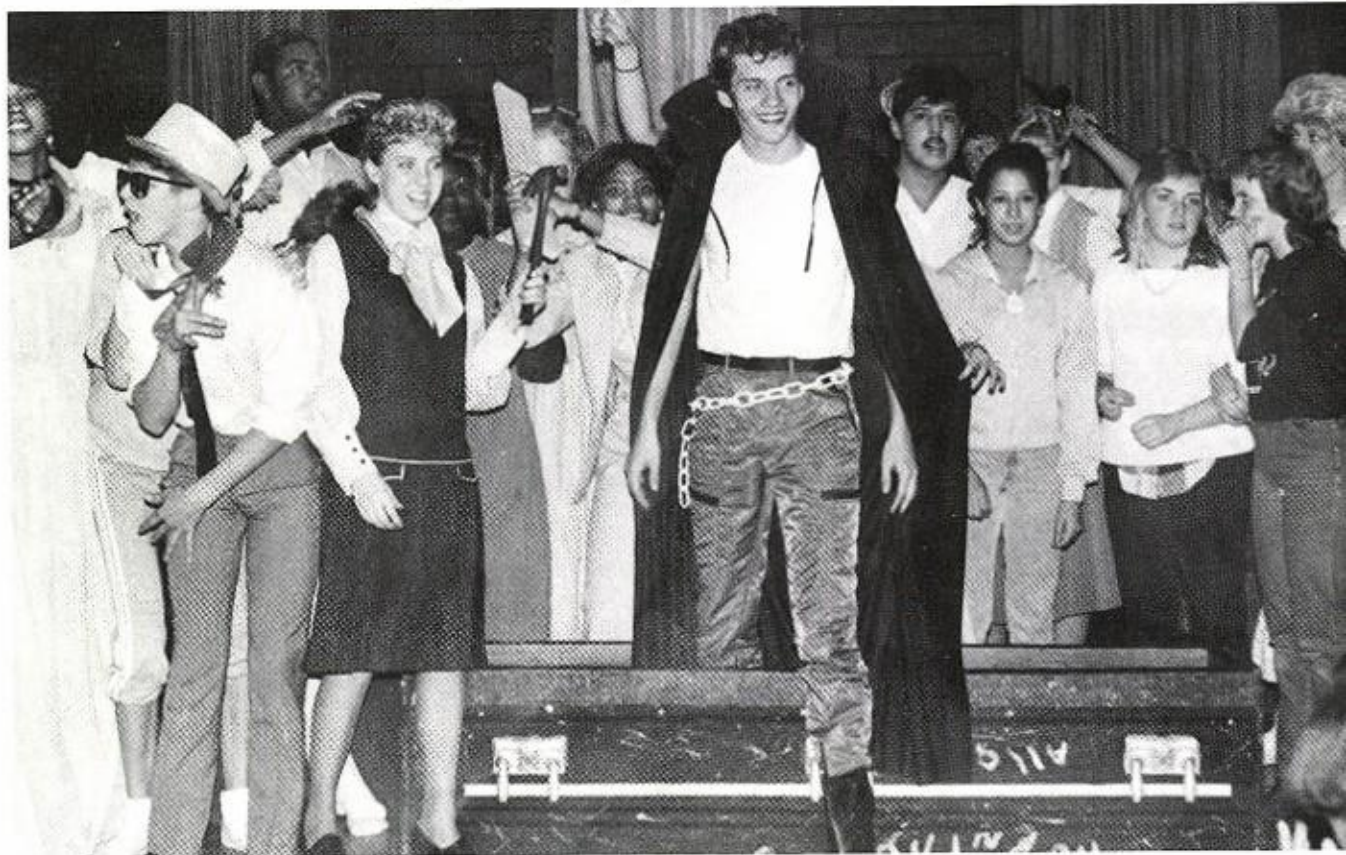

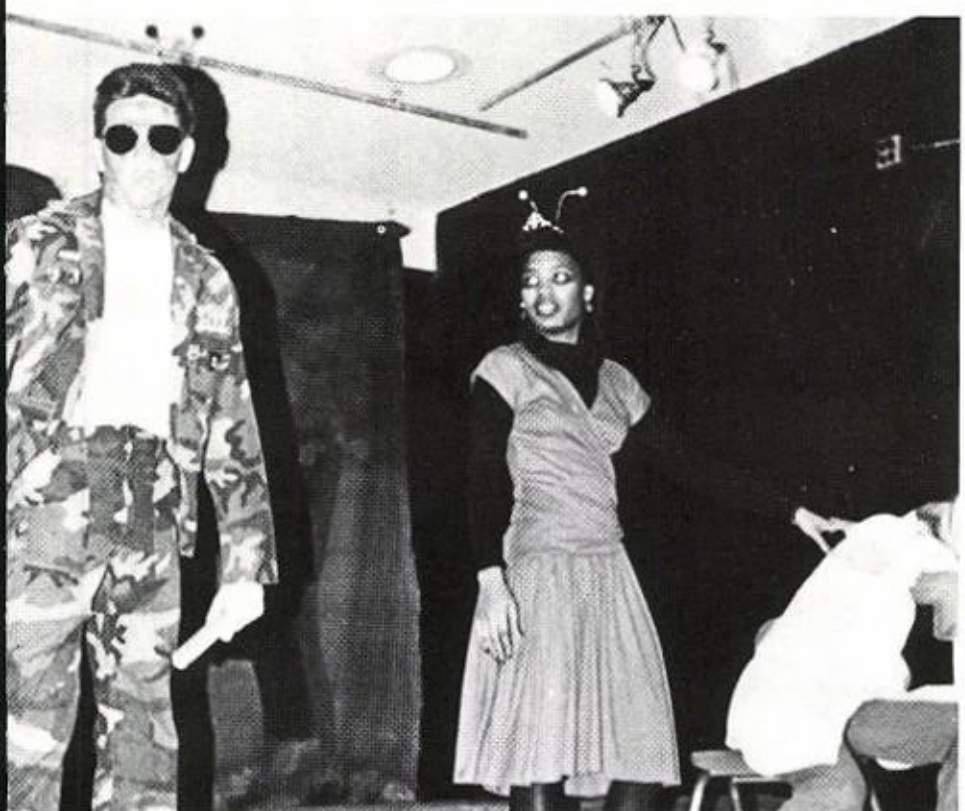

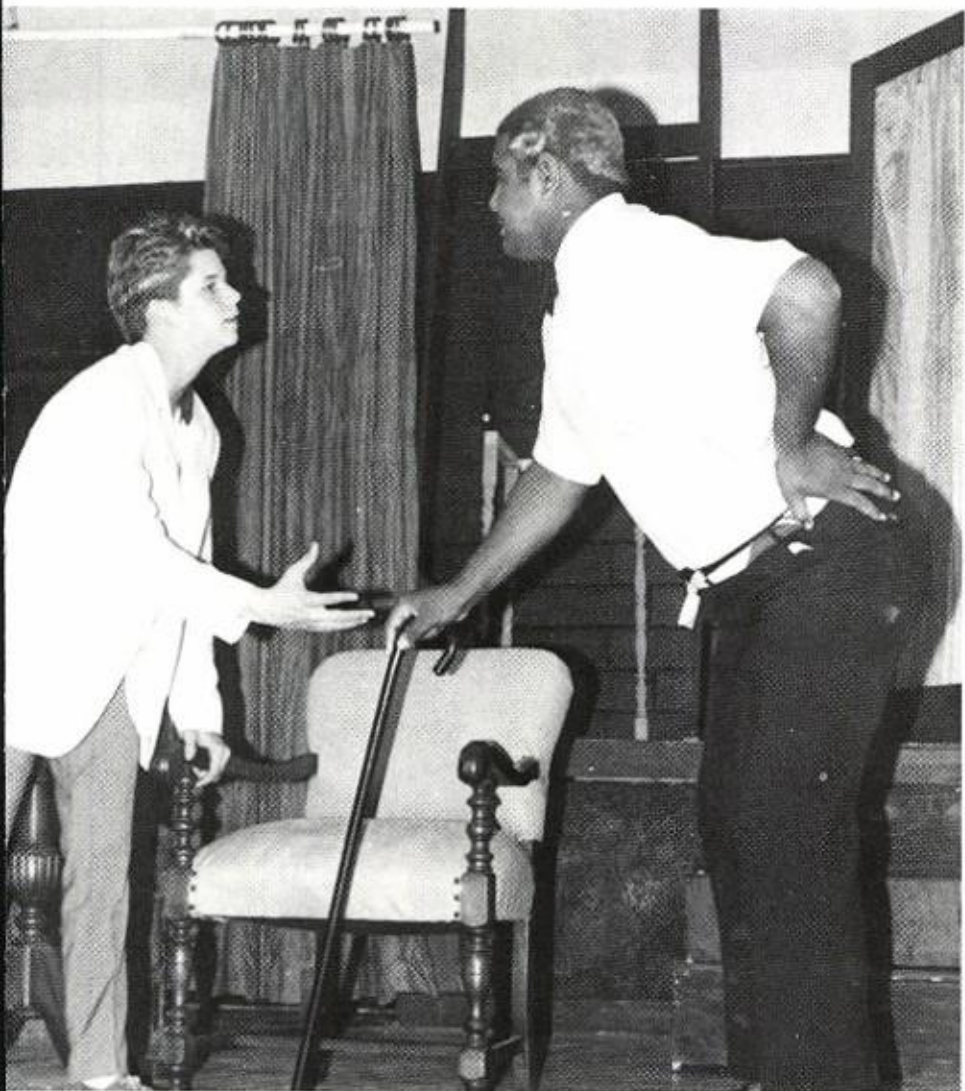

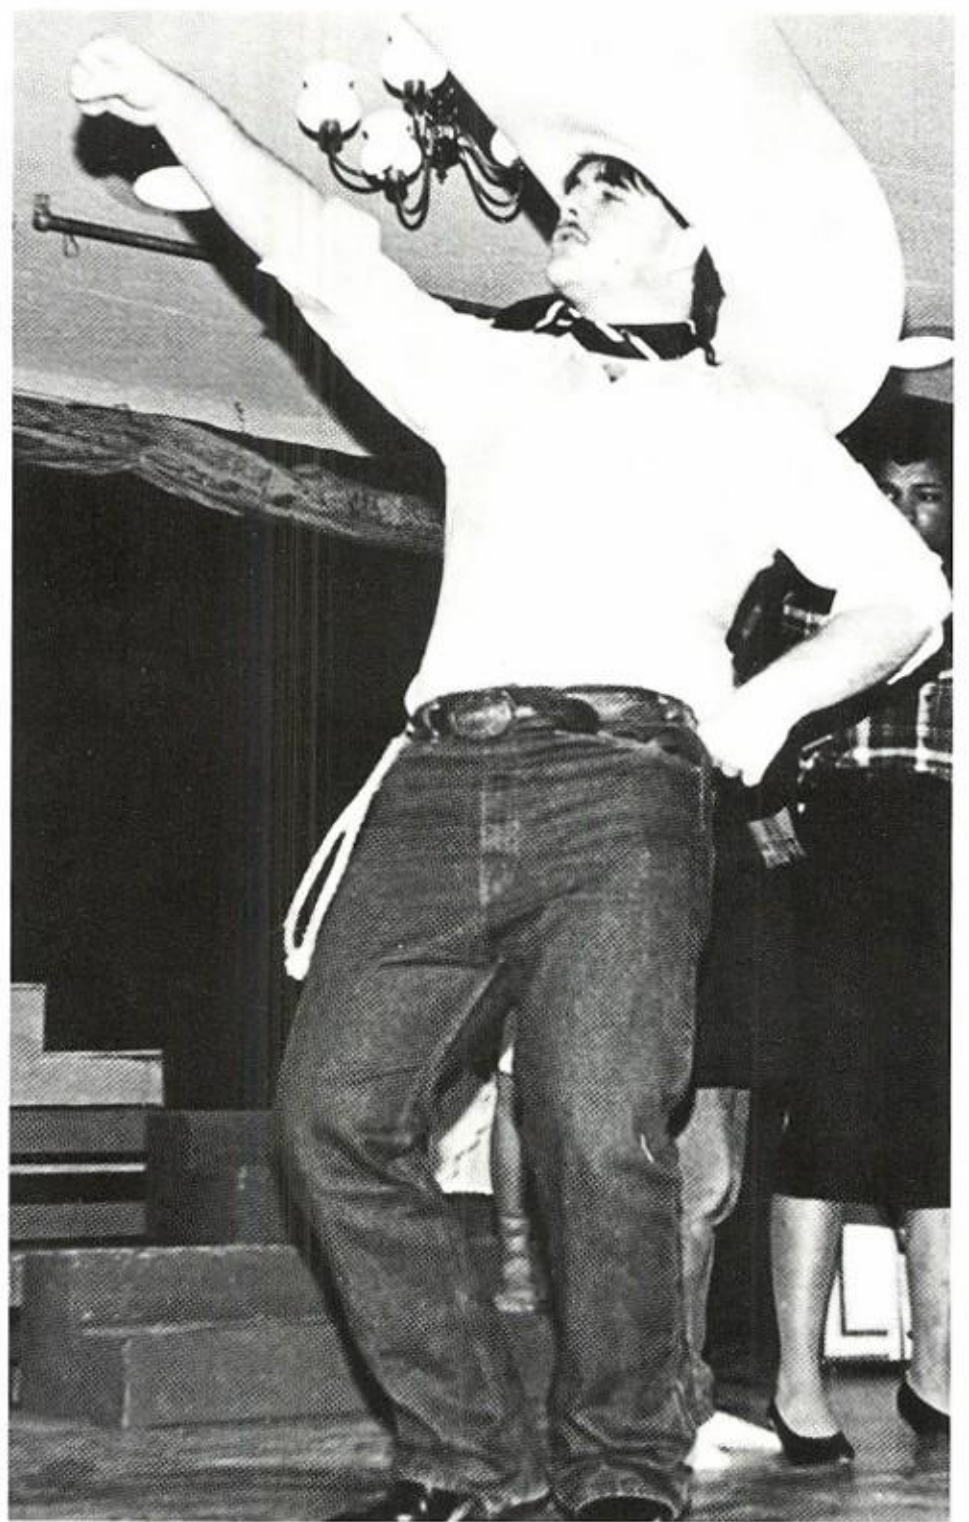

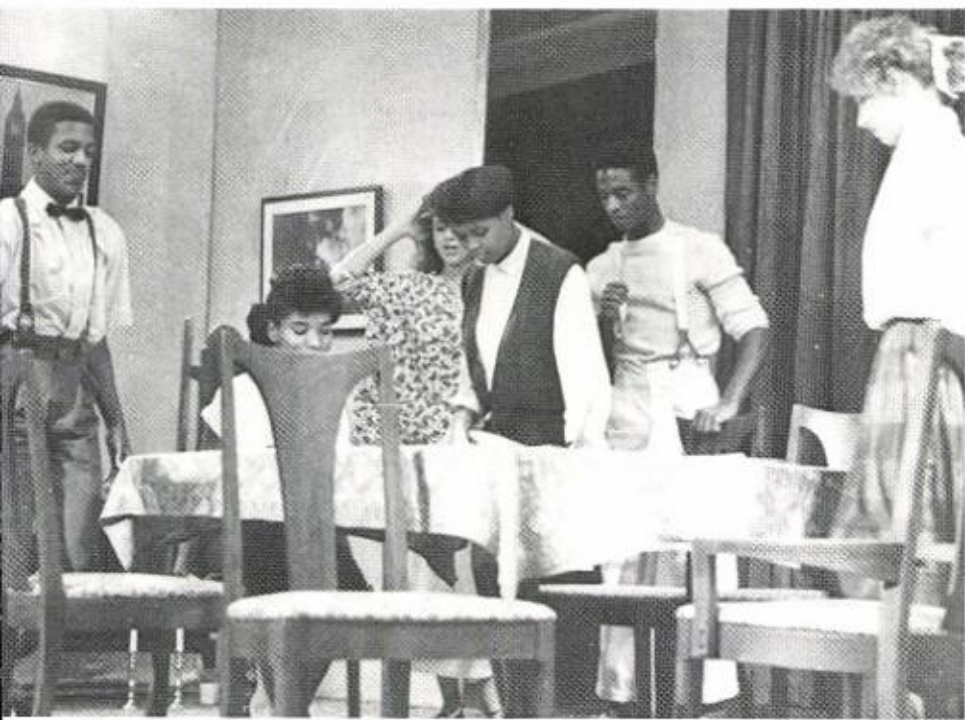

The Rambling Roses held their annual Celestial Ball on the evening of November 30, 1986 at the Hyatt Regency Hotel. It was a formal occasion yet it allowed the girls to "let their hair down" and dance the night away. After the many hours of practice and performance during the long football season, the ball was a welcome occasion for the girls. The evening was full of dance, snacks, and memories for all. It was an exciting night the girls will never forget.

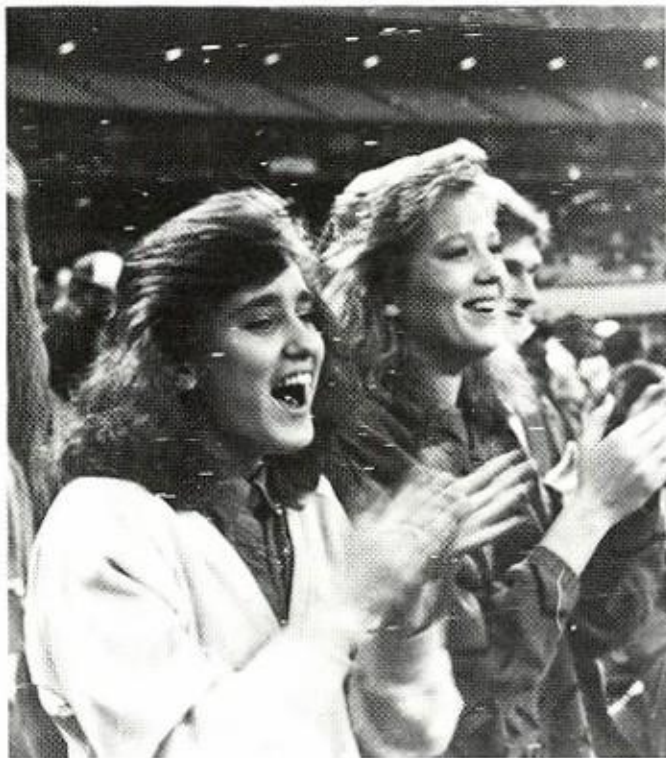

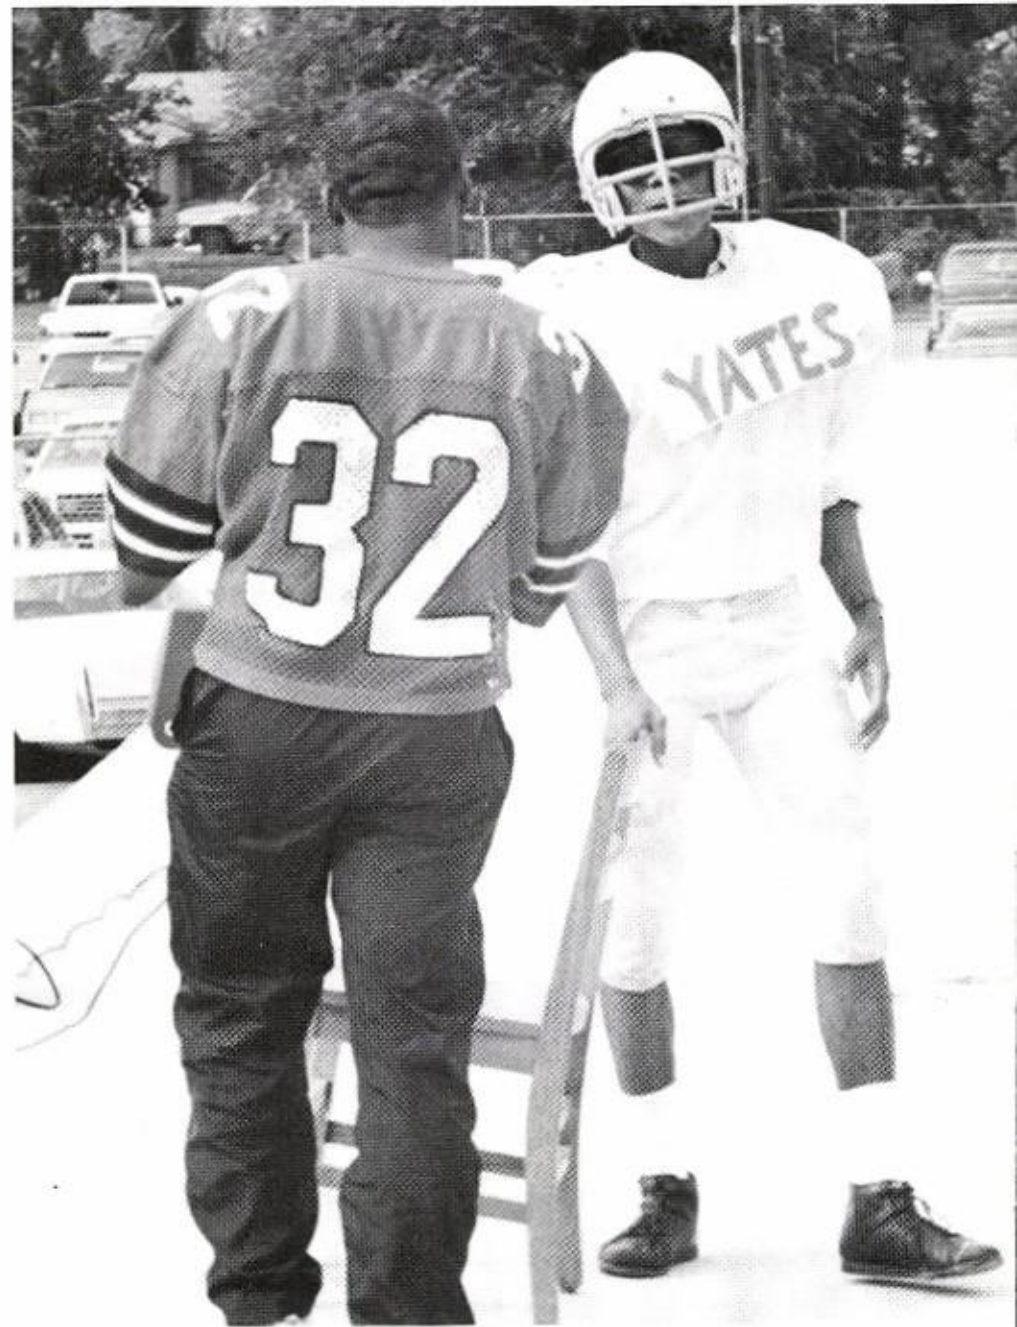

Drama Produces Dazzling Performances

The Drama Department truly had their hands full this year. Students actively took part in all aspects of their productions. From set design to detailed character portrayal, students help themselves and each other through all phases of their plays. *Dracula*, *The Dining Room*, *Under the Sycamore Tree*, and *Roomers* were just some of the plays that the drama classes produced. The plays are performed for students, faculty, and the general public. Ticket proceeds go to benefiting the department and purchasing props and any other materials needed for future productions. The classes also participate in UIL competitions.

Feeling at Home in the Dome

Rams Defeated By Score, But Not By Spirit

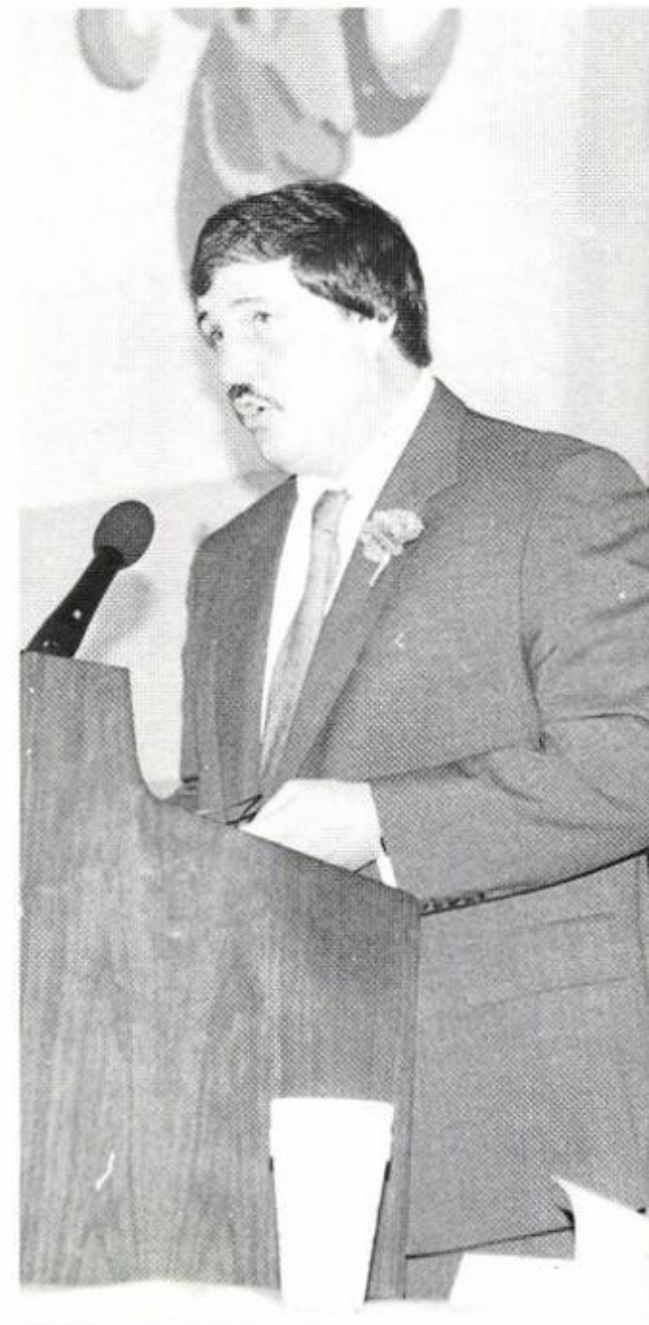

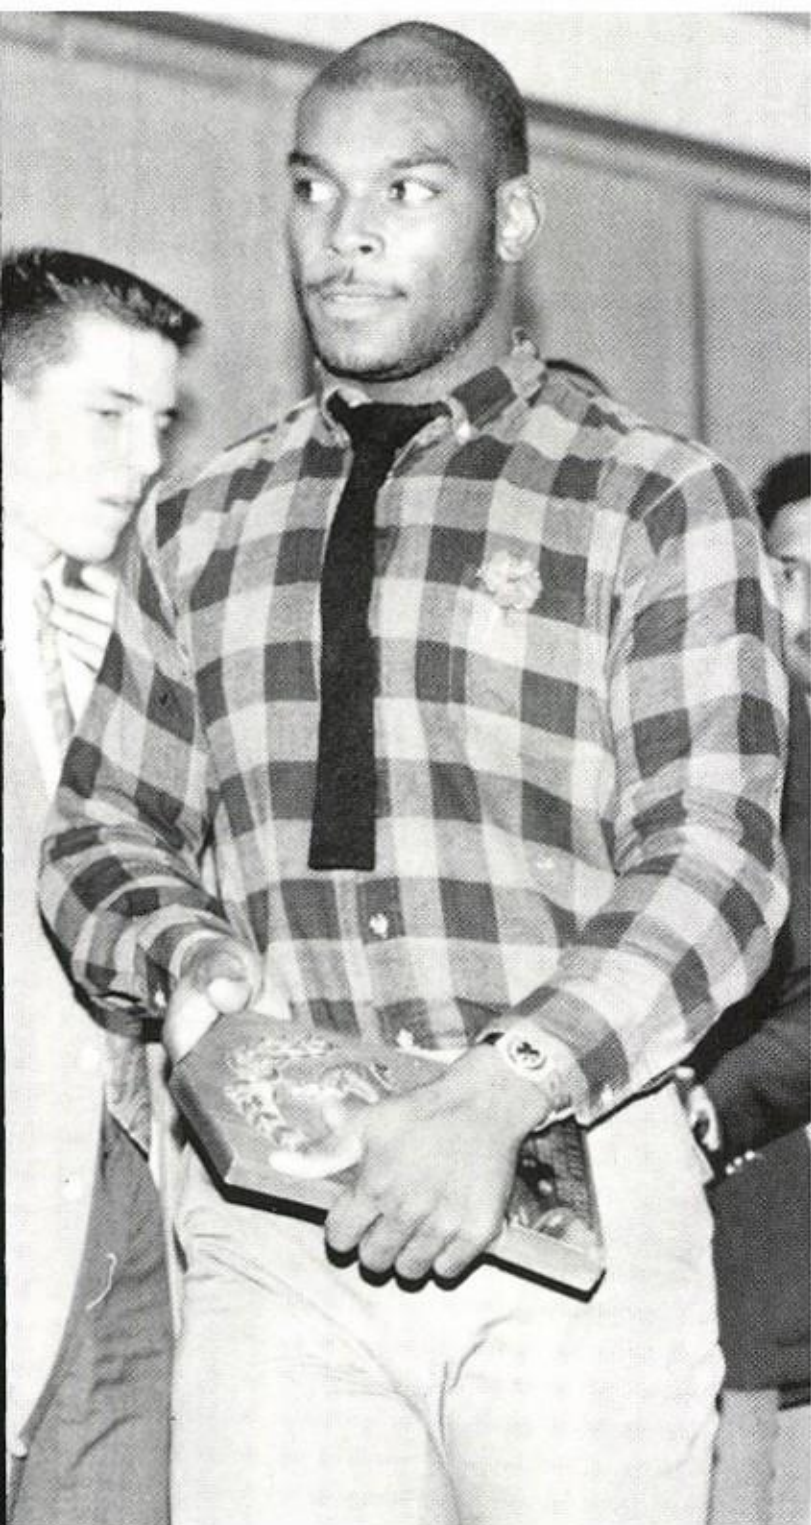

From the moment the 15,000 Waltrip and Yates fans entered the Dome, a massive influx of energy and mixed emotions raged throughout the dome-covered battleground. By the end of the first half, Waltrip's fans were put at ease by their 14 unanswered points. The Rams defense held fast throughout the entire second half until the final minutes of the game. The strong Yates Offense was finally able to score against an equally strong Ram Defense, which put them ahead by 3 points. The emotions of the Waltrip fans made a devastating turn from elation to desperation. Despite its loss, Ram fans walked away with a definite pride that the score-board could never take away.

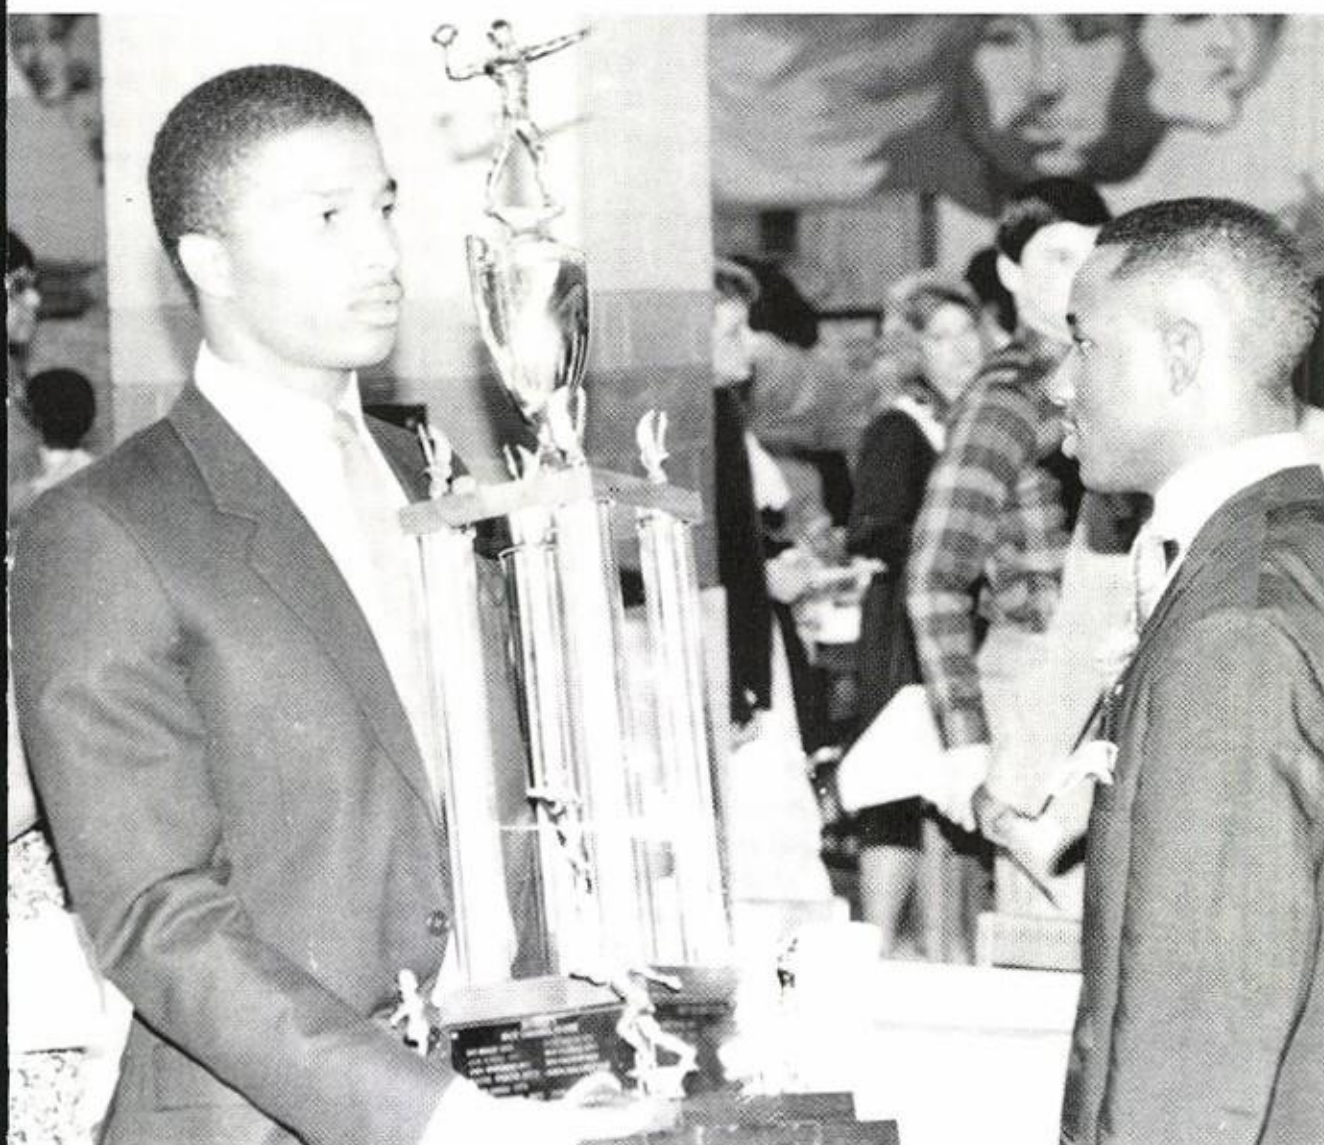

Banquet Climaxes Successful Season

The annual Football Banquet was held Wednesday, December 3 to honor the outstanding job done by Waltrip's Freshman, Junior Varsity, and Varsity teams. Booster Club members added some spice to the event by decorating the cafeteria. Pictures from the Varsity's historic Dome game against Yates were displayed. Players, their dates, parents, coaches, managers, and cheerleaders dined while reflecting on the past season. Jim Wacker, Texas Christian University Head Football Coach, was the guest Speaker. He talked about setting goals and achieving them. Grand memories from past games were recalled and outstanding players were recognized in an awards ceremony.

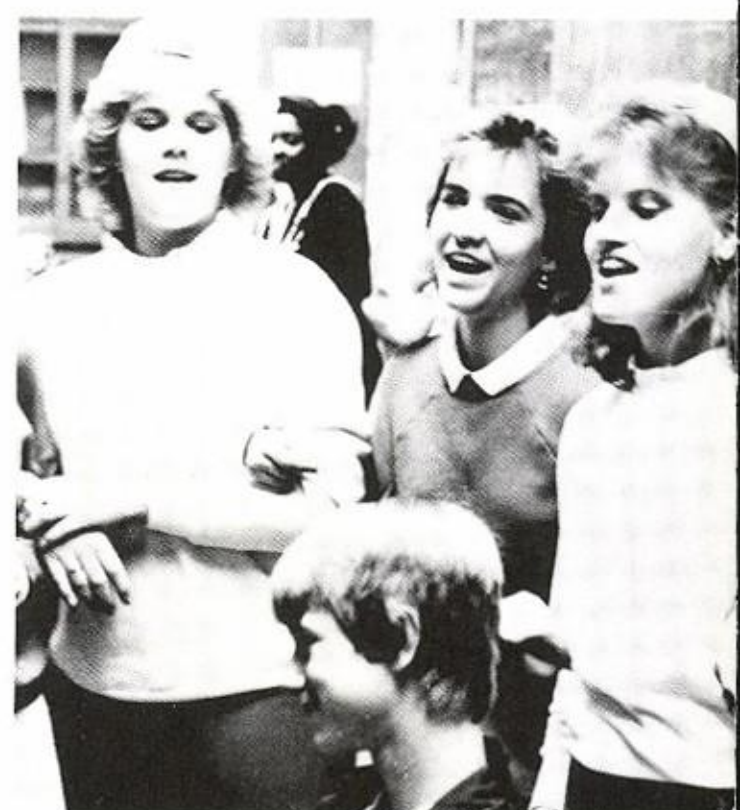

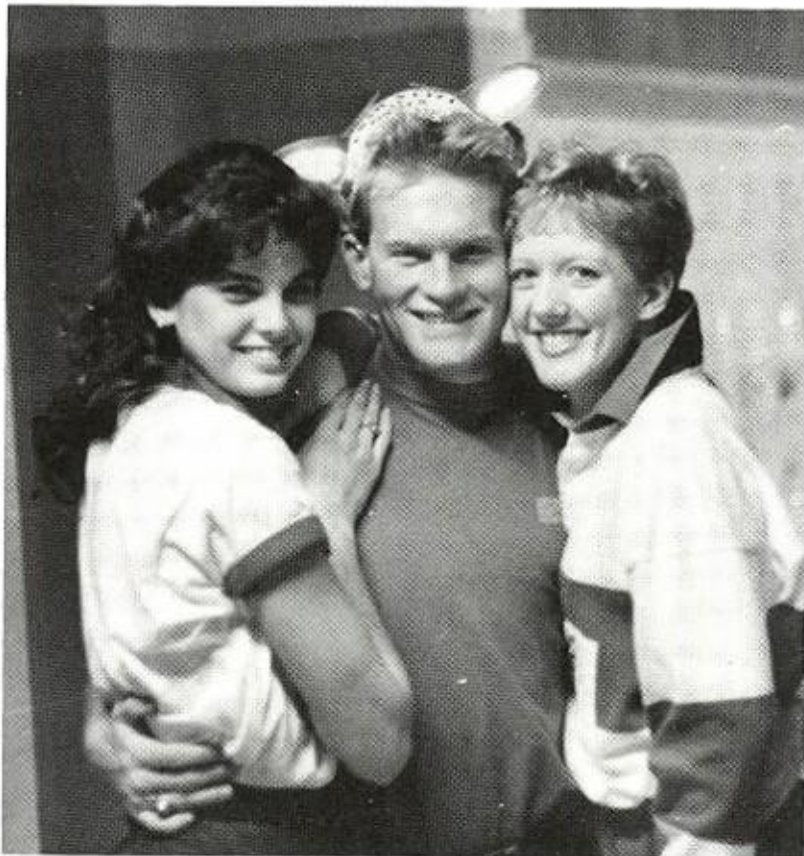

Left: Johnny Eaton receives plaque for Outstanding Defensive Lineman.
Below: Leo Zerangue is congratulated for his Scholastic Achievement Award.
Below left: Otis Flowers receives trophy for Most Valuable Player.

Outstanding players were rewarded for their efforts in an awards presentation. Otis Flowers was named the Most Valuable Player for the 1986 season. Outstanding Offensive Lineman was John Olivares and Johnny Eaton took Outstanding Defensive Lineman. Both Reginald Bendy and Keenan McCardell were named Most Valuable Offensive Backs. Most Valuable Defensive Back was Regess Taylor. Leric Eaton was named Most Spirited. King of the Hitters went to Shannon Frazier and Leo Zerangue. Scholastic Achievement Awards were presented to Jeff Graves, Chris Jefferson, and Chris Warren. The coaching staff extends their deepest congratulations to the boys for their excellent season and wishes them the best of luck in all their future endeavors.

Santa Grams Ring in the Christmas Spirit

Christmas time seems to be Waltrip's favorite season. With the long break ahead, students can't seem to wait for the final bell. Friday before the holidays, the school celebrates in a great variety of ways. Students buy carnations and Santa Grams for friends. These caroling groups visit classes singing to students and teachers about the Christmas season. Lunchtime is filled with gifts, laughter, and more singing as students gather together to sing the old familiar, favorite carols.

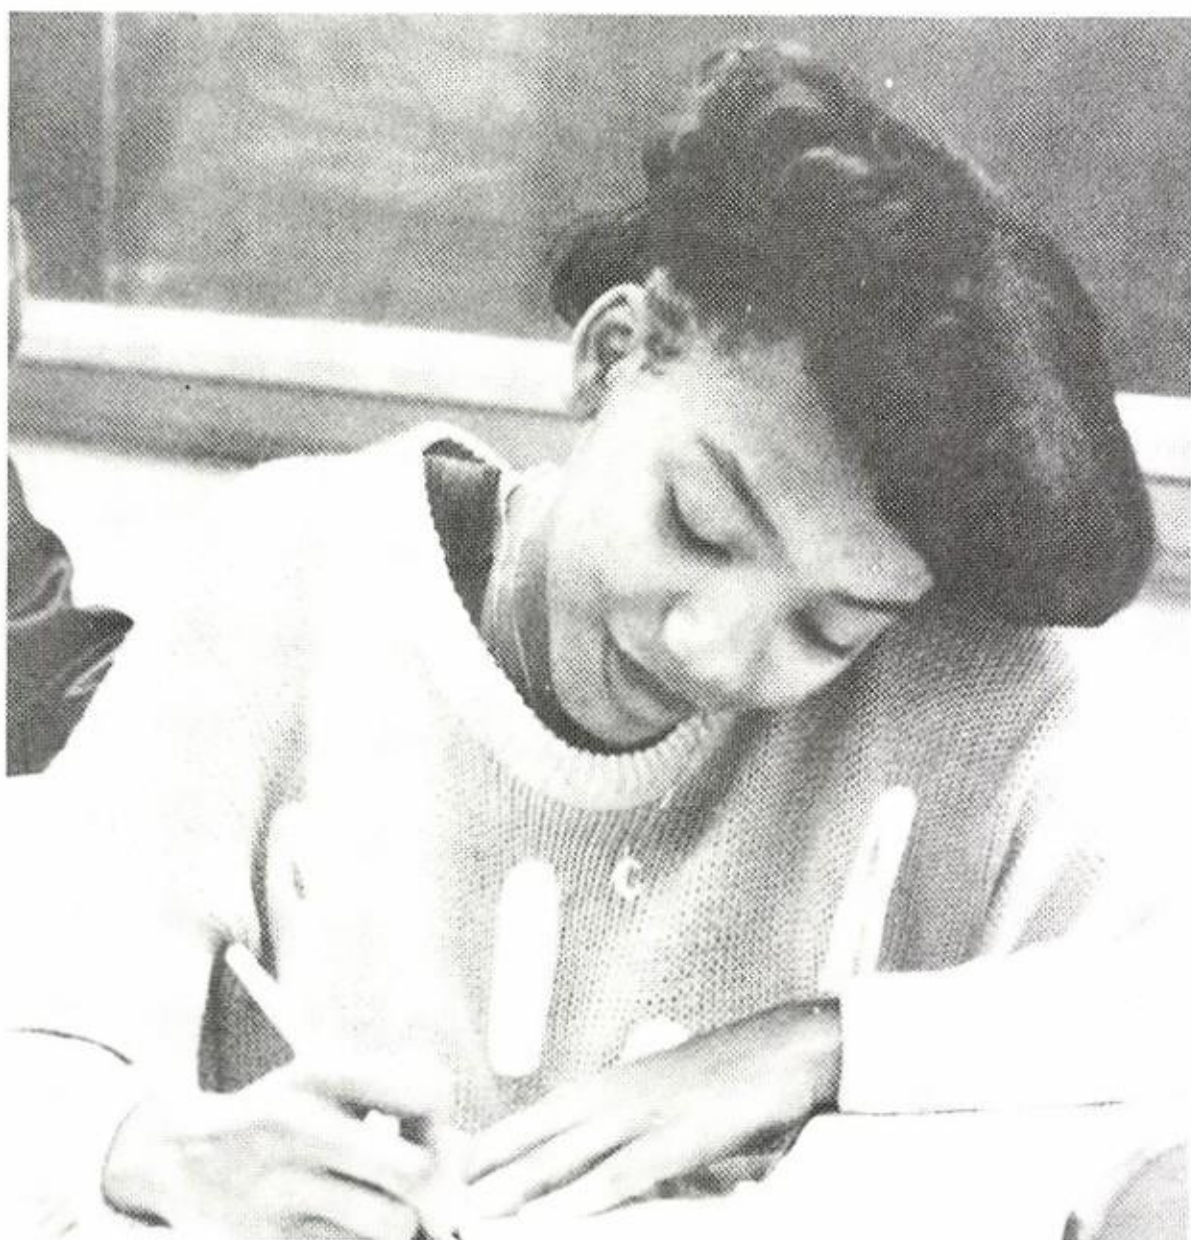

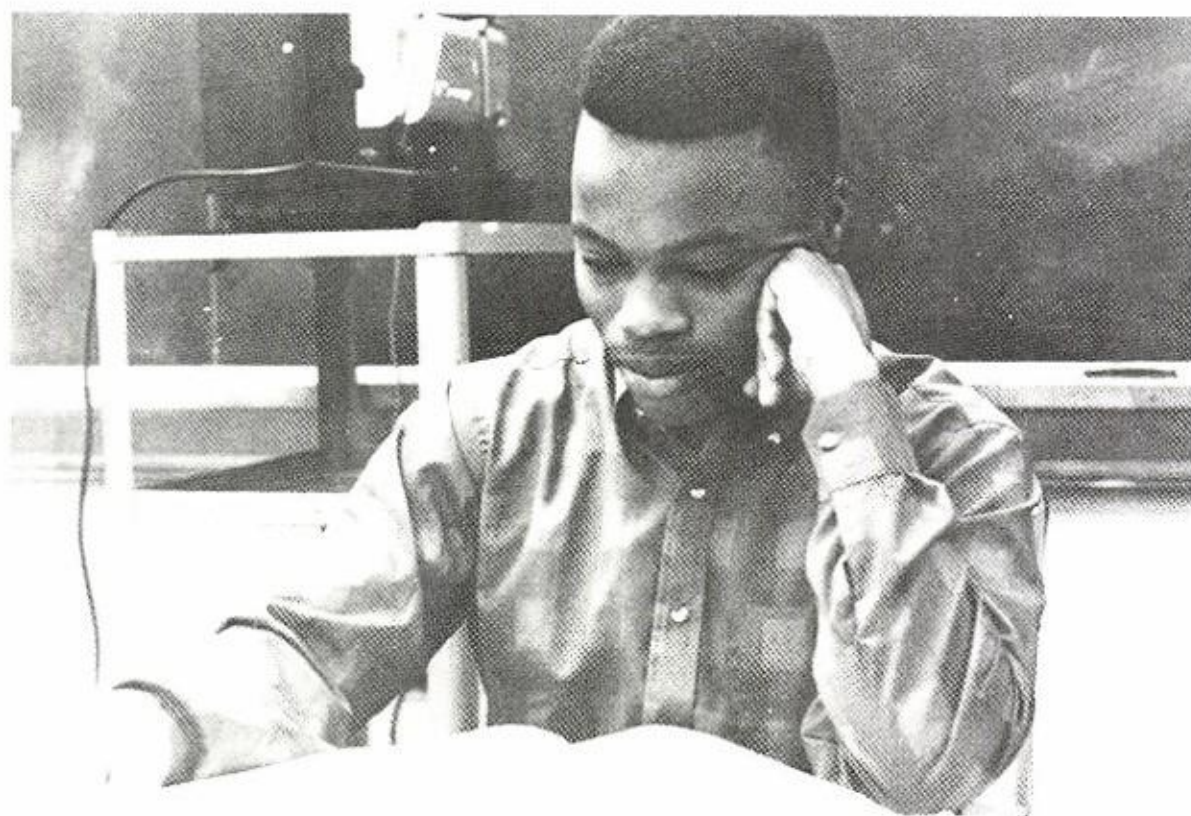

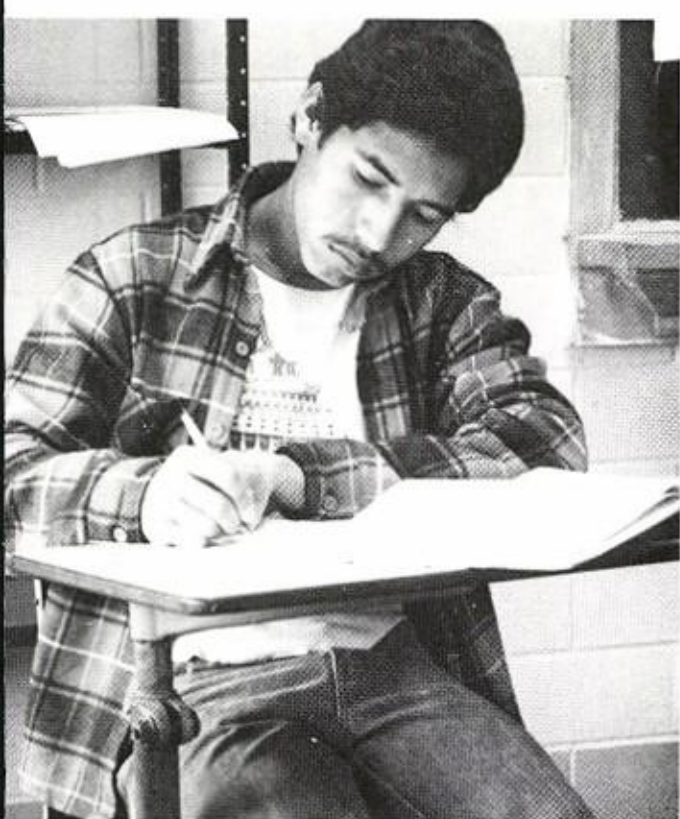

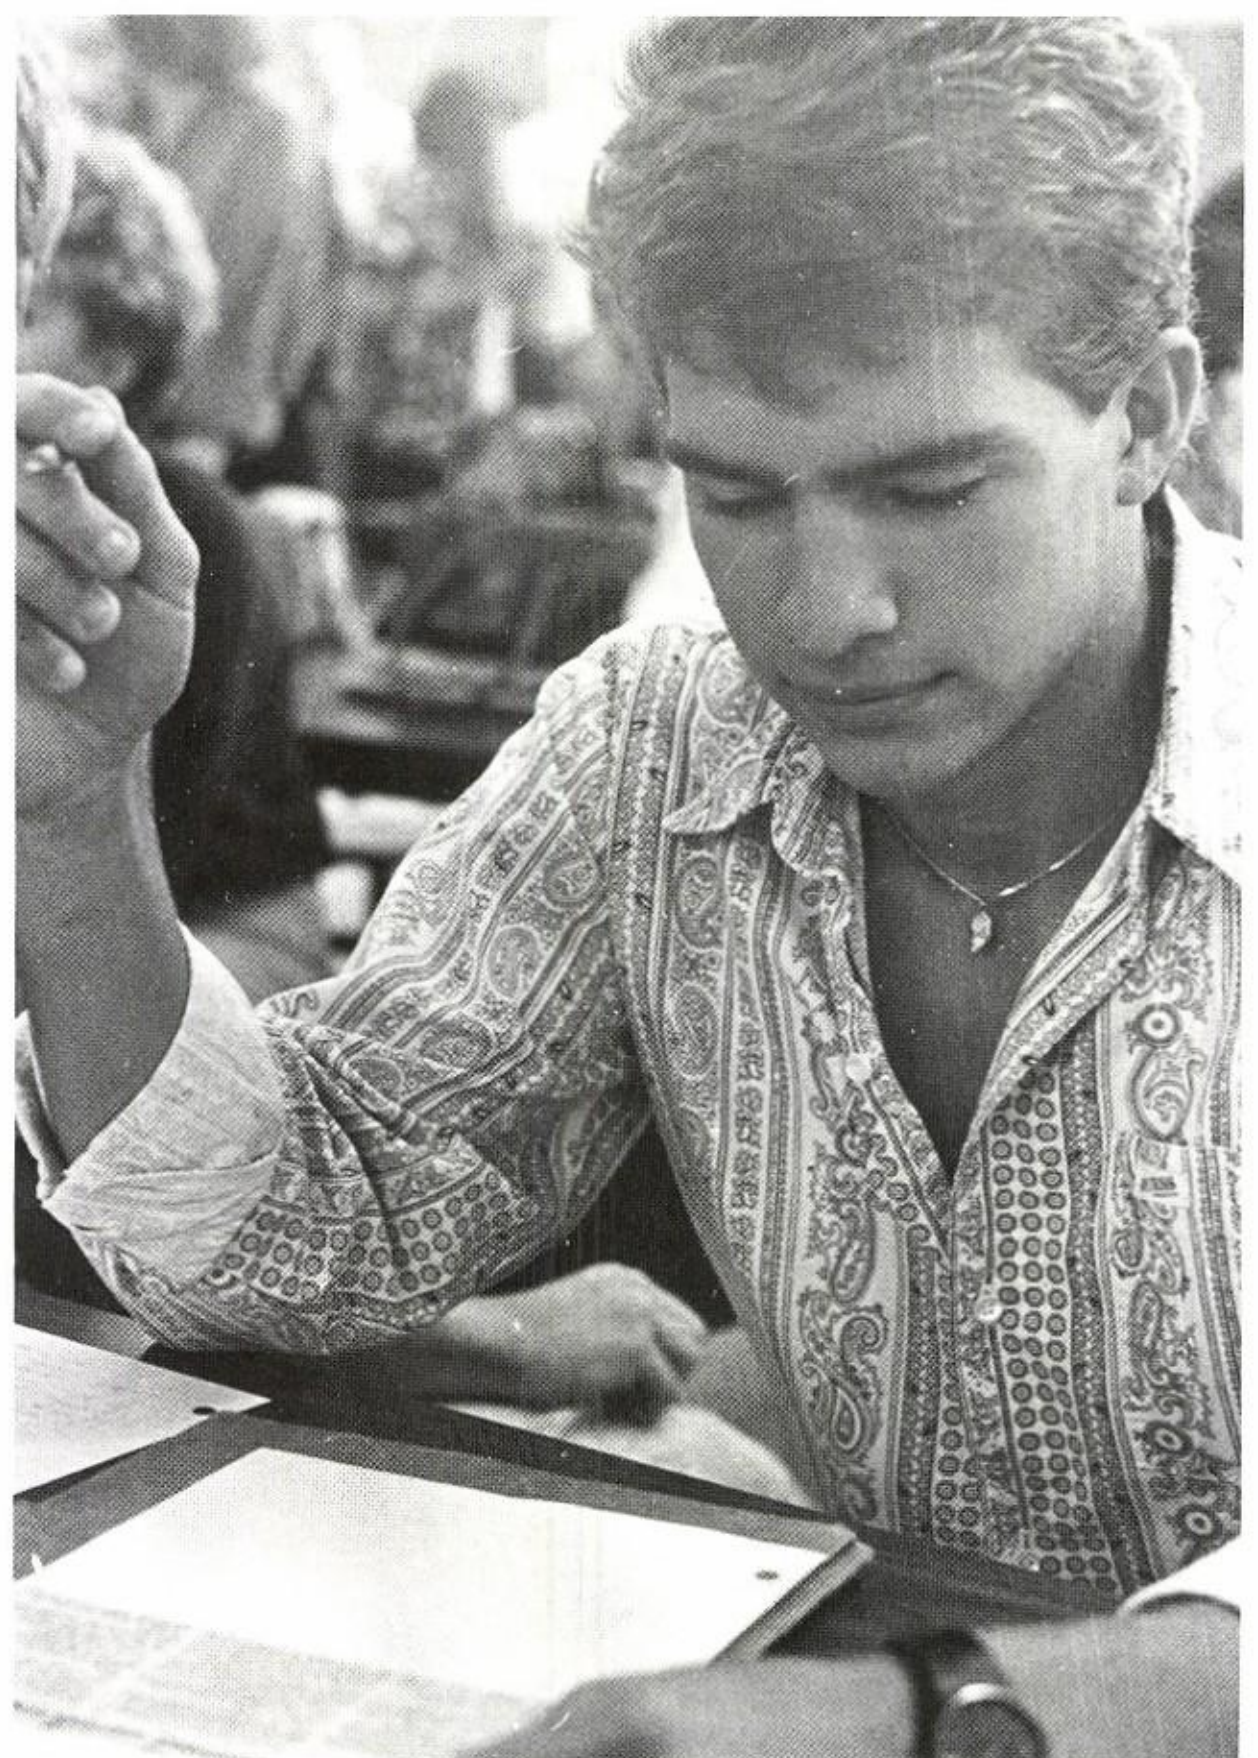

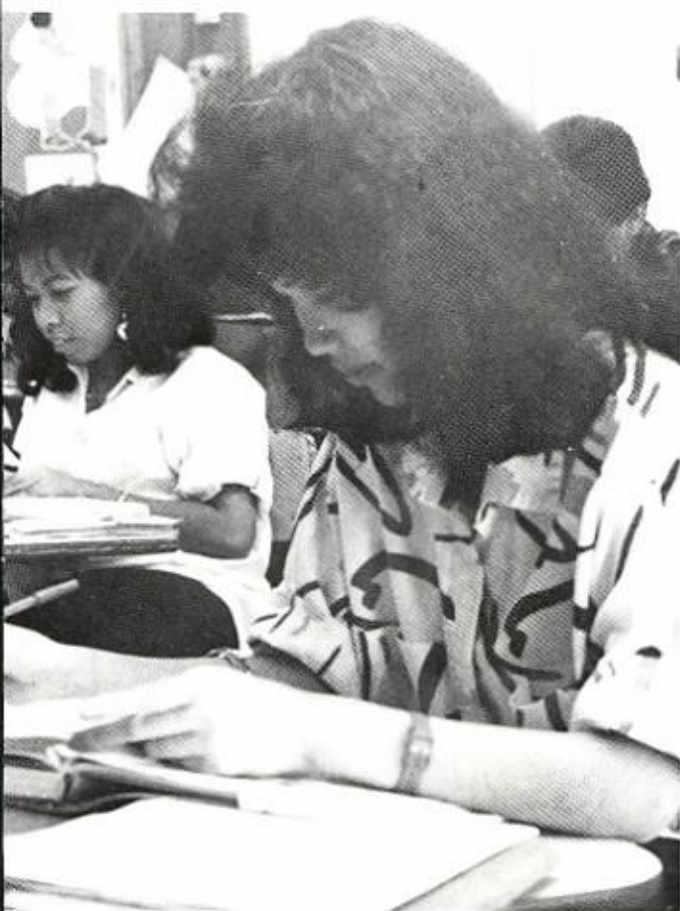

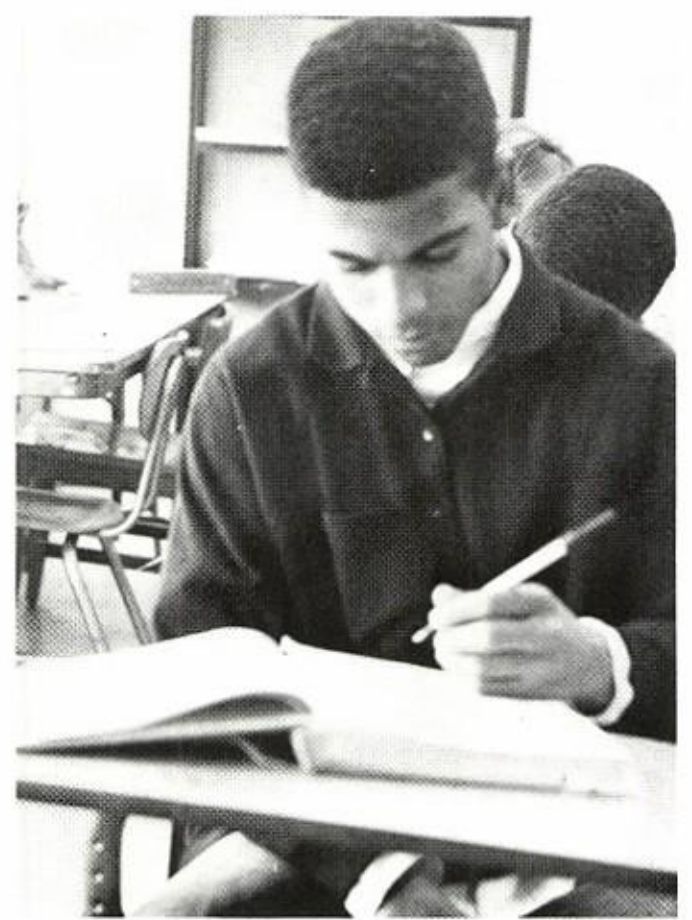

Students Cram as Semester Ends

Upon returning from the holidays, students began serious cramming sessions for their proficiencies and final exams. Mr. Ofield and Ms. Scott again devised an incentive plan to encourage students to do their best on

their proficiencies. Making A's or B's will allow students to be dismissed early accordingly. With the semester behind them, students plunged into the spring semester.

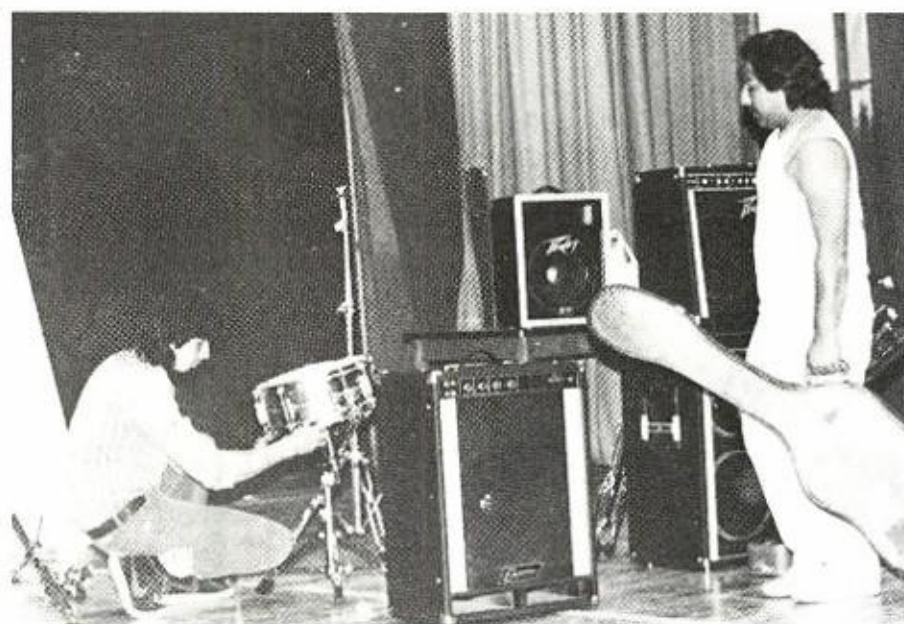

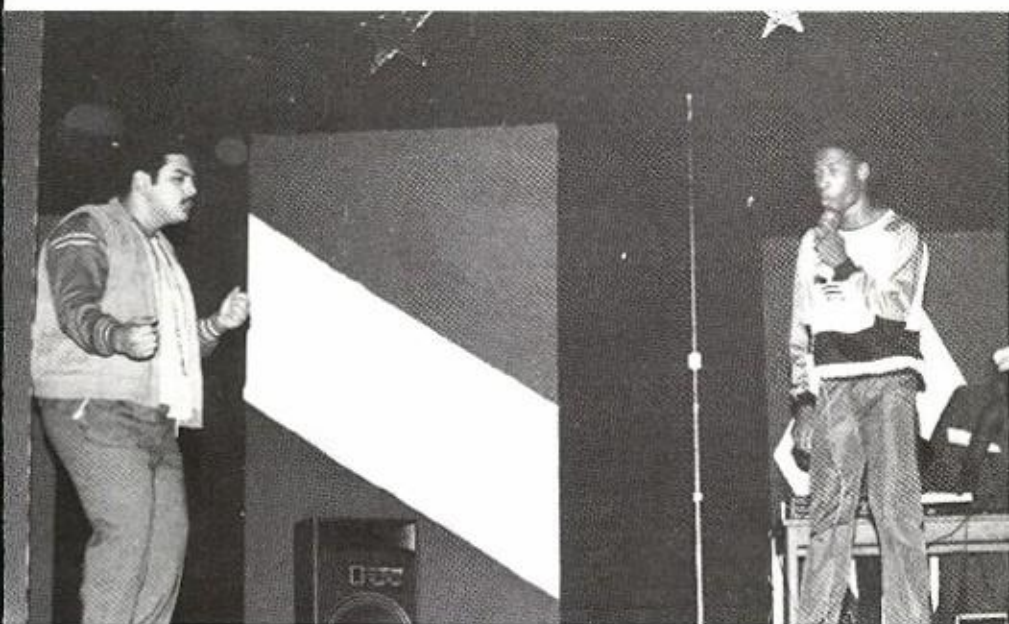

Talented Students Hit the Stage

Friday, February 27 Waltrip held its annual Talent Show. Talented students auditioned, practiced and performed everything under the sun from soul to the heavy metal of today. A day and night show gave everyone the opportunity to see the extravaganza. Strobe and police style lights added to the overall effect of the performance which ran very smoothly. The rapping, gospel, soul and rock all came together in a unique display of Waltrip talent.

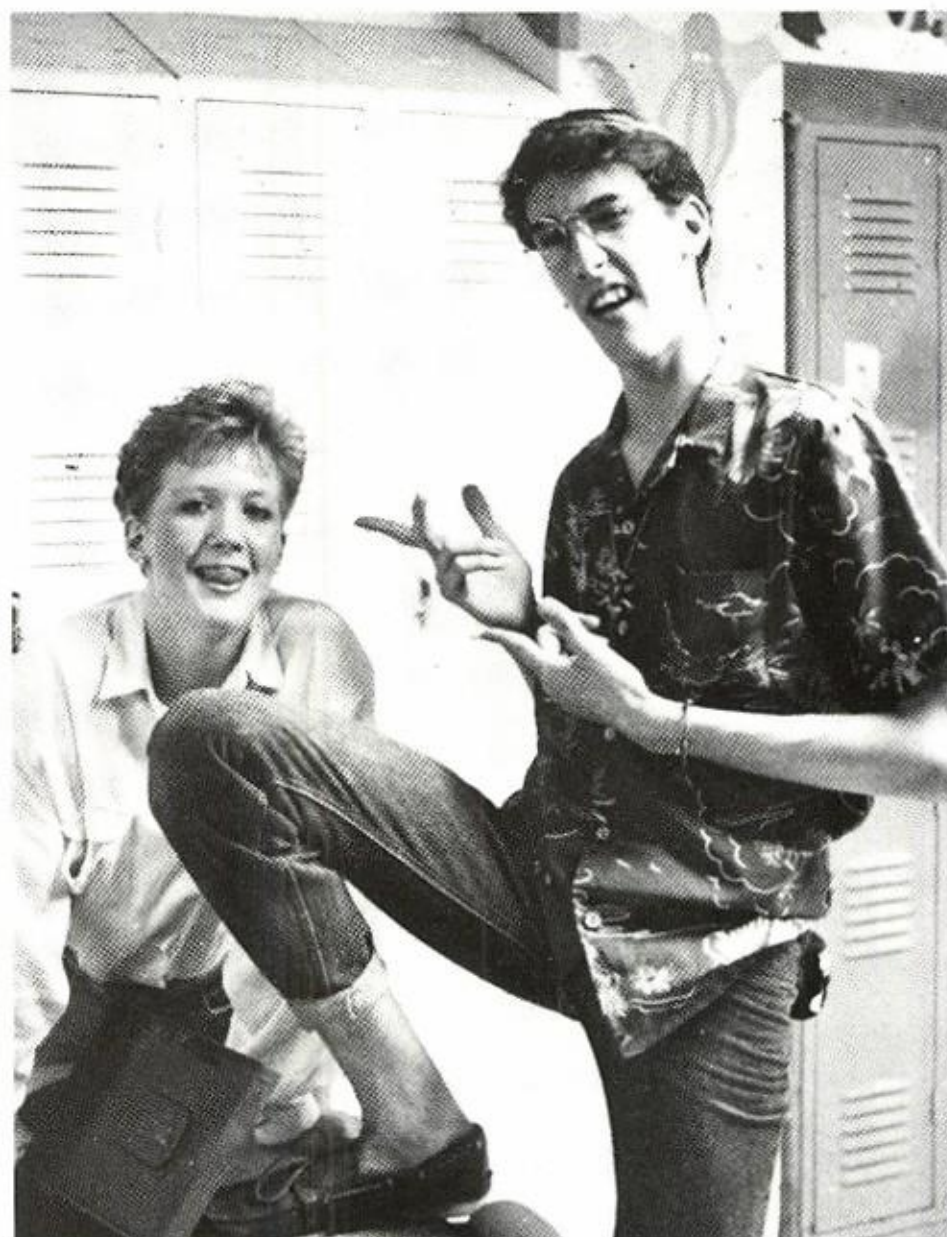

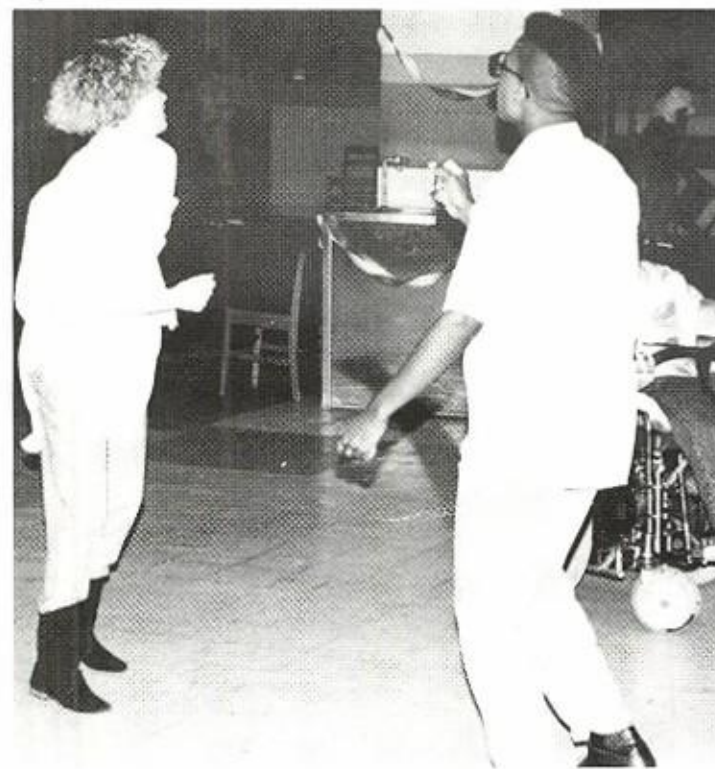

Students Celebrate Valentine's

Friday, February 13, Waltrip students celebrated Valentine's Day. High achievers on Proficiency tests were treated to the whole day or portions of it off from school. Carnations were delivered during homeroom Friday. *The Tribune* sold "Sweet Nothings" which were put out in a special edition. That night, the Senior Class sponsored a dance and allowed the Freshmen to sell concessions thus enabling two classes to benefit from the dance. But the fun had just begun. The dance lasted from from eight to twelve and students had a great time dancing and enjoying their Valentine's Day together.

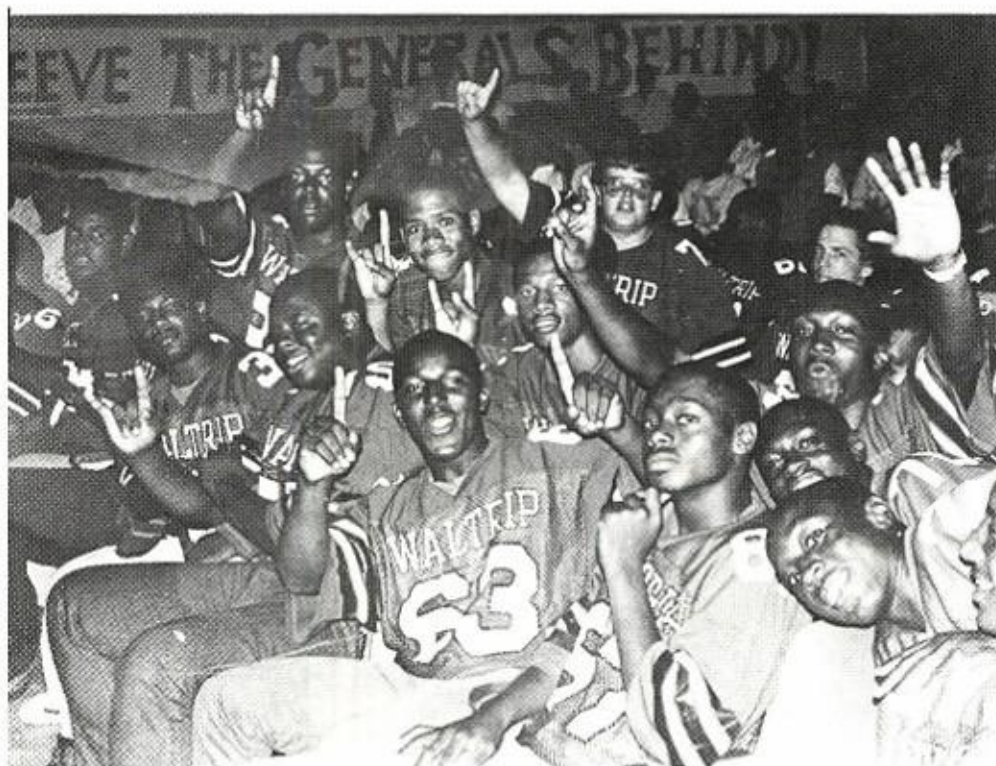

Vocational Students Relax

Vocational students from all classes relaxed at a brunch held in their honor. It was held to recognize students in the classes and to kick off Vocational Education Week. A full course breakfast was served to the over three hundred students in attendance and their teachers. Mr. Ofield announced the winners of a poster contest in which students were to create posters depicting interest in Vocational classes. Child Care instructor Mary Peek commented, "It was a first and we hope to make it an annual affair."

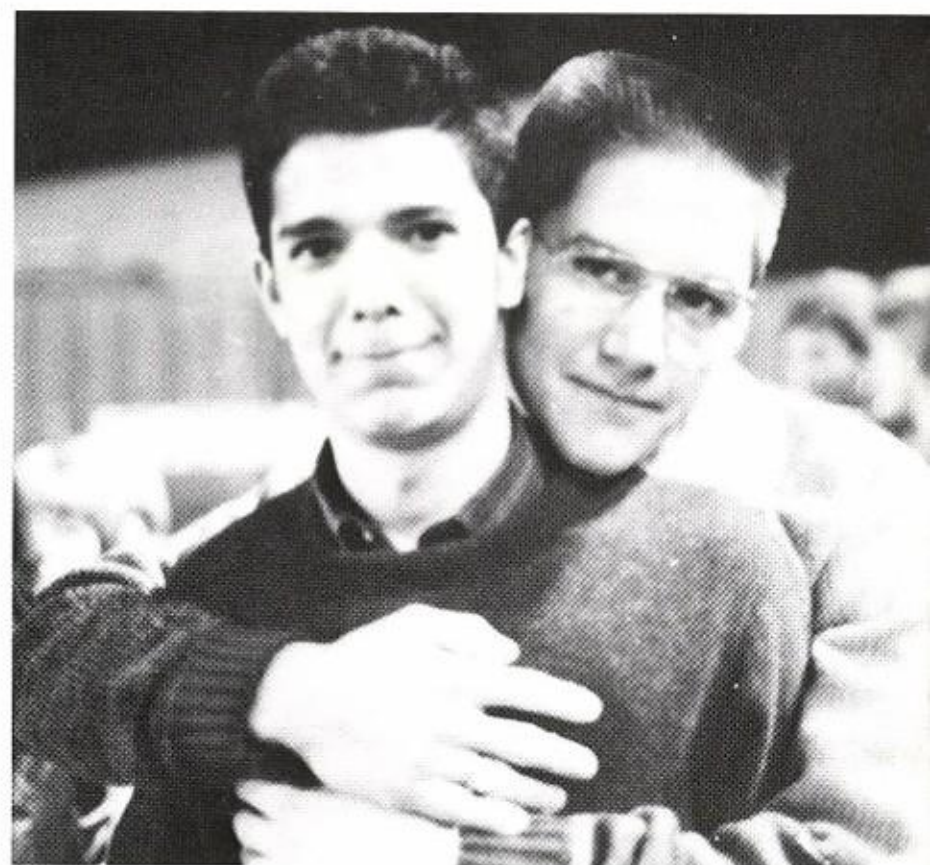

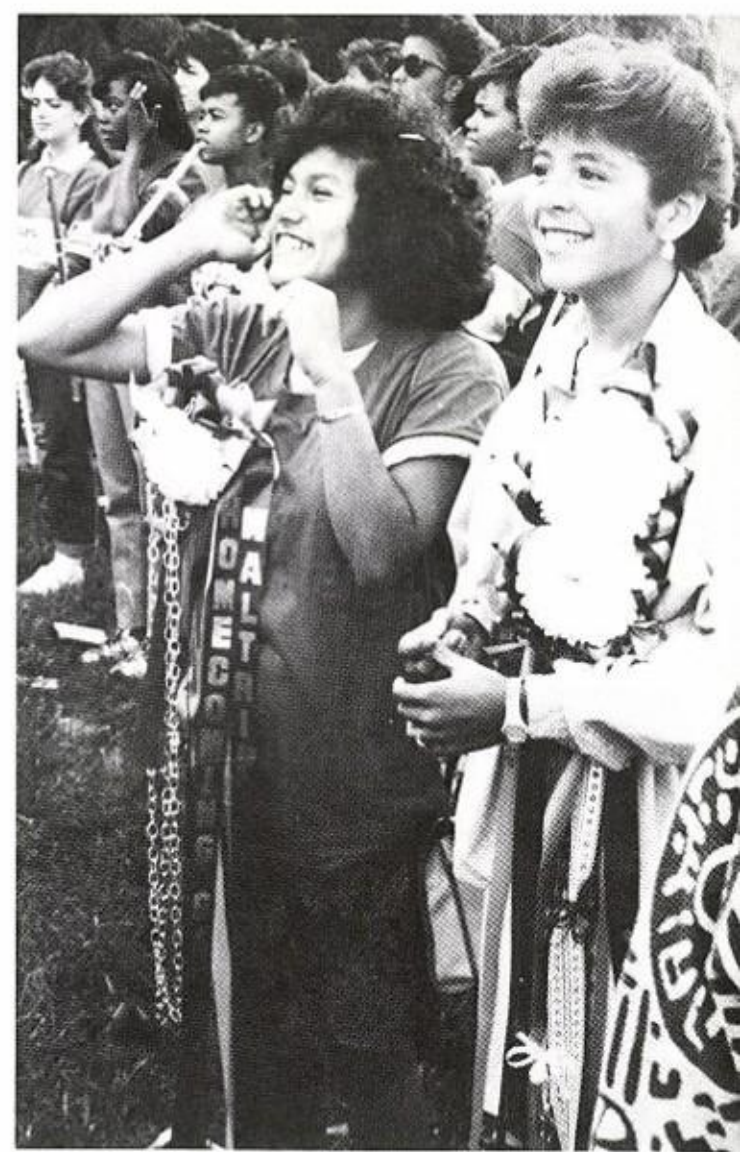

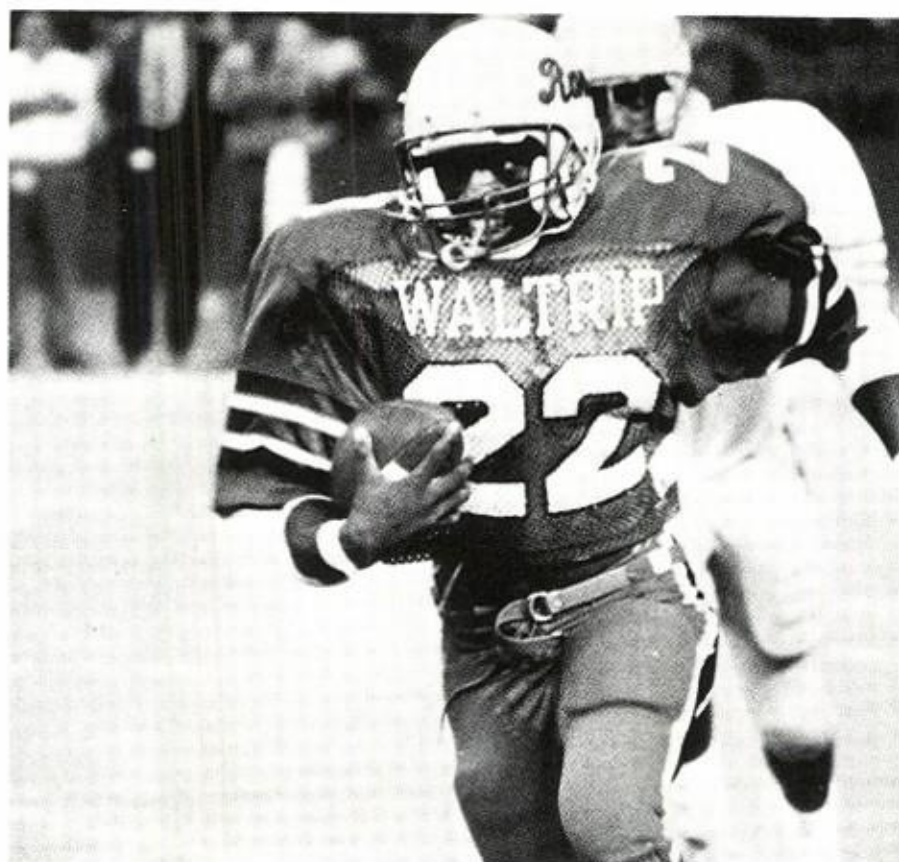

Times to Remember

The year passed quickly but not uneventfully for Waltrip students. High spirits were everywhere. From cheering the Varsity football team on to a very successful season climaxing in the Astrodome to supporting classes with dances, Waltrip's spirit truly shone bright this year. Fond memories were created for everyone as each individual found something interesting to do. Brunches, the ordering of class rings and caps and gowns, Spirit Week, various athletic events, bomb scares, disaster drills and club activities gave everyone the chance to get into the spirit. Students will be able to look back at the year long from now and remember their Waltrip Days.

GUESS What's in Style

Fashion took an unbelievable turn in 1986 as people began to create their own looks and quit relying on *Vouge* and *G.Q.* to advise on the daily wardrobe. Two big fashion pulses were the use of patterns and textures. Preppy plaids, stripes, and paisleys were used as solids still remained popular. Denim was worn like never before with multi-colored and printed denim sewn into skirts, jackets and jeans.

Most students fall into catagorized styles. Some of these were *G.Q.*, preppy, conservative, and casual. The *G.Q.* man emphasizes a cool, sexy look which adopted denim, layering, and over-sized sweaters. Preppy style was hot in forms of kahki slacks with oxford shirts and loafers, which became a necessity in almost every young man's wardrobe. Conservative students, who care to spend their money in other areas, set style in polo-type shirts and inexpensive sweaters. The casual student, as always, makes his own style with tee-shirts and well-worn jeans.

Money was, as always a big plus for the expansion of a wardrobe, but not a necessity. More clothing discount stores, such as Mervyn's, Front Row, and Miller's Outpost, emerged and became very popular. If money was not a problem you might find the the fashionable student in Macy's, the

Limited, Sak's Fifth Avenue, or Lord and Taylor's.

For a polished look, accessories were essential. Swatch, a new wave watches from Switzerland, were all the rage in timepieces as they were unusual and inexpensive, only \$3. Metallic silver and gold really hit home with the girls, it was incorporated in their shoes, clothes, and jewelry. The "Puffy Heart", a heart which appeared to be overfilled with air, really ran wild with pendants, earrings, and even rings.

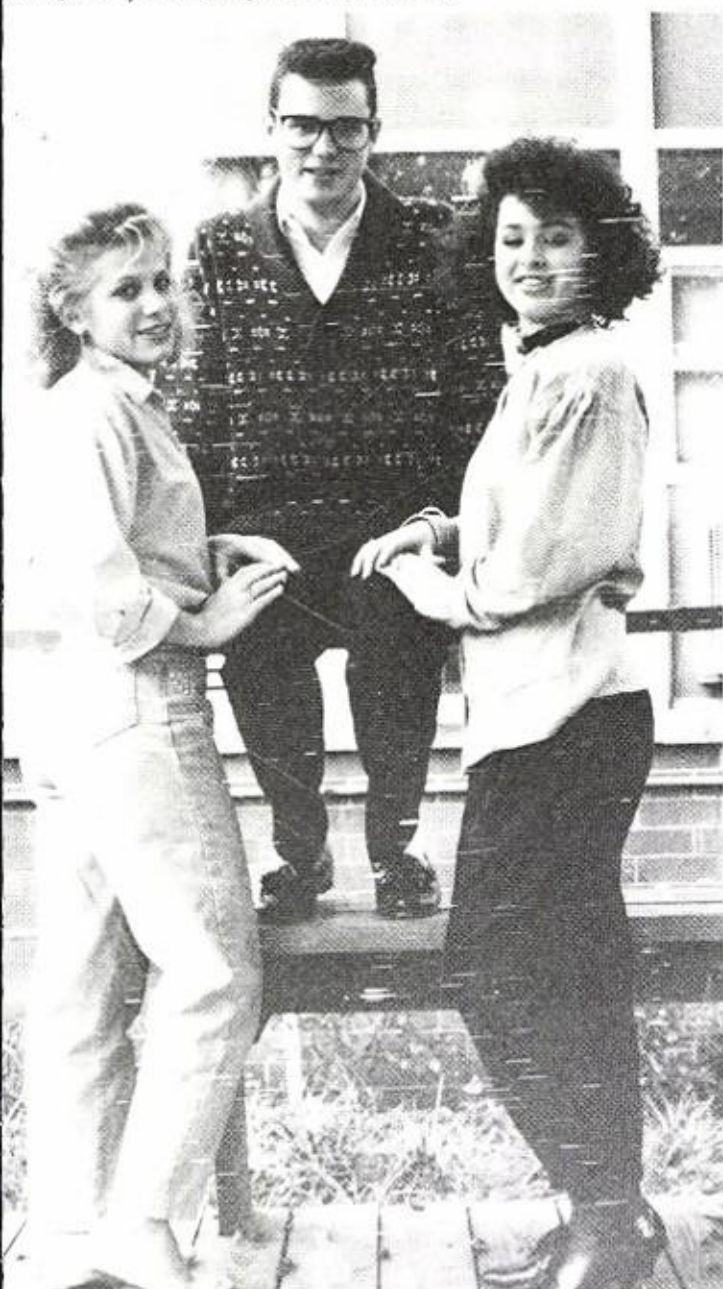

The biggest name brands offered more to those who could afford them. Levi's 501's were the most popular jeans with men. Guess was worn by both men and women despite the steep cost. Espirit and O.P. continued to remain in the fashion circuit, while more expensive brands like Gucci, I. Claiborne, Fila, and Yve Saint Laurent cashed in on the teen market. Footwear did not escape the fashion trap, brands like Kaepa, Reebok, and a new brand, Fila, changed even sneakers into a fashion statement.

Forming a fashionable wardrobe was not difficult. Choosing between the endless looks, styles, colors, textures, and brands was the hard part. As always, the most important factor was forming outfits that were comfortable and fit the individual personality.

o R, Holly Stovall, Kirk Cooper, Jamie Drake.

Modeling some of the fashions from around school, some Waltrip students are showing us their best-dressed styles. Above, Shawn is showing us it is "cool" to wear white in the winter. Prompted by "Miami Vice's" Don Johnson, this trend stayed popular even after poor Don fell out of the fashion spotlight.

Holly is posing in her denim jacket and denim skirt. The biggest name in denim is Guess, which has recently taken wardrobes all across Waltrip by storm.

Stephanie is showing us her favorite combination of bright red with silver accessories such as shoes and belt.

Amy just loves her knit dress. It's dressy enough to wear out to dinner and yet it's still casual and, more importantly, comfortable to wear to school. Now clothes must be versatile as well as comfortable to keep up with the teen who is usually on the go and doesn't have time for the scratchy or binding clothes of yesterday.

Adele is in total agreement with Amy, and yet goes one step farther with her outfit as she incorporates an

over-sized sweater with a neutral colored skirt with boots. She is ready for anything from an evening out to a pleasant stay at home.

At left, Holly shows us her denim again but this time she has studs and rhinestones on the pockets. This illustrates a large trend in putting rhinestones or everything from blouses to shoes. Some bought their clothes already studded, while other thriftier ones bought the rhinestones and a setter and gave their clothing a personal touch.

Kirk is showing us his Prep look. A nice sweater, oxford shirt, slacks, and loafers make up his attractive outfit.

Jamie likes to use shoulder-pads to enhance her already smashing appearance. She chooses clothes that fit looser than Kirk or Holly and compliments her high-collared blouse and black pants with a bola tie, bracelets, and delightfully unusual shoes.

These are but only a sampling of the fashions and fashionable students here at Waltrip, to print them all would take more paper than Webster's Dictionary."

Waltrip in the Spotlight

Carole Keeney, *Houston Chronicle* reporter selected Waltrip as the focus for a feature on the high school students of the eighties. Waltrip was selected for its diversity in all areas and the eight article series covered all aspects of student life. When asked to

comment on high school students today, Ms. Keeney had much to say. "Students are more serious, conservative, and career concerned. They have many more problems to deal with and are less likely to take risks."

Good Looking Seniors are put to the Test

...R, Gerald Kunzel, Peggy Cantrell, Larry McKaskle.

For Most Attractive Senior, nominations were made by homerooms. The senior students voted for the boy and girl they thought were most attractive. Fourteen finalists were chosen and judged at a special brunch at Lisa Williams' house in February. The names of the winners are kept a secret until the yearbook is released.

The judges selected were Gerald Kunzle of Gerald K. Coiffures, City Councilman Larry McKaskle, and Peggy Cantrell from Merle Norman Cosmetics.

Students Achieve Academic Excellence

Six Students were selected by the Aries staff as outstanding seniors. Nominations were made by teachers who were asked to consider scholastic ability, participation in school organizations, responsibility, and service to Waltrip. The students must have a 3.6 grade average to be considered and have at least thirteen votes from the Aries staff to be selected.

Students graduating in the top 5% of their class will receive Highest Honors, while those graduating in the next 10% will be graduated with Honors.

Cheerleaders

Students Promoting School Spirit

The 1986-87 Waltrip cheerleaders have done a great job promoting school spirit. They attend all football, basketball, baseball, and volleyball games and they lead the students in cheering on the teams. They are also responsible for organizing pep rallies and painting spirit signs. Last summer the cheerleaders attended camp at Sam Houston State University and won several awards for both excellent and superior ratings. They also helped raised money for the Special Olympics.

Rams Off to a Great Start

Pre-Season Record 4-1

The mighty Waltrip Rams began a winning streak in their second pre-season game, versus Lee, and continued it throughout the district season. Jersey Village is the only team that defeated our Rams, leaving Waltrip with a 4-1 pre-season record. The Rams had well over

100 yards rushing in each of our victorious games. Passing yardage steadily increased to come from 30 yards in our first game against Jersey Village to 117 yards in our last game against Milby. The Rams had an excellent pre-season, which laid the ground work for our district championship.

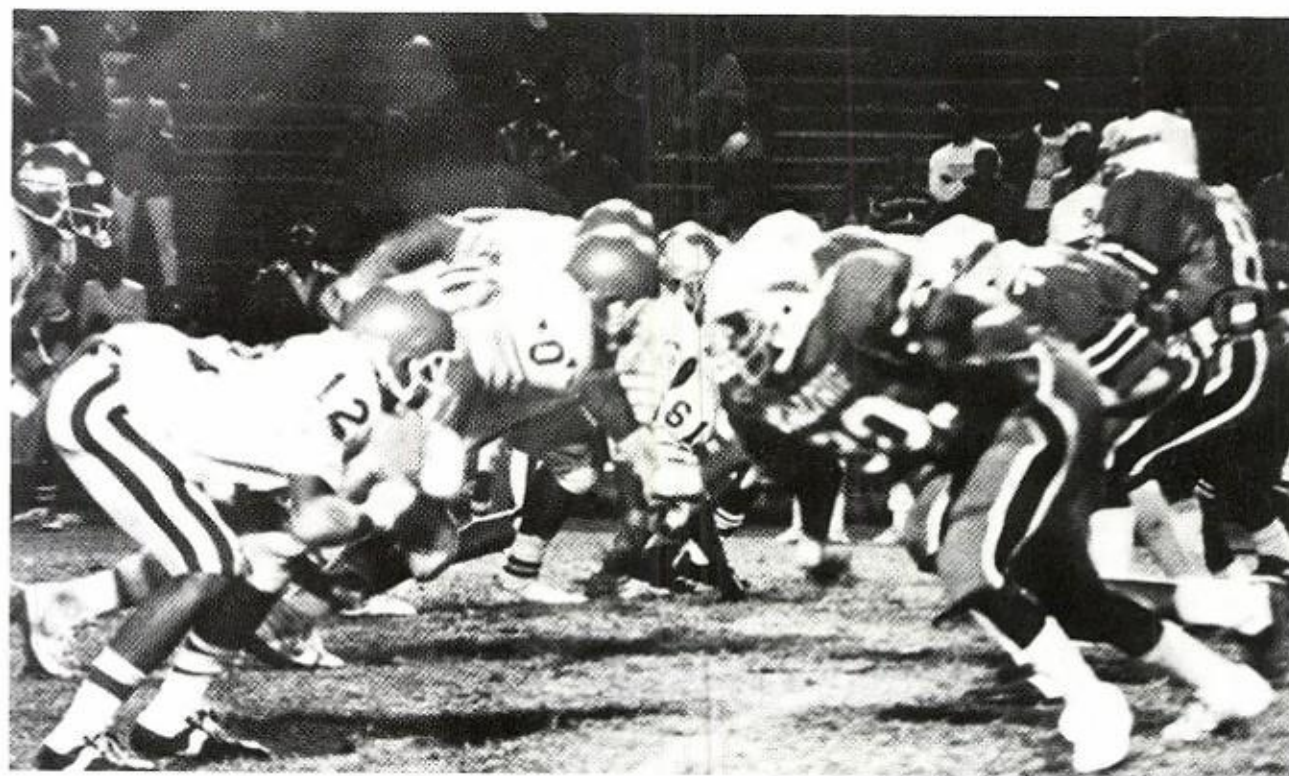

Waltrip Rumps on Reagan

The Rams continued their winning season in the district opener against Reagan. We defeated the Bulldogs 9-0 and once again had a victorious Homecoming. Jesse Roberts, a junior, rushed for 115 yards on 14 carries and scored Waltrip's only touchdown. John Olivares successfully kicked the extra point. There were two points contributed by the defense. The safety was made when Rodney Blackshear tackled the quarterback in the end zone. David Williams, a member of the Waltrip defense, helped on three of our six quarterback sacks.

Rams Wipe Out Washington

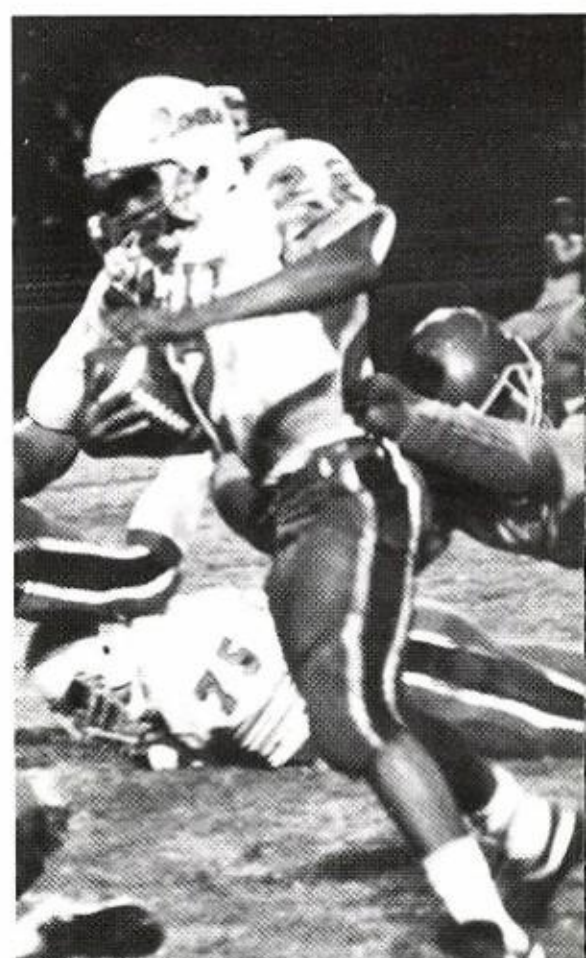

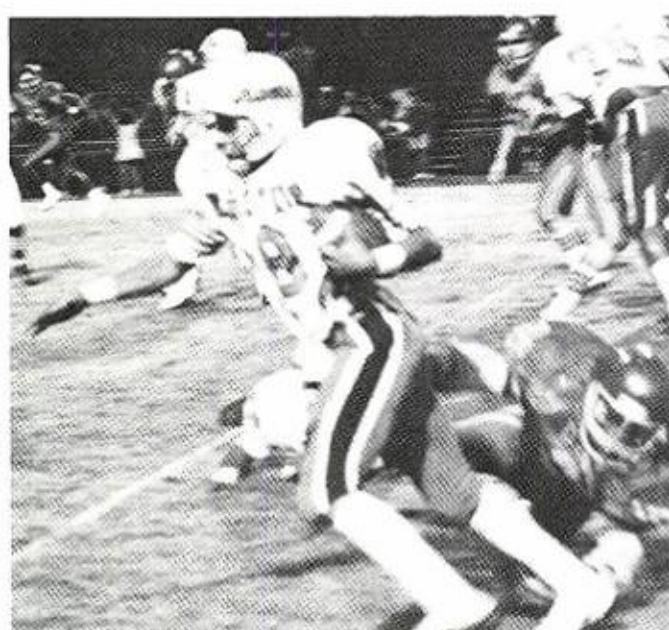

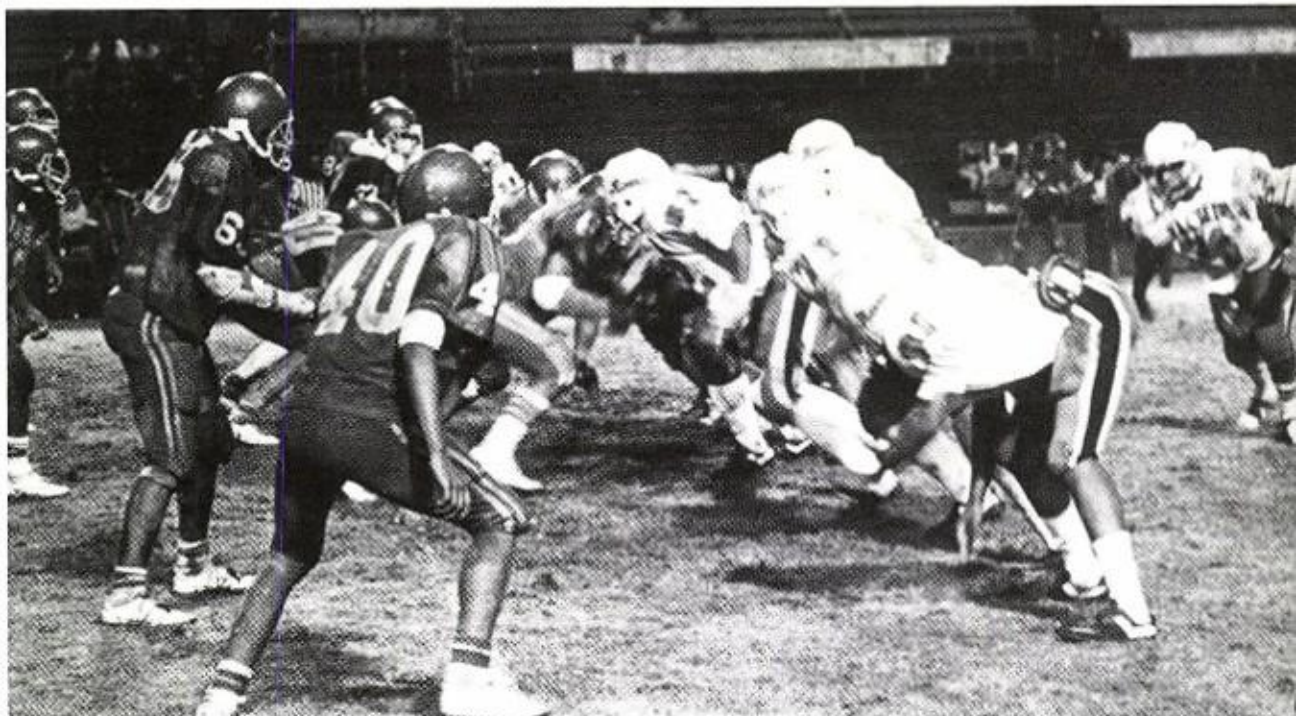

The Rams remained in their winning form with a 35-6 victory over Washington. David Williams, defensive end for Waltrip, recovered two fumbles, caused a safety in the third quarter, and made two quarterback sacks. Jesse Roberts scored two touchdowns, one in the first quarter and one in the third. Reginald Bendy made a touchdown for the Rams and Jarrod Milburn contributed the final touchdown of the game. Van Malone made a 23-yard kickoff return and Otis Flowers ran for 22 yards to start a drive that ended with Bendy's touchdown. Waltrip had a total of 199 yards rushing, while the defense held Washington to only two yards.

Rams

Deny Davis

The mighty Waltrip Rams shut-out Davis, our new district opponent, by the score of 40-0. Fullback Reginald Bandy contributed 69 yards to the Rams' total of 357 yards rushing. Bandy also gave the Rams two touchdowns, one in each of the first two quarters. Donald Smith successfully caught a touchdown pass from Otis Flowers and added another six points to the Rams' scoreboard. Bruce Johnson recovered a fumble and Shannon Fraizer made a pass interception to set up two of Waltrip's scoring drives. Jarrod Milburn rushed for 97 yards and Leo Zarangue and Johnny Eaton helped Waltrip's defense limit Davis to only 45 yards rushing.

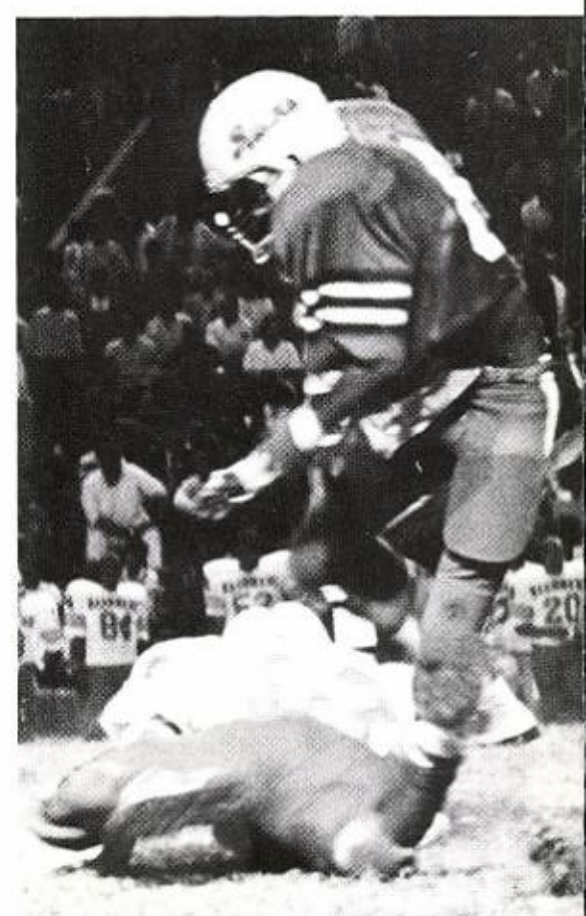

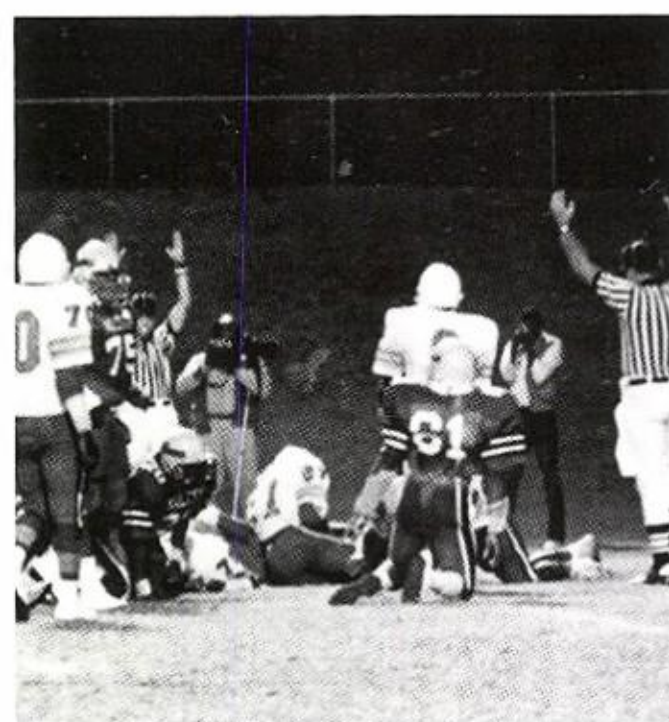

Waltrip

Clobbers

"K" Rams

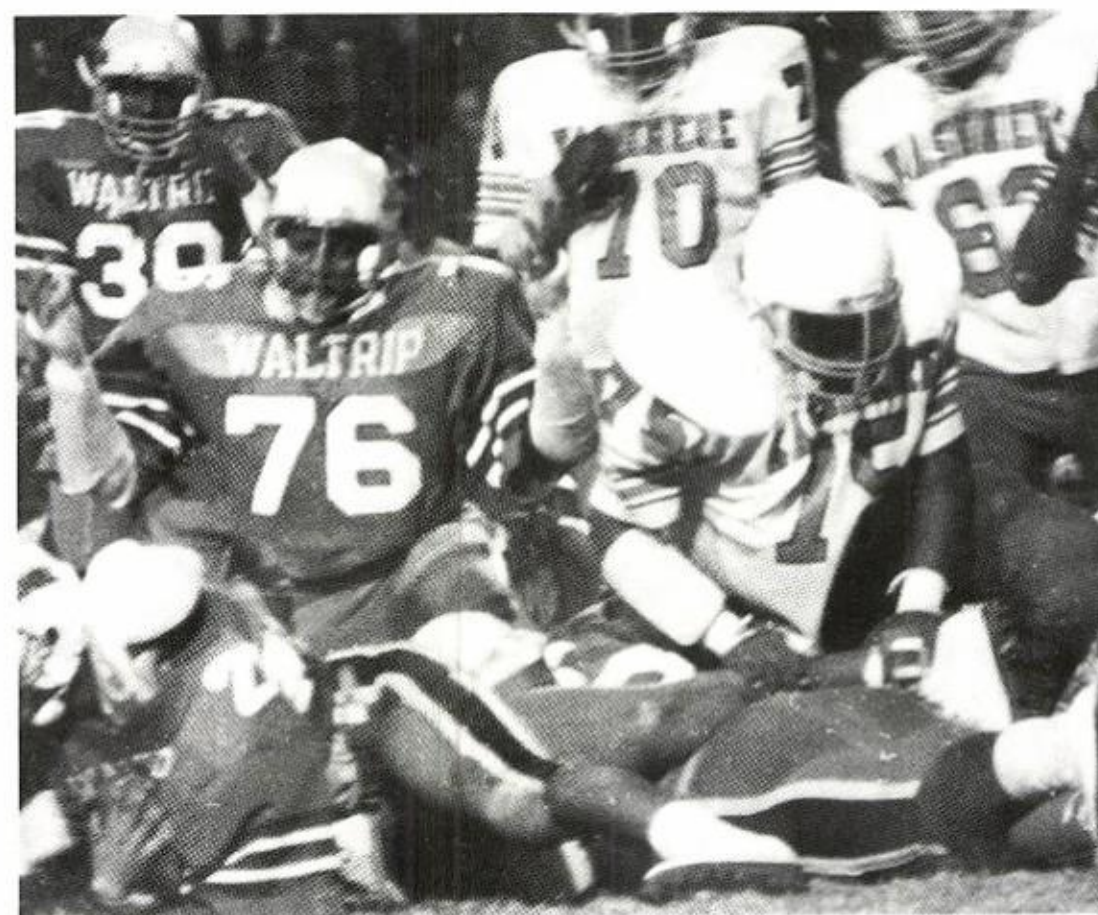

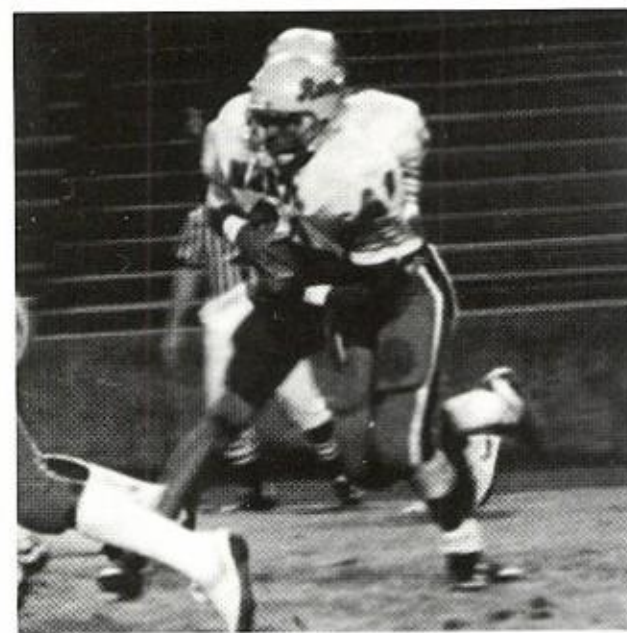

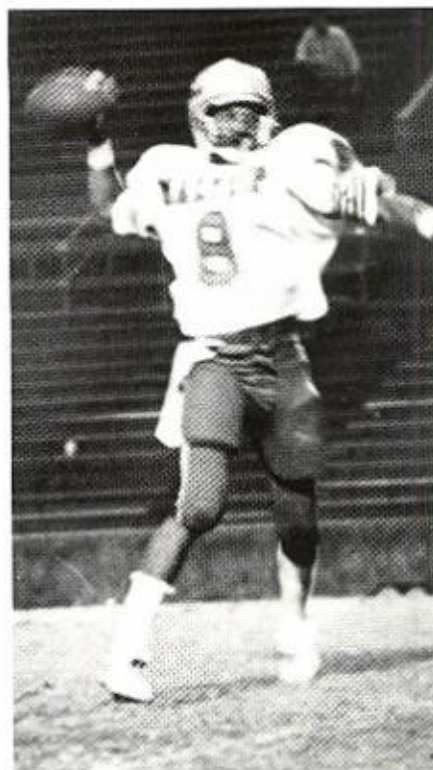

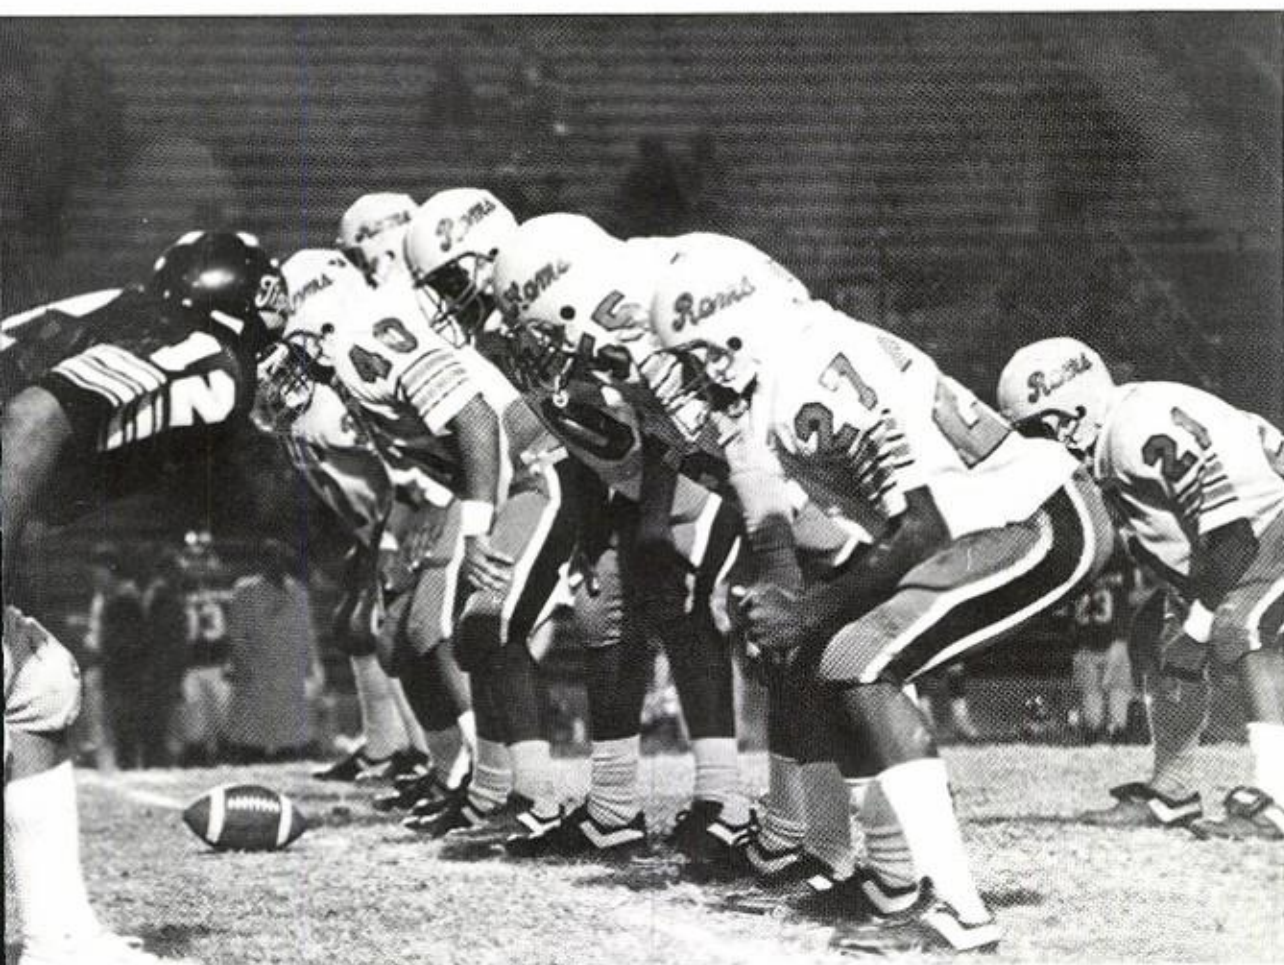

The mighty Waltrip Ram football team upset Kashmere by a score of 20-12 to be named Channel 11's Team of the Week. Jarrod Milburn ran for 61 yards and made two touchdowns, while Otis Flowers contributed 112 yards on seventeen carries. Leric Eaton played outstanding defense with nine tackles and a pass interception. By winning this game, the Rams became the undefeated leader of District 19-5A and won the chance to go to the play-offs in the Astrodome.

Waltrip Stomps

Sam Houston

Waltrip defeated Sam Houston by a score of 34-6 to finish the district season with a 5-0 record. Joe Pettit's 40-yard run and Richard Davila's fumble recovery were both key plays of the game. Linebacker Shannon Fraizer led our outstanding Waltrip defense to keep Sam Houston to only 11 yards rushing.

The Lady Rams Volleyball team of 1986 was extremely successful as their 25-2 record shows. They were undefeated in district, clenching the district title. Also, with the help of their coach, the Lady Rams went on to the playoffs and beat Sterling to become bi-district champs. Barbara Justice, Donna Vicknair, Ricee Watson, Sandi Schisser, and Cindy Kleinhenz were strong returning players. Needless to say, Kim Berger, who came from St. Pius X, was a real asset. The team also had help from foreign-exchange student Saskia Elderson, who is from Holland. Great performances were also made by Felicia York, Karen Justice, and Suzi Scheaffer.

Waltrip is proud of the team's excellent performance and magnificent representation. The girls successfully kept Waltrip's winning tradition.

Waltrip's Junior Varsity Volleyball team earned an excellent 10-0 record with hard work and determination. They advanced to the city playoffs where their season ended. The team was defeated by Jones in a very close game. Undoubtedly, the team has many of next year's Varsity players. The girls are looking forward to an even better season next year.

Boys' Swim Team

The 1987 Boys' Swim Team had an excellent season, under the coaching of Ron Barber. The team competed in six meets and were undefeated. At the District Meet the Medley Relay team won third place, therefore qualifying for the Regional Meet. Marco Lozano qualified for the Regionals by placing sixth in the 500-meter free style event, and Robert Fleming also qualified by placing sixth in the 100-meter backstroke event. Every swimmer entered into an event receives points regardless of how they place. This contributes to the team's score and makes every member of a swim team important.

Rifle Team Shoots For Perfection

Waltrip's 1986-87 AJROTC Rifle Team drew its strength from both returning shooters and promising newcomers under the coaching of LTC Joe Putnam. The team was undefeated in its district for the fifth consecutive year.

Returning marksmen Joey Hurt, Edward Mendoza, and Craig Groeschel sustained the team and

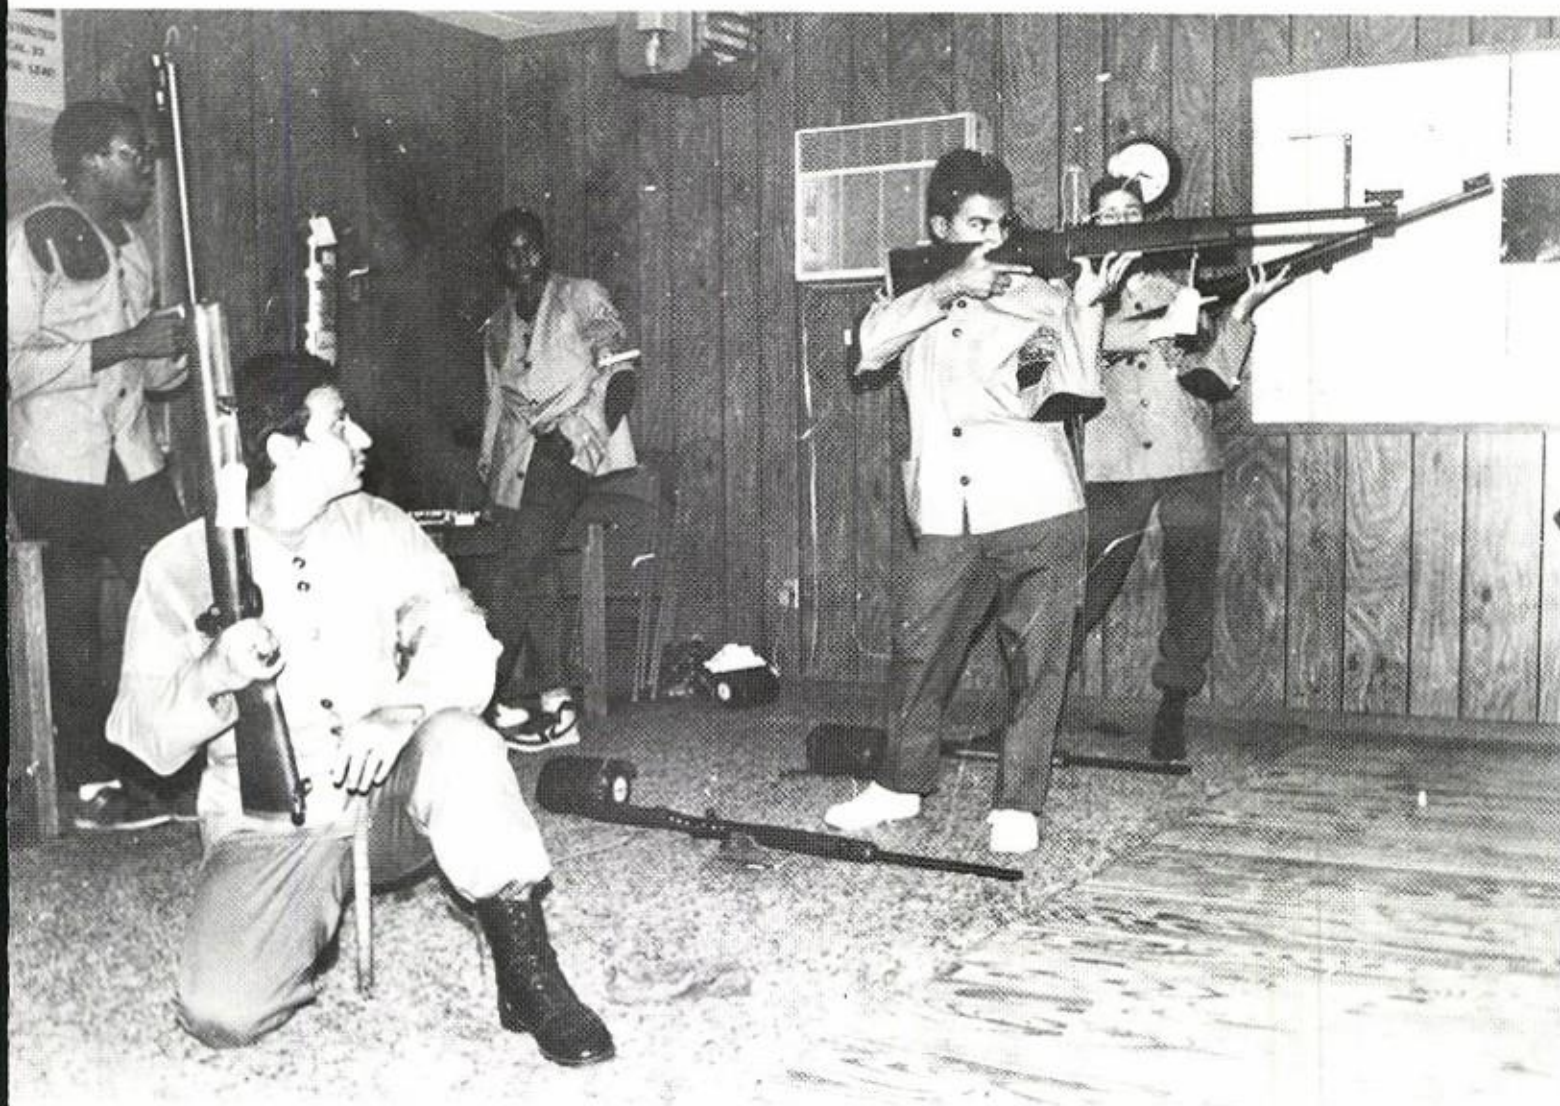

were among the league's ten high firers, Hurt being the league's individual high marksman for the second consecutive year. Lance Franks, Monica Martinez, Gerardo Torres, and Eliseo DeVelasco were new additions to the team who contributed fine performances.

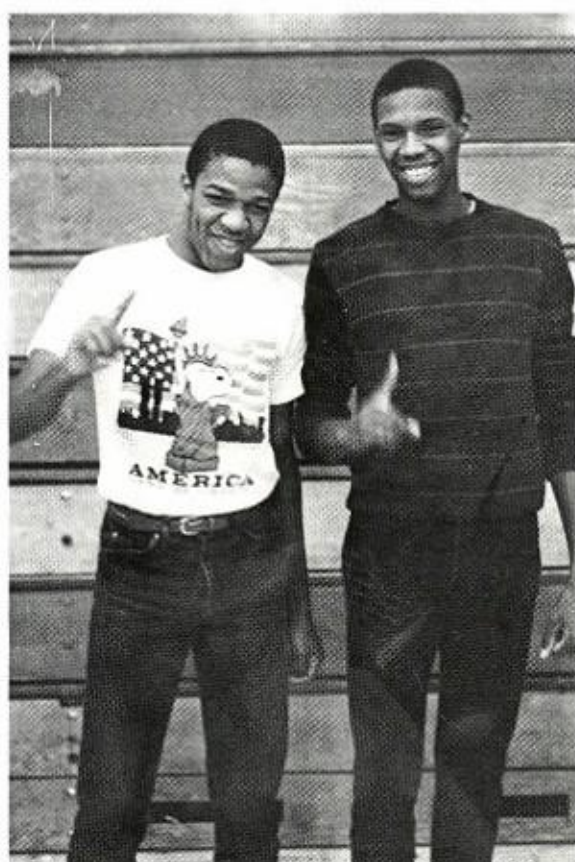

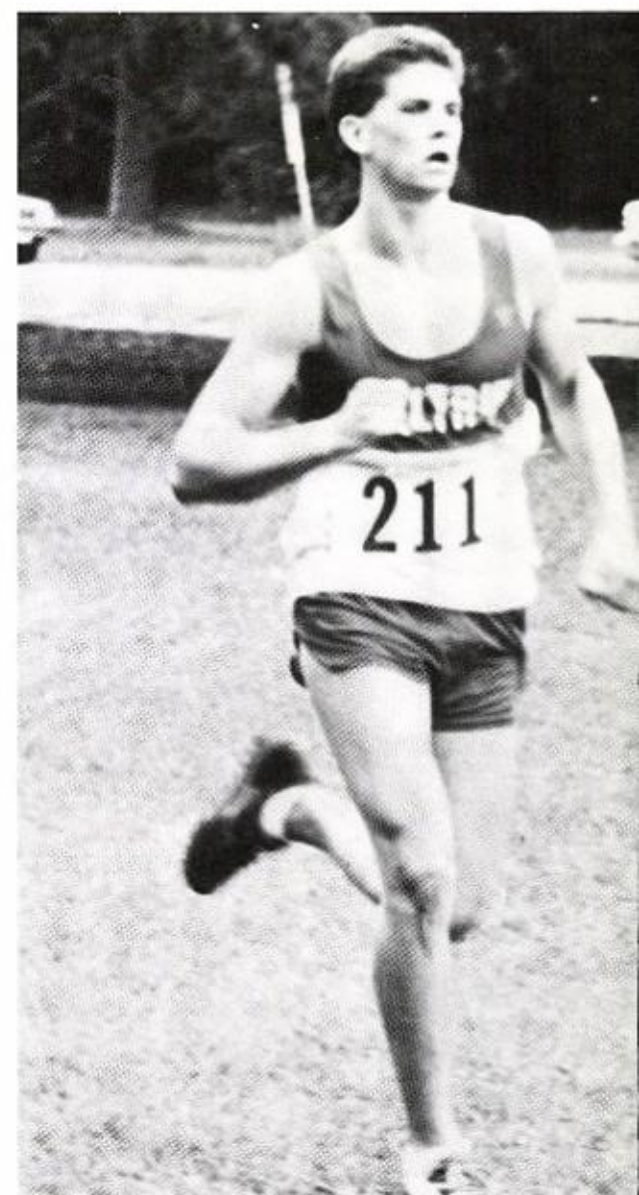

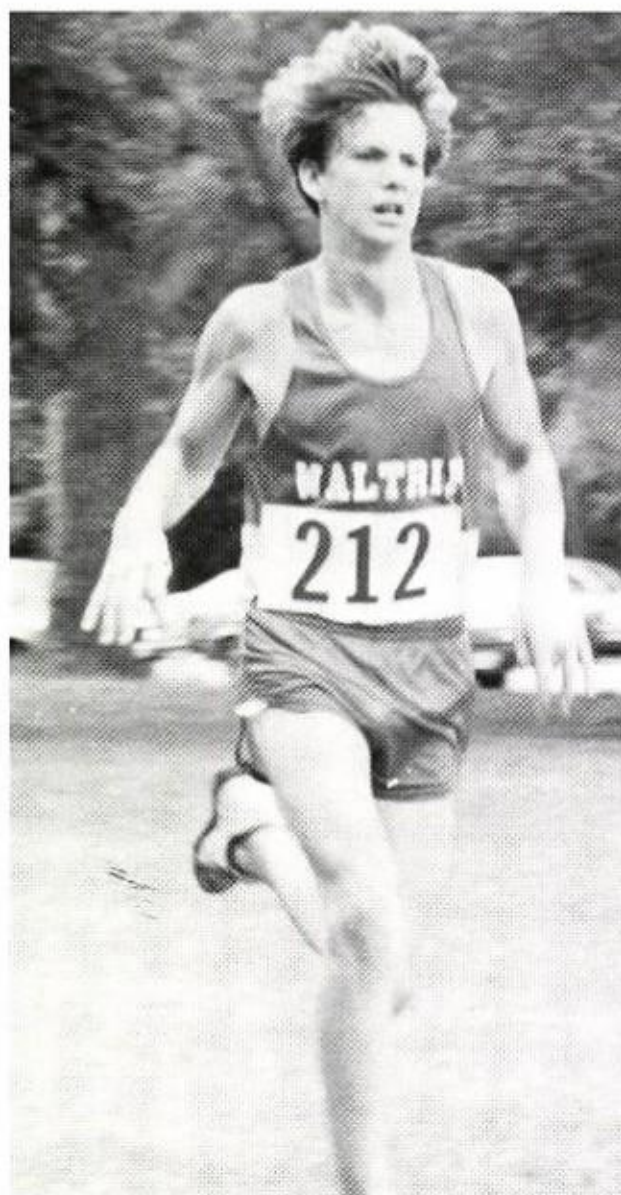

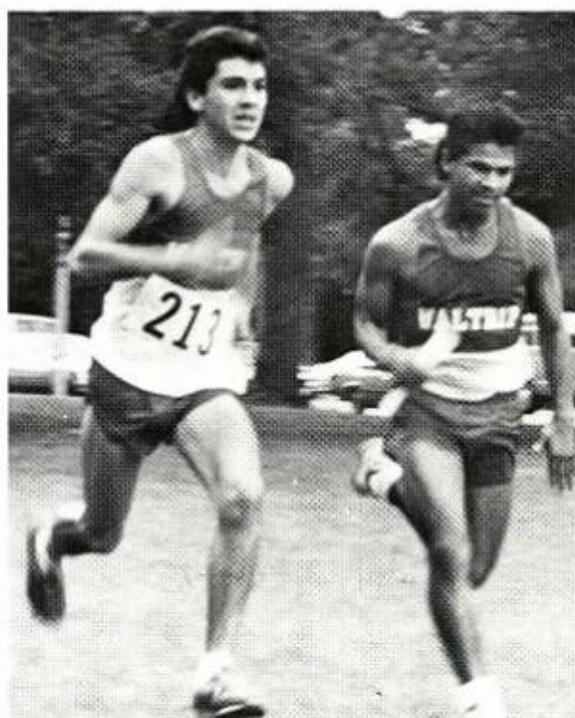

Competitive shooting is considered

to be a pure sport because it consists of a series of very fine, subtle actions. Shooters must develop their stamina and concentration in order to make every shot count. Shooting demands a commitment to perfection, and proficiency isn't attained overnight, but every rifle team member knows that practice does indeed make perfect.

The Boys' Cross Country team came home from the 1986 District Meet with a second place trophy. By winning second place, they qualified for the Regional Meet. The team is still working even though the season is over: they are all members of the track team. Coach Bell is very hopeful about next year because the whole team is coming back. Two seniors from the basketball program ran on the Varsity team; the seniors were Mark Craft and Raynard Thomas. Coach Bell feels that the Waltrip team will be the 1987 District Champions.

Boys' Cross Country Working For a Victory

Cross Country

Girls strive for victory

Coach Conger led the '86 Girls Cross Country team through a successful season. To prepare for the 2-mile run, the girls trained after school by running a 2-mile loop through the neighborhood around Waltrip. They trained for approximately two months. The girls attended several practice meets at Memorial Park.

Laura Gallardo had an outstanding season. She placed 15th out of approximately 50 girls in the District 19-5A meet. The district meet was held at Memorial Park on October 21.

Boys' Track Gets Set For Success

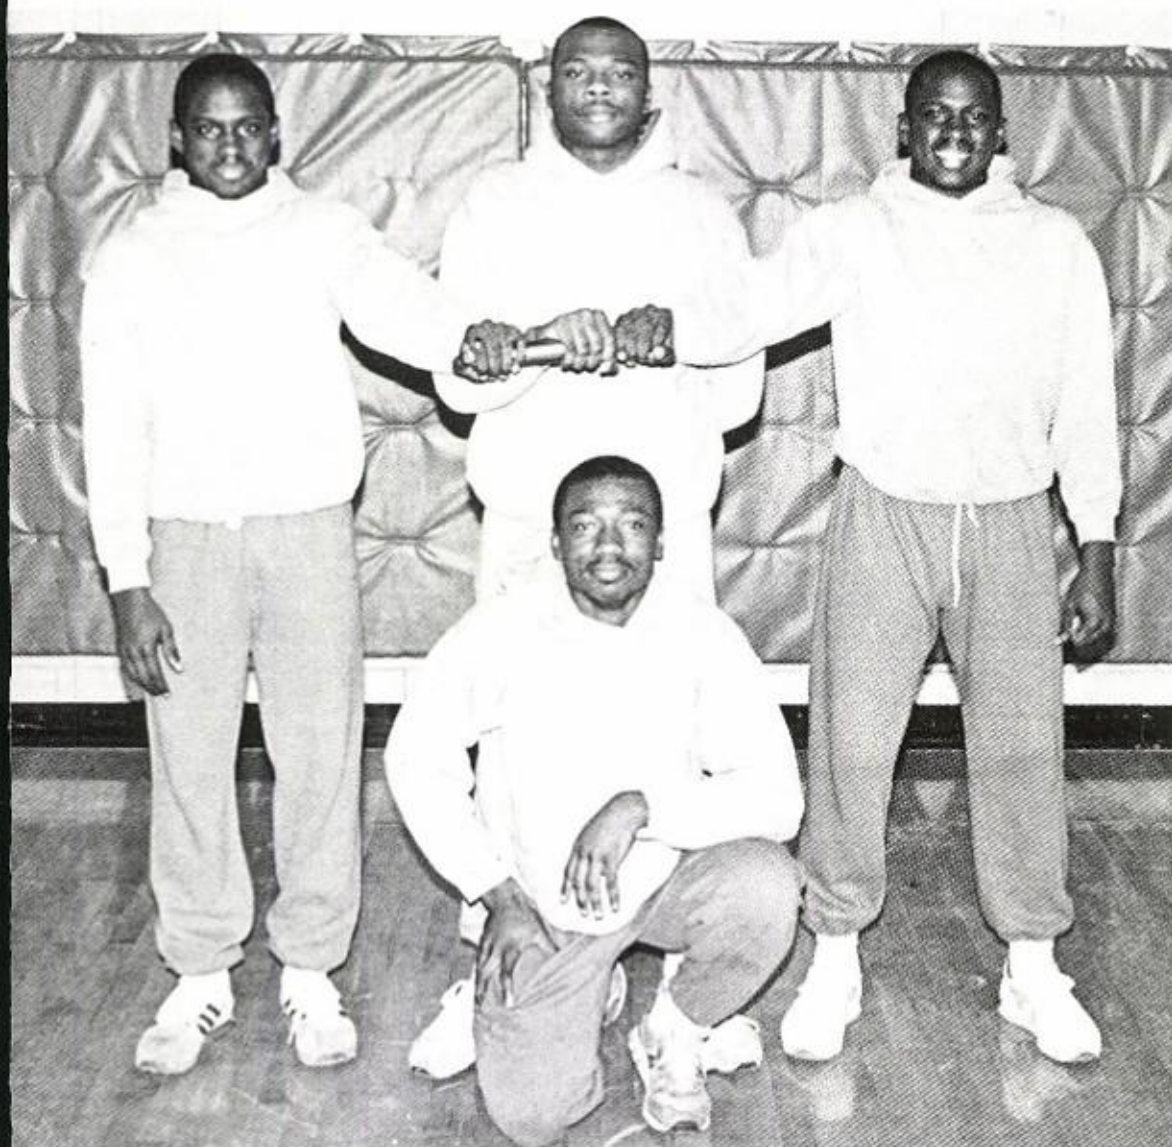

There will be many runners returning to the Waltrip Track Team. Among the returners are Walter Brown who was rated as one of the top runners in the nation; Eddie Magill with his great record as a high jumper; and the 400 and 1600 meter relay teams that qualified for State last year. The 1987 Waltrip Track Team has a lot of speed and a good group of long-distance runners. A team that has this much talent, as well as unsung heroes, should have no problem going to State.

The Girls' track team is expecting a very good season. So far they have been looking pretty good at their practice meets. Thanks to Coach Sullivan, who volunteers her afternoons to work out with these girls and Coach Davis, who is at the head of it all.

This year the team is made up mostly of Freshmen and Sophmores. There are a few Juniors and two active Seniors. Therefore, the majority of the team will be returning next year with their earned experience. These girls are looking forward to a very successful year and more successful years to come.

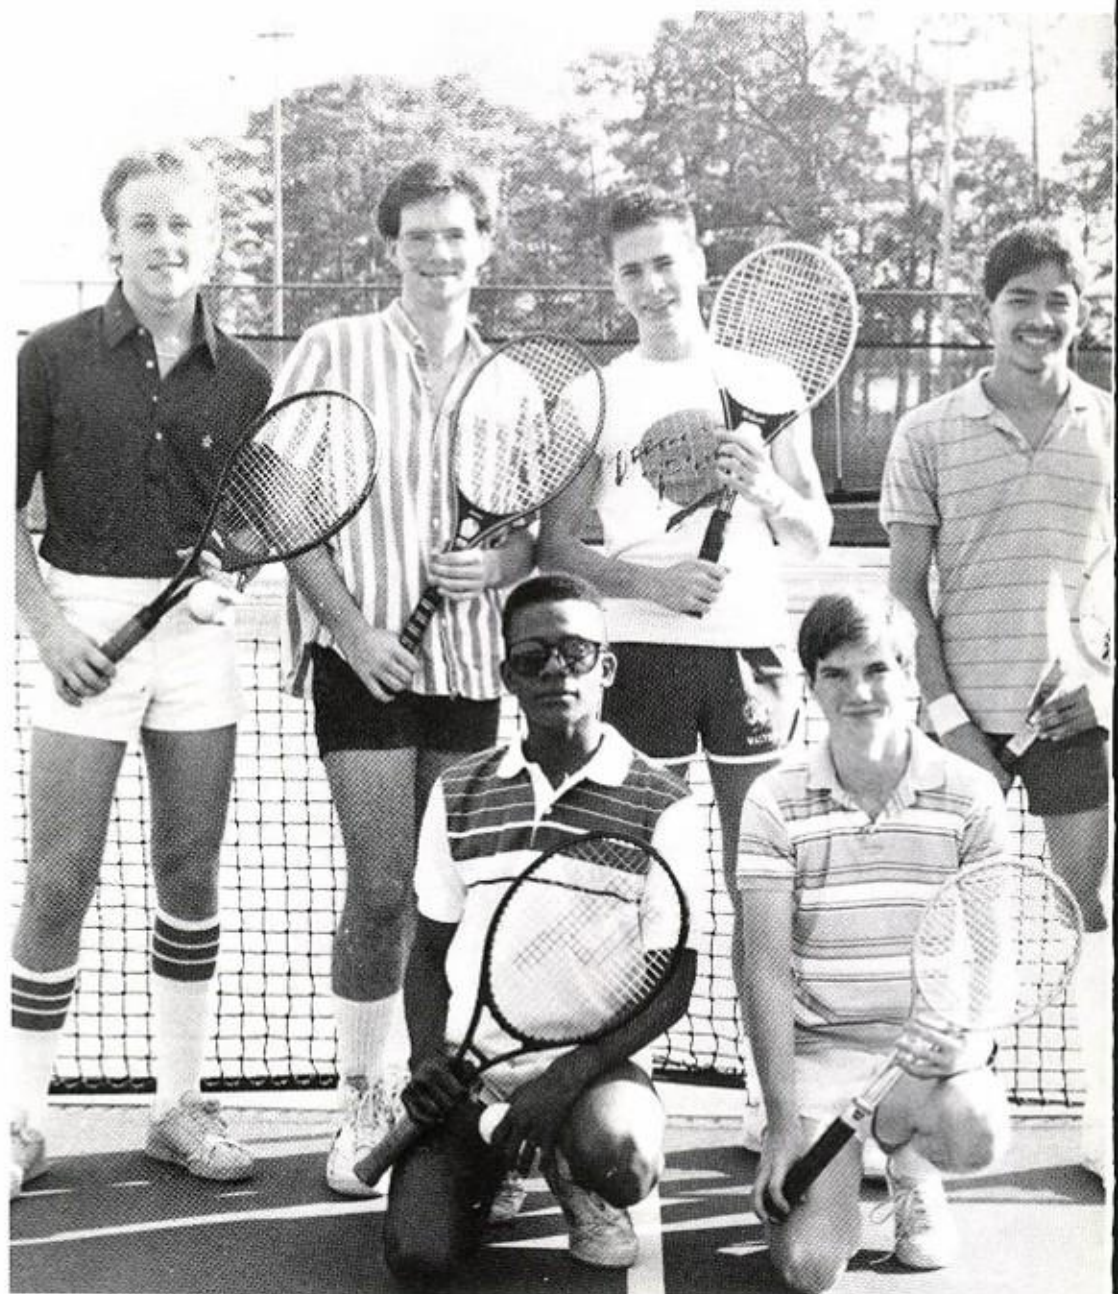

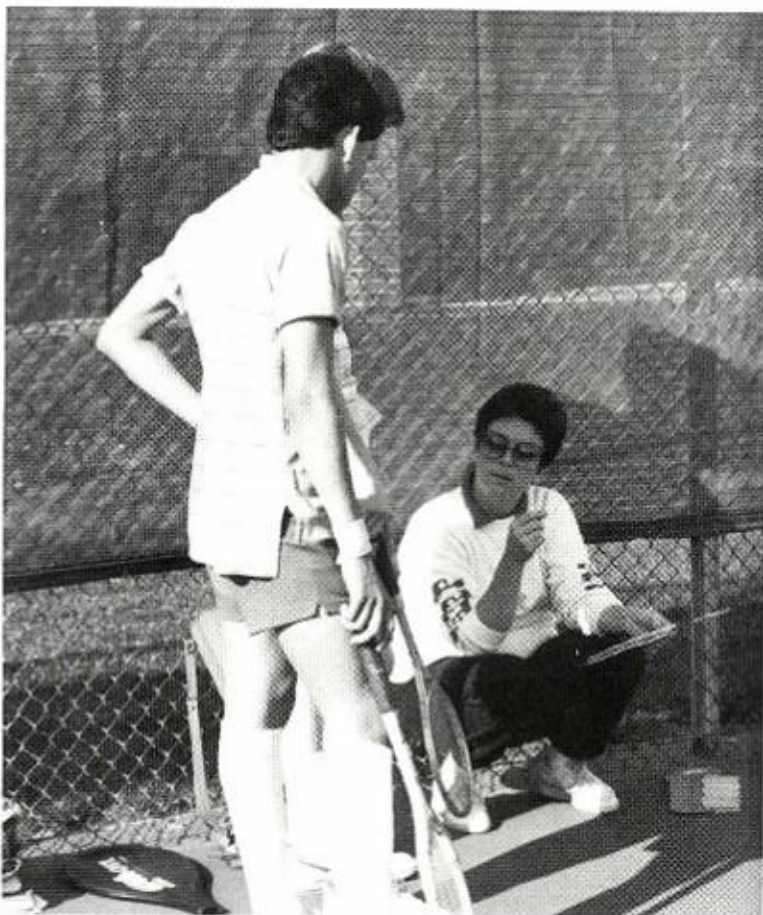

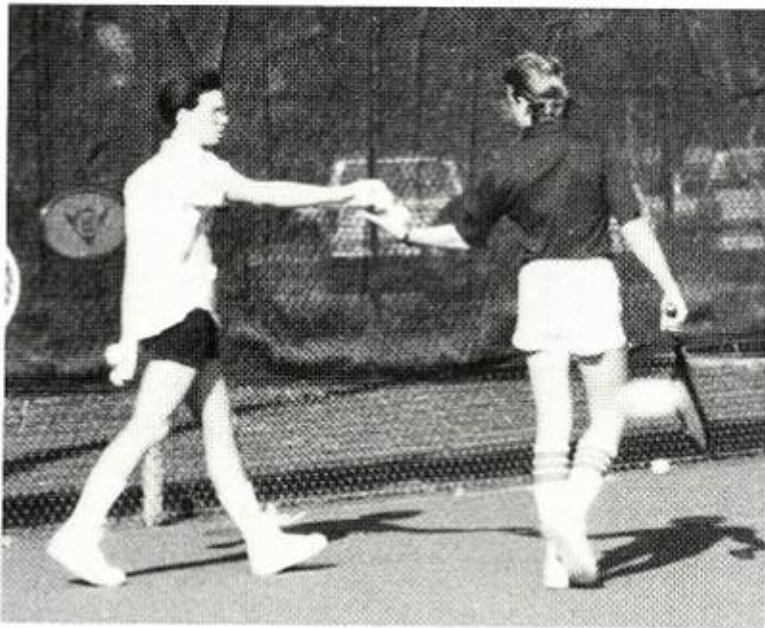

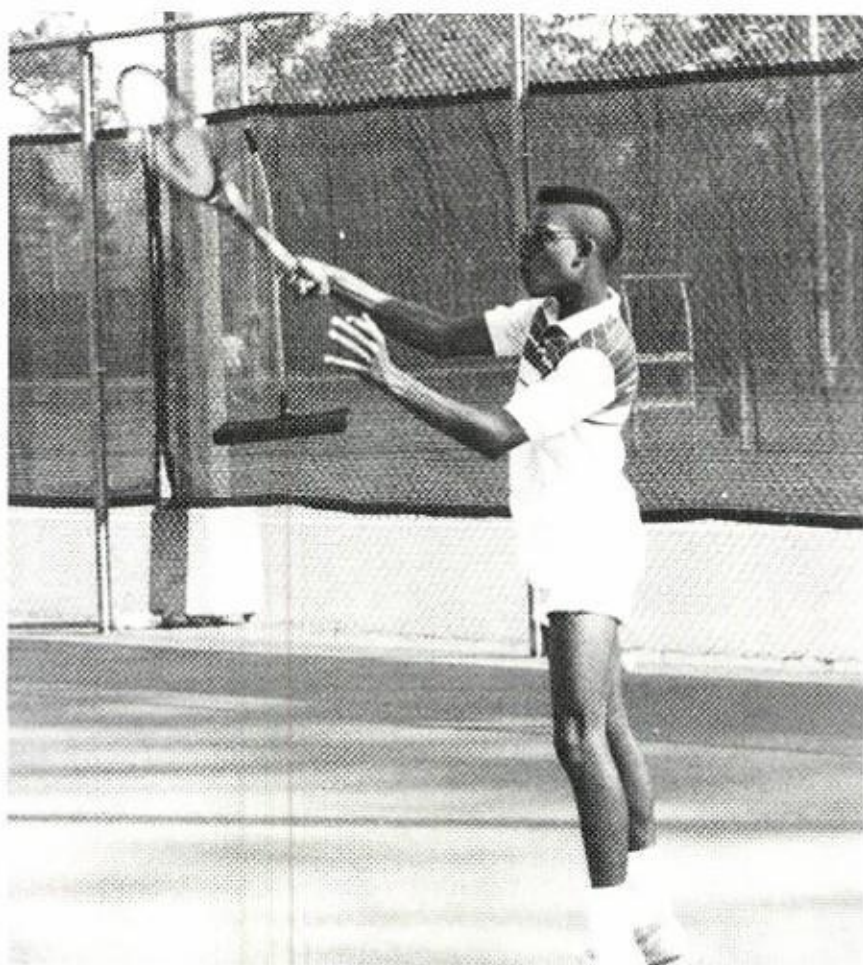

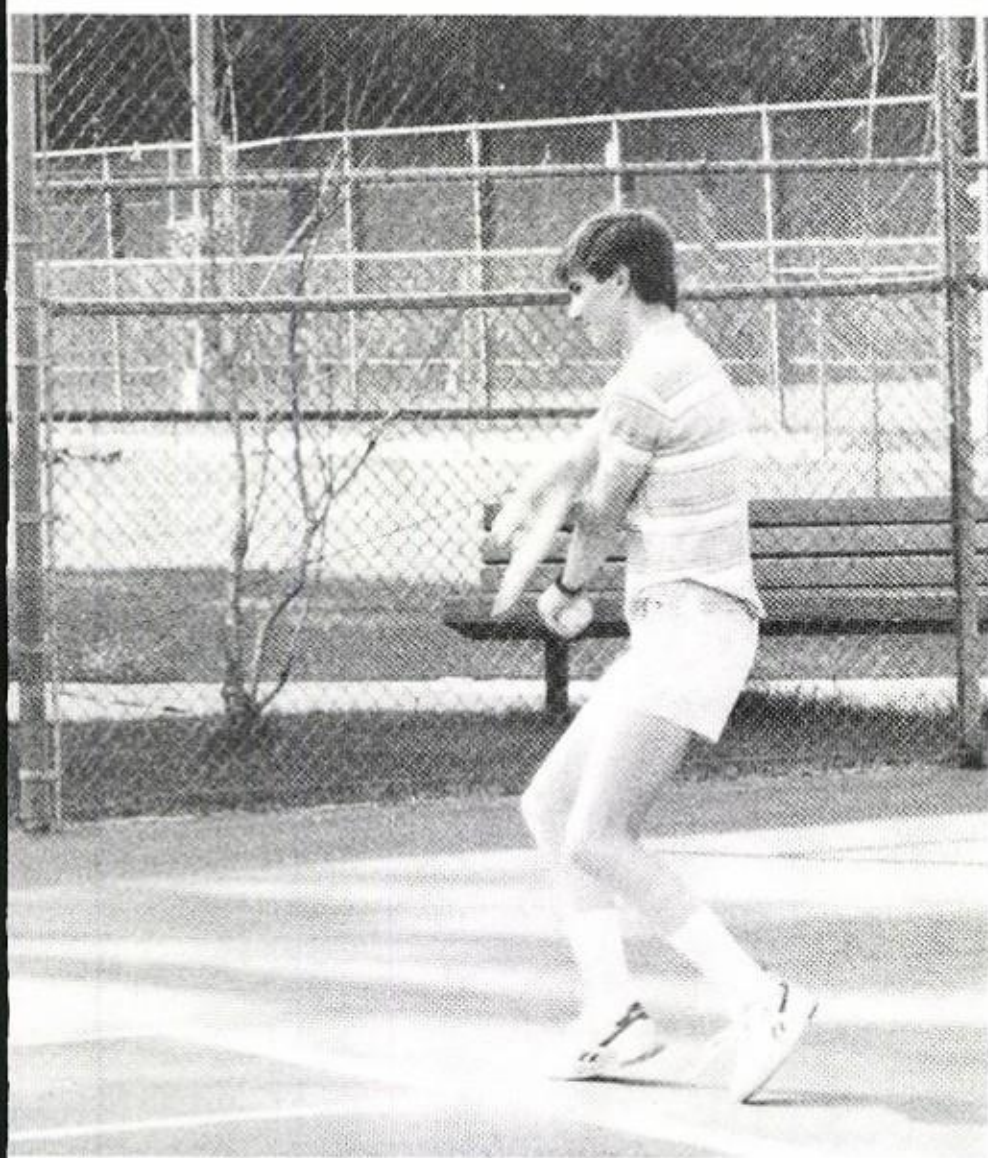

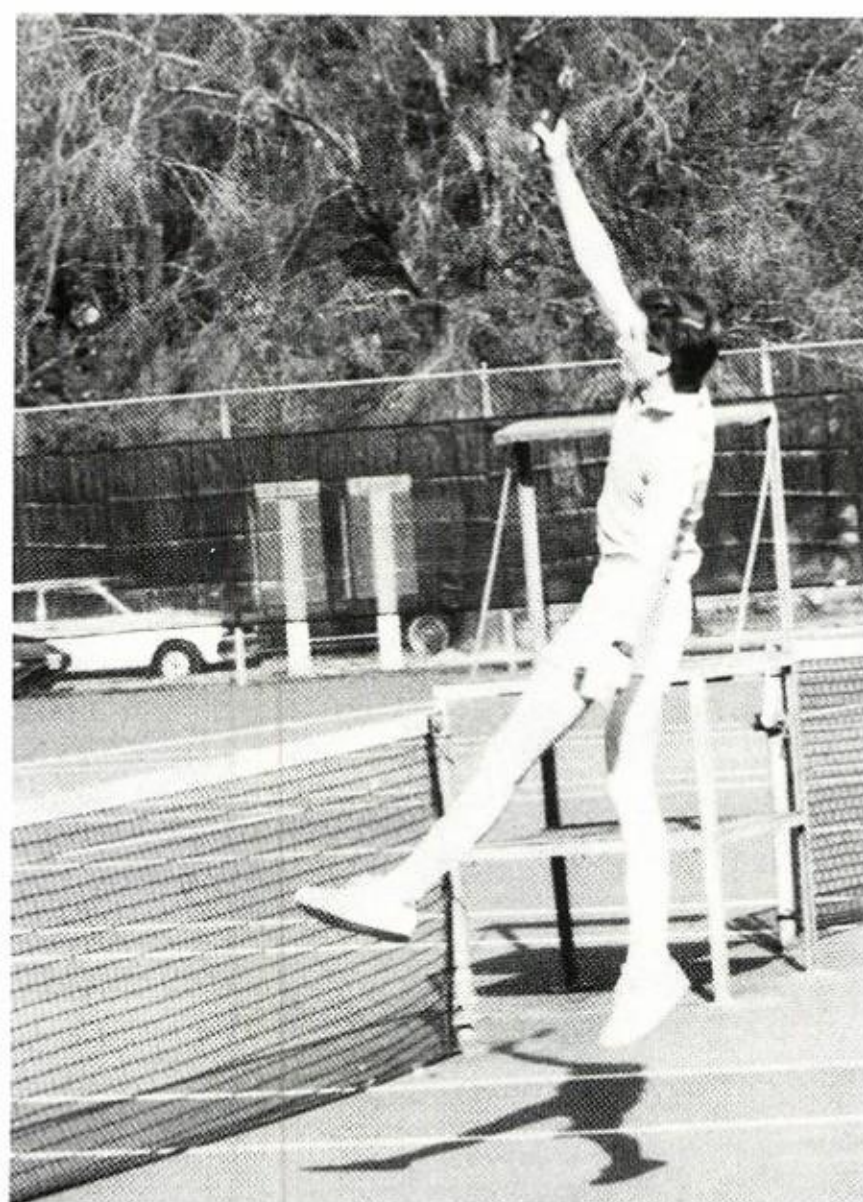

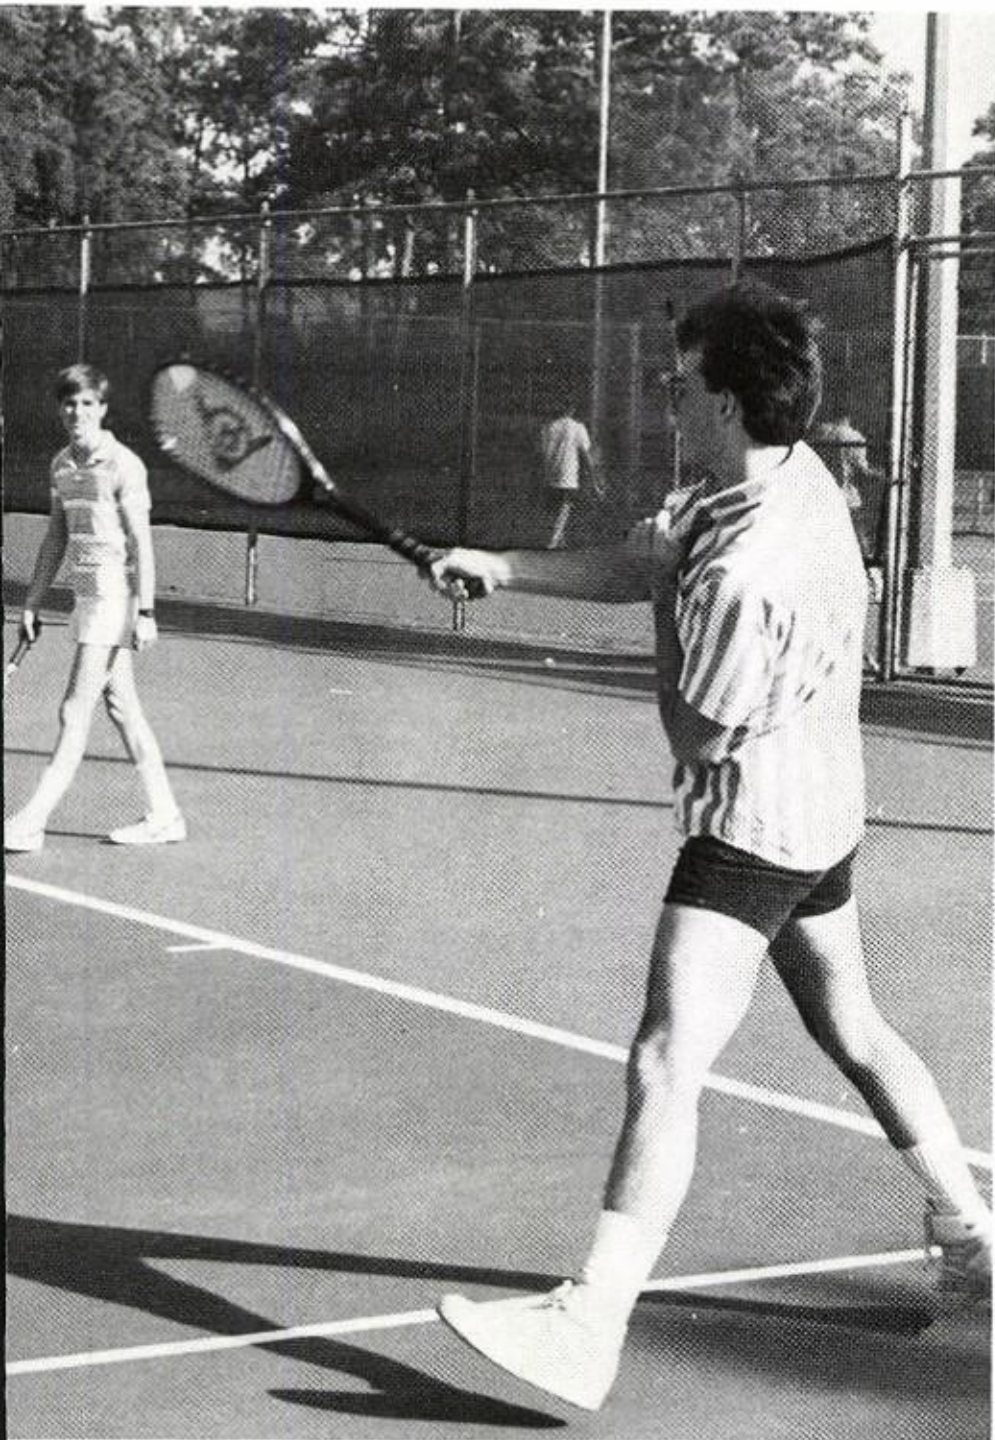

Boys' Tennis Volleys For Victory

The Boys' Tennis team, coached by Toby Ingersoll, got off to a great start in their 1987 season. The team practices at Memorial Park on Monday through Thursday until 4:30 to improve their playing abilities. They play the same schools that are in our football district plus Jersey Village and Austin High School. The team plays only one school at a time with games in both the single and doubles categories.

The Waltrip Girls' Tennis team had another brilliant year. They were coached by Coach Ingersoll. They practiced hard every-day after school for approximately two hours at Memorial Park. They took advantage of the facilities at the park.

The girls' tennis team was proud to welcome foriegn exchange student Saskia Elderson from Holland.

The girls' tennis team is looking forward to an even more successful season next year.

Boys' Golf Team

The Boys' Golf Team started off their season by placing sixth out of twenty teams in their first tournament. Fred Perez placed fifth out of the one hundred participants with a winning score of 79. After the teams first tournament the top five golfers were Fred Perez, Ronald Novak, Bret Tyson, Derrick Cooksey, and four-year Letterman Tod Marburger. The team practices during sixth period and after school at the Memorial Park golf courses. The District Tournament was a chance for our team to compete against many other schools.

The Girls' Golf Team is a group of dedicated young ladies that have strived for excellence throughout the last three years, practicing diligently through rain or shine.

They practice on Tuesdays and Thursdays at Memorial Park golf course. They participate in matches and tournaments on Tuesdays. The top four players participate in matches such as the Round Robin and the top five compete in tournaments such as CY-Fair, Katy, Clear Lake, and Inwood.

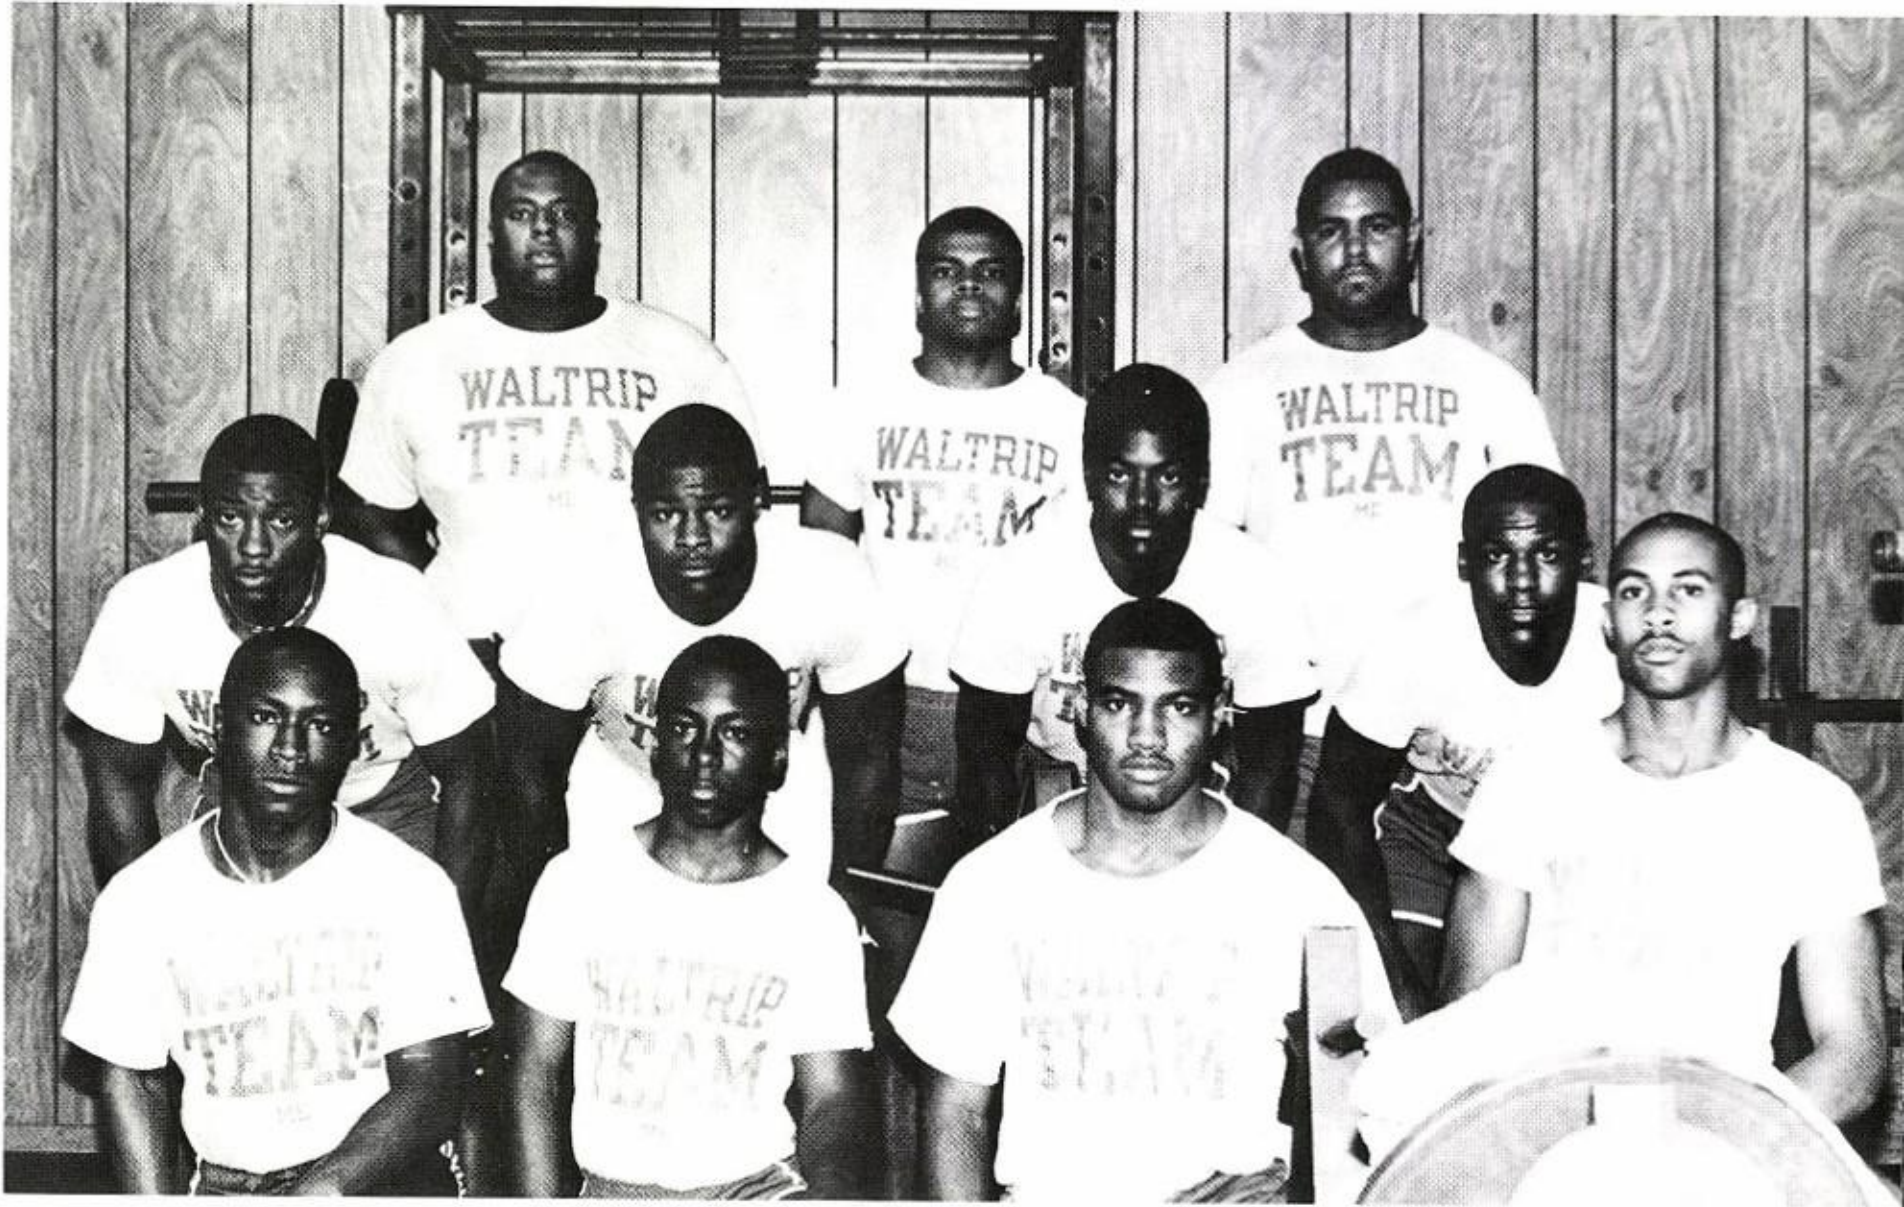

They were ranked 1,2, and 3 in District tournaments for the last few years and they have the same expectations for next year.

Waltrip's Weight Lifting Team started a great season by qualifying for the Regional Meet after doing well in their first two meets. The team worked hard practicing on their own time after school. Waltrip is proud to have one of the best weight lifting teams in the greater Houston area. The team really went a long way this year and Coach Barron is very proud of all the dedication and hard work the team members have put forth. Coach Barron should be commended for putting together such a fine team. Athletes from many different sports come together to increase their individual strength and compete against other schools.

Organizations

Presidents Council

Presidents get it together

The Presidents Council is an advisory group made up of the presidents of each club at Waltrip. Mr. Ofield, their sponsor, makes them aware of all the activities happening each month. Through this organization, students are given an understanding of the reforms made throughout the year. Members of this club are also able to pass this information along to the rest of the student body.

Quill and Scroll

Students Excel in Journalism

The National Honor Society for high school journalists, Quill and Scroll, is an exclusive club for student journalists involved in high school publication. The yearbook members are Teresa Garcia, Editor, and Will Kelly, Head Photographer. Tribune members include Maria Gutierrez, Editor, Loida Casares and Trina Wilson, Associate Editors. Members are inducted at the end of the year at a luncheon, in which they listen to a guest speaker.

Will Kelly — Treasurer, Loida Casares — Vice-President, Teresa Garcia — President, Maria Gutierrez — Secretary, Trina Wilson — Editor.

National Honor Society

Membership Honors Student Achievement

The National Honor Society's a very distinguished group at Waltrip. To be a member one must have a B overall average and an E average in conduct. The students have to also be active in various extracurricular activities which include school, church, and social organizations. This year NHS made Thanksgiving baskets for needy families, visited nursing homes, and sponsored the Honor Roll breakfast.

Student Council

Members Represent the Student Body

The Student Council consists of a representative and an alternate, who are chosen at the beginning of the school year from each homeroom. Five students are selected as President, Vice President, Secretary, Treasurer, and Reporter in a school wide election. Members of the Student Council help distribute the Tribunes and hold fund raising activities.

Rambling Roses

The Rambling Rose drill team is a group of dedicated young ladies who promote school spirit, perform at athletic events, and provide a service to the community. The organization is broken down into various ranks: Reserve, Fidele, Dancer, and Officer. A member must pass one level to be promoted to the next.

Being on a drill team is a year round task. A majority of the time is spent practicing for upcoming performances, for football and basketball season, the Spring Show, and competitions. As a service organization, the Roses represent Waltrip High School in parades, charitable events, and dance performances.

Choir

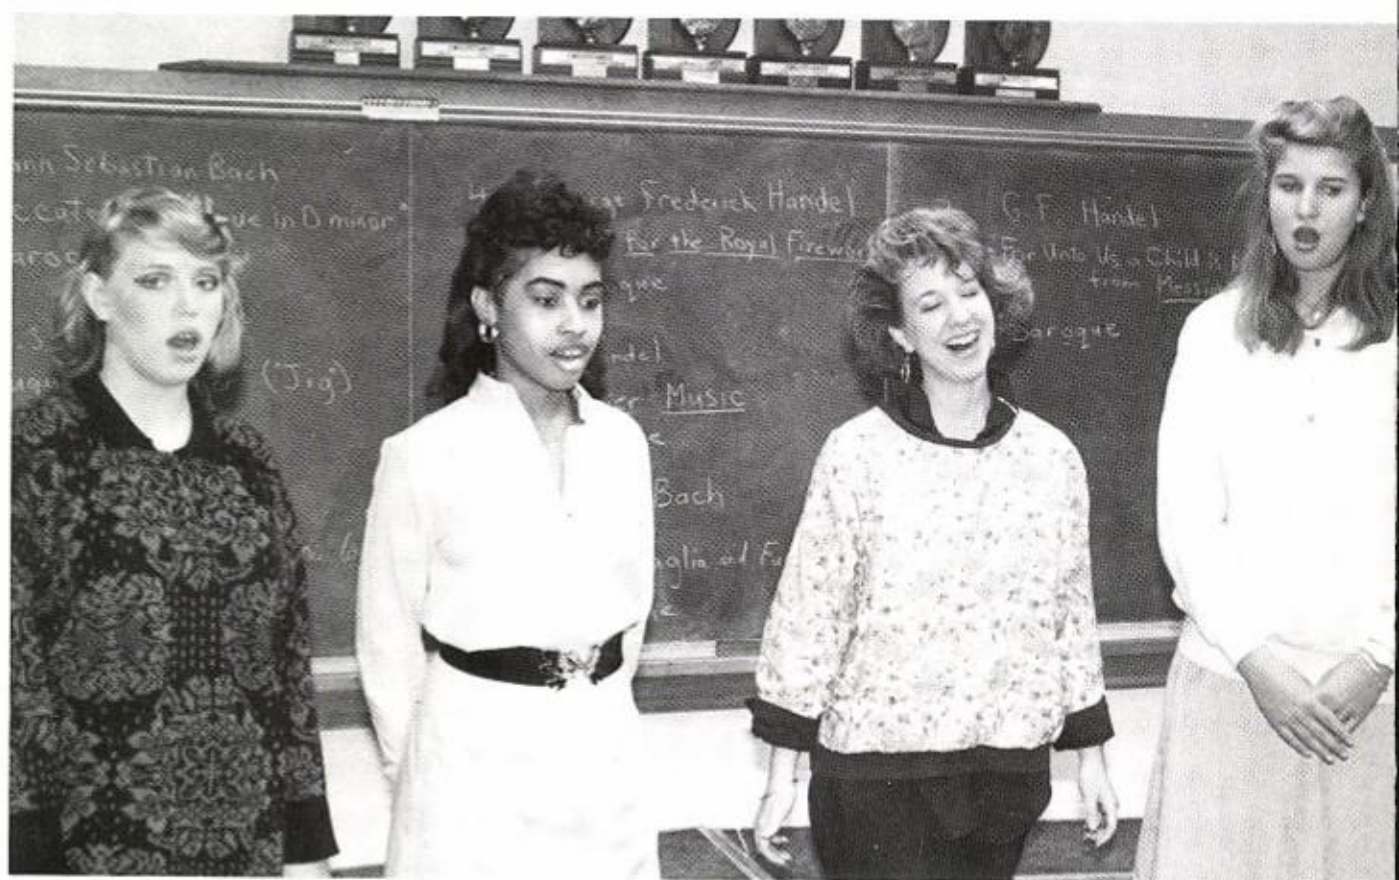

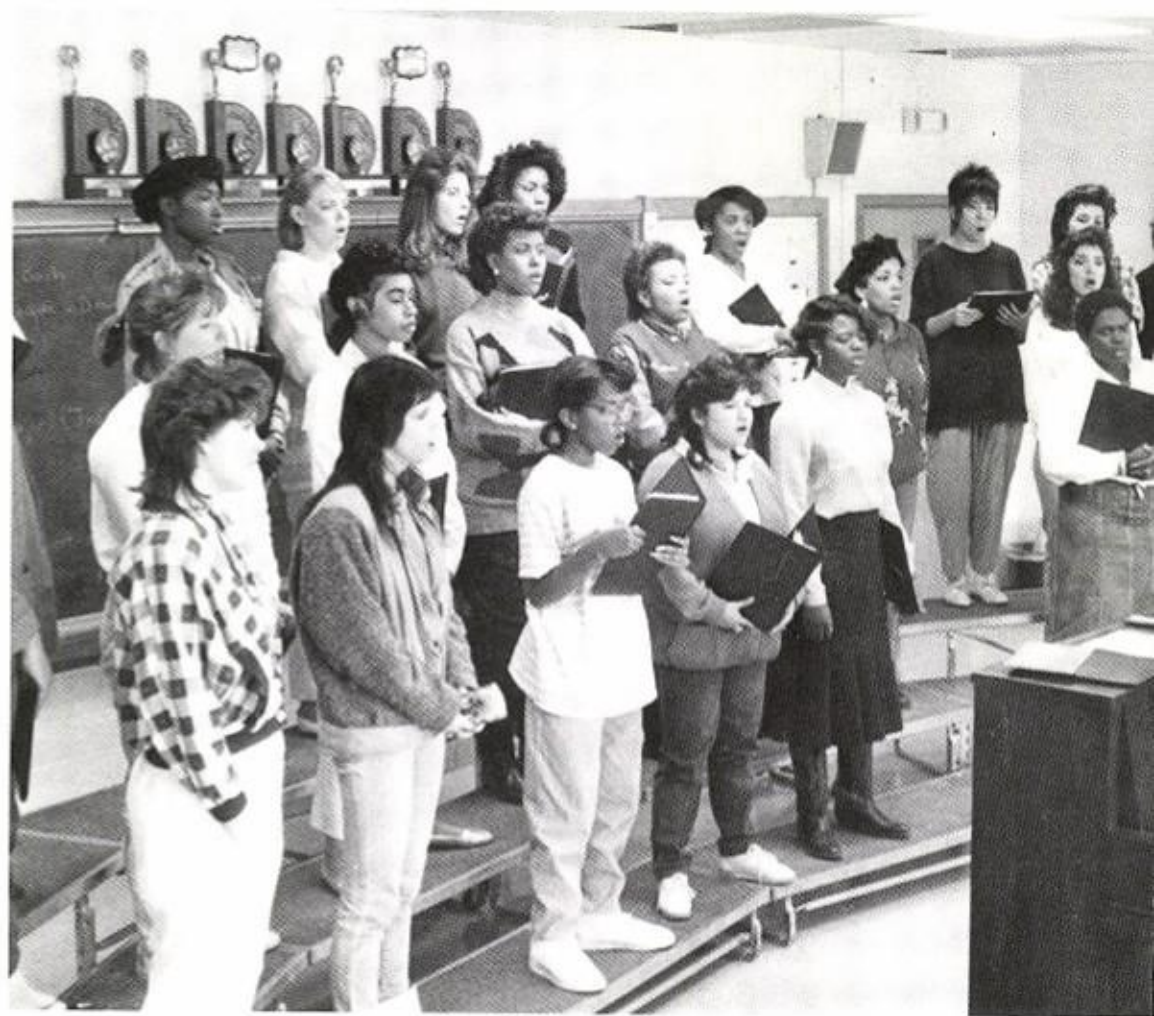

Choral Music Students Sing for Occasions

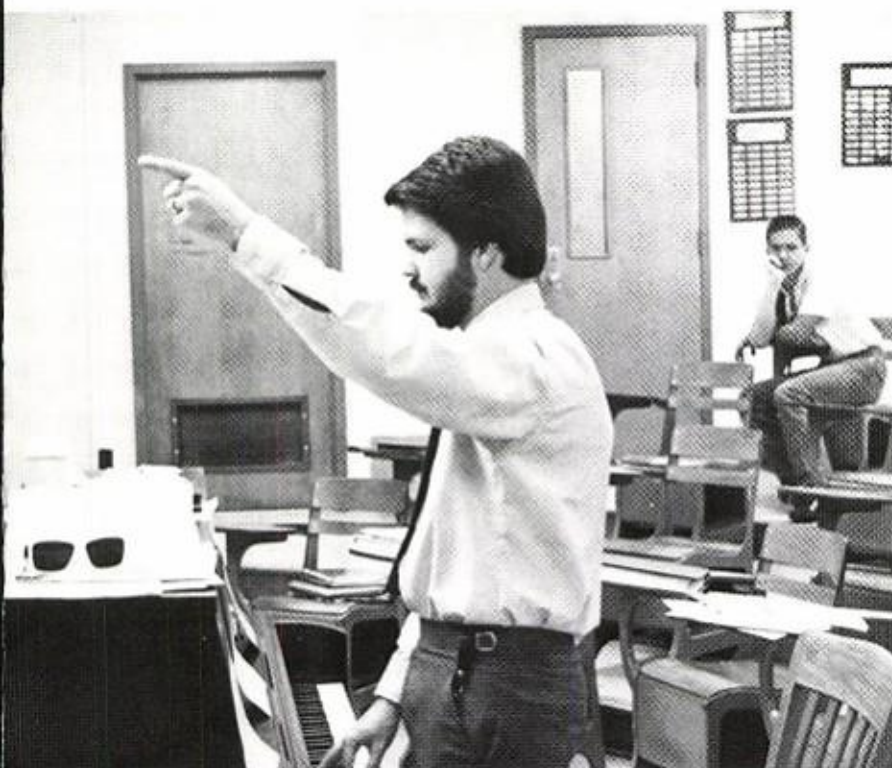

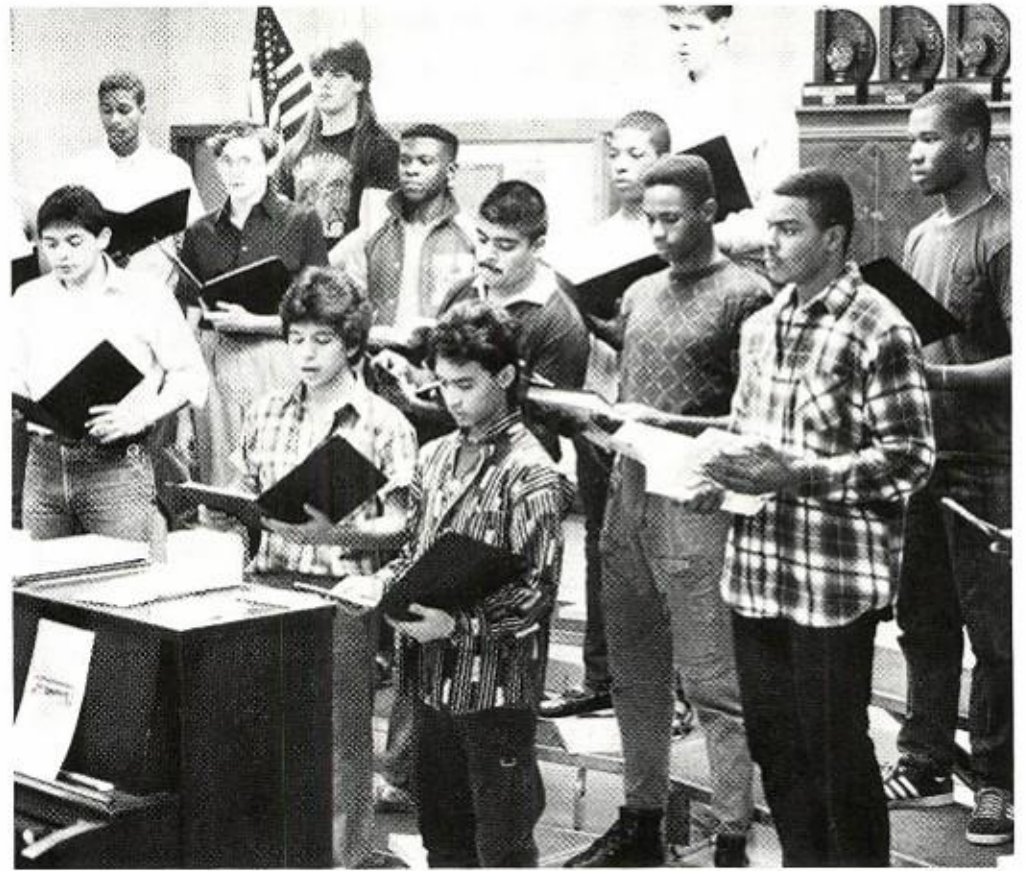

Choral Music members have become part of a great tradition at Waltrip. These students perform for our Christmas program and for other occasions at the school. Choir participated in several activities which included competitions and fund raisers. The group performed for the Talent Show in February. They also had performances at Northwest Mall. The choir adds to the school atmosphere and is an opportunity for students to build up their skills in music.

Ram Band And the Beat Goes On

"Marching to Victory" became the band's moto as they began to accumulate more and more awards and honors. They started their winning season early in the summer when five of their players were selected to perform with the U.S. Olympic Marching Band in the Opening Ceremonies of the 1986 U.S. Olympic Festival. These outstanding players were: Mike Acosta, Hope Thelien, Allan Lester, Greg Railsback, and Gene Landry. The band continued to uphold their ti-

tle of "The Pride of District 19-5A," by taking second place in the H.I.S.D. Marching Contest in November, and also by being named "Honor Band" in the 1986 Foley's Day Parade on Thanksgiving day. The band also competed in the Galveston Mardi Gras Parade, the 1987 Rodeo Parade, the Music Bowl Marching Contest in Huntsville, and in the 1987 H.I.S.D. Band Festival. They ended this fine season with a trip to Florida during Spring Break.

National Art Honor Society

Members Increase Artistic Ability

NAHS is an organization that helps students to excel in their interest in art. The club is part of a national society that raises funds to sponsor different art associations in the area. Their activities this year were few, but members spent time painting and creating different art pieces. The students who join the National Art Honor Society usually benefit greatly.

Chess Club is the Choice for Champions

Chess is a game of skill for all

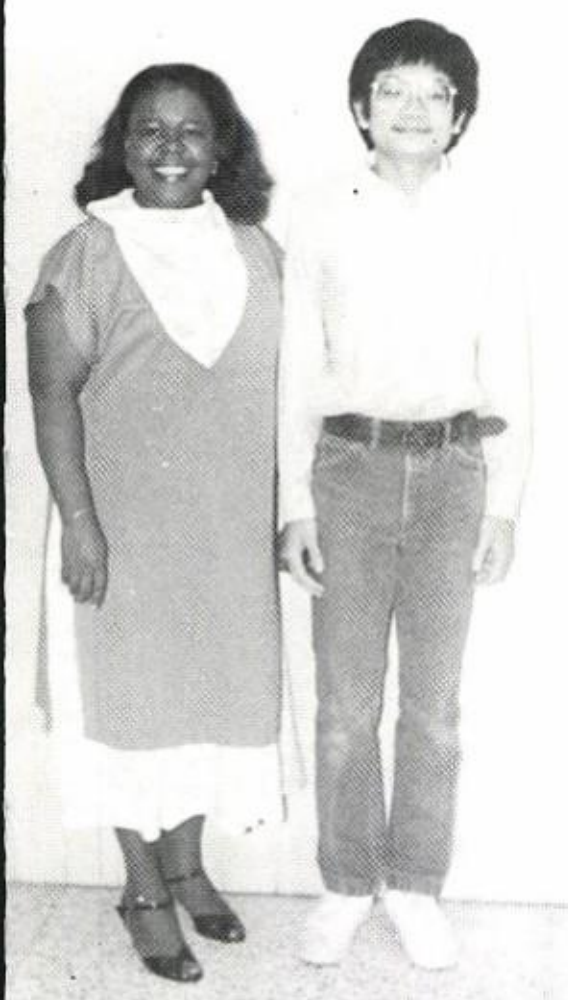

The Waltrip Chess Club was organized in order to teach interested students the game of chess and to allow those who play well the opportunity to participate in tournaments. The club has won trophies in several divisions during each of the last few years.

In addition to practicing chess skills daily, the club members assist each other with their academic studies, becoming peer tutors for each other.

Beginners as well accomplished players work together to become masters of the game.

Peer Tutoring

Students Help Those in Need

Peer Tutors is an organization that has been set up to provide students with assistance in several areas of study. Students who participate in the group meet during the T.S.E. period everyday and help other students in academic classes. The tutors reinforce their knowledge through their par-

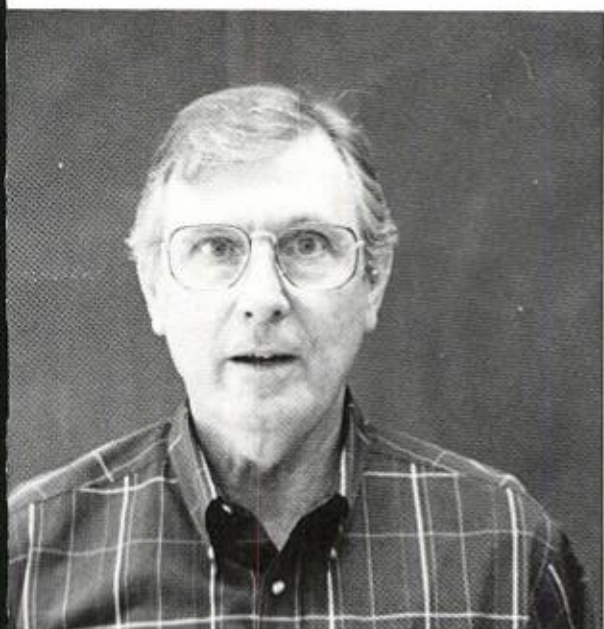

ticipation and those who are tutored have excelled in classes. This year the program was very successful, several students who have requested help are now providing help to others. Peer tutoring is a learning experience for those giving the help and those receiving the help.

The members of the Mu Alpha Theta Club are the top math students of Waltrip. These students are all enrolled in the Calculus class which is the highest math offered. Many of the students rank in the top 5 or 10 percent of the senior class. The club helps to stimulate their desires for knowledge and further their studies. This class can be considered of a college level course and all students enrolled should be extremely proud to participate.

Future Teachers of America

Members Sponsor Teacher Activities

Future Teachers of America has always been a popular organization at Waltrip. It stresses participation and organization. This year FTA, also known as Texas Association of Future Educators (TAFE), was very active. They have presented a small gift to the teachers for each holiday, and

sponsored lunchtime parties for teachers during Thanksgiving and Christmas. They have had fundraisers ; which include, sales and bake sales. The members are proud that they were successful this year.

Freshman Co-Workers

Members start out early this year

Freshman co-workers were very successful this year. The students were organized early, and fundraisers were well planned. The members sold candy and sponsored a slave auction. This class started a new trend by ordering Freshman co-worker sweat-shirts. The members should be commended for their hard work and dedication.

89 Co-Workers

Class of 89 Is Doing Fine

Excellence and achievement are the best words to describe the sophomore Co-Workers. Through the counseling and guidance of Ms. Alanueva, the sponsor, the Co-Workers have reached many goals. They have reached this success by selling Christmas wrapping paper and many successful bake sales. The majority of the Co-Workers are not only very devoted to their class, but also in Pre IB classes and in athletic activities.

Junior Co-Workers

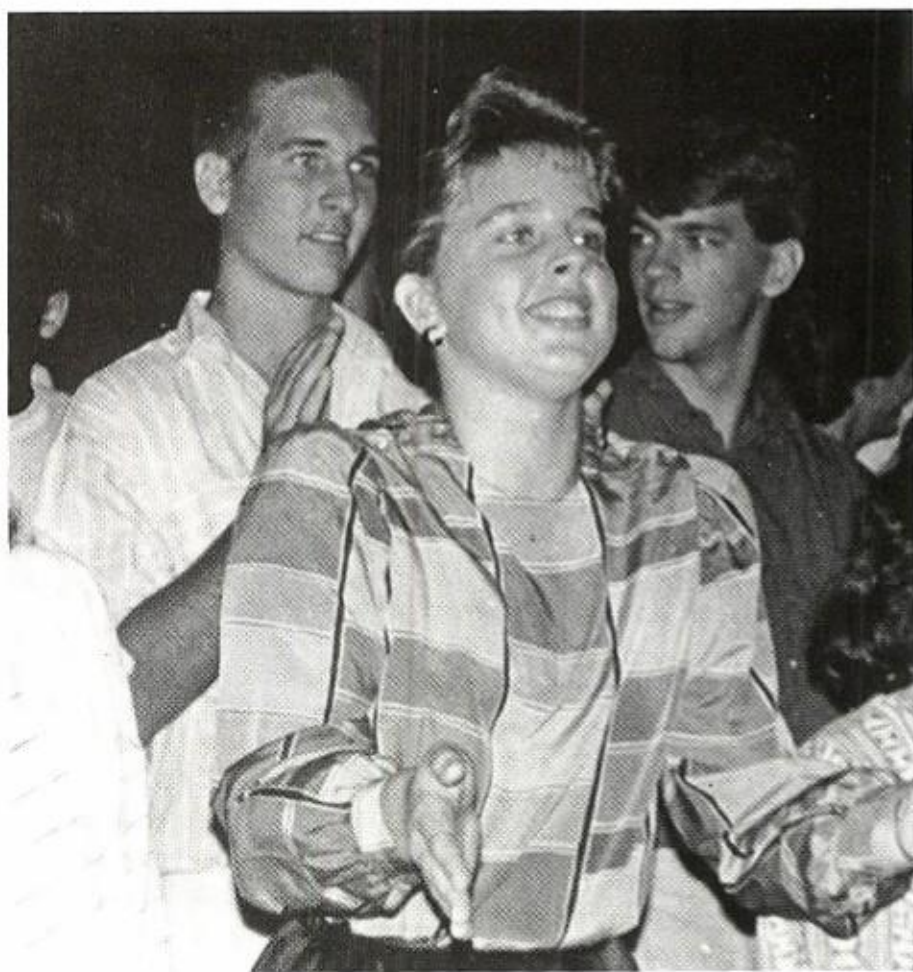

Strive for '88 Goals

The Junior Class co-workers are responsible for sponsoring fund-raising activities throughout the year. The funds go directly towards making the prom the best and least expensive possible. The co-workers' largest duty of all is to lift class morale and spirit.

Some of their activities are: selling candy and various items, decorating halls with signs during homecoming, trying to boost school spirit at pep rallies and other spirit oriented programs.

The Senior Co-Workers have been keeping busy raising money for the Senior Prom, one of the highlights of their four years at Waltrip. They did this by selling candy, mums for the Mom and Dad Game and carnations for Christmas. Along with many other fundraisers, they hosted a Hawaiian Dance in the school cafeteria. In the past four years they have worked hard to make their last year here at Waltrip a success. We wish them the best of luck!

Science Club

Members Plan for Future Careers in Science

Waltrip's Science Club is for students interested in learning about a particular science or about science in general. They hold meetings before school on Thursdays. At these meetings, they discuss fund raising ideas and have guest speakers. The Science Club also gives a five hundred dollar scholarship to an outstanding senior Science Club student at the end of every year.

Media Club members learn to produce films and to communicate ideas through their films. At the end of the year the Waltrip Media Club sponsors a film festival for the students to display their handiwork. Throughout the year the members learn the skills necessary to produce a polished finished product. They learn to operate the super eight millimeter

movie camera and the video camera and to edit their film. The members meet every morning to discuss their activities and to exchange ideas with other amateur film makers. The meetings, however, are not mandatory. The club makes a real effort to cover the year's activities and presents these in the form of a film at the spring festival.

Staff Stays Informed on Current Events

The Waltrip Tribune Staff has worked very hard to produce a school newspaper representing the spirit of our school. They started the year with a successful drive to boost the sale of the newspaper. They made signs, had a jellybean contest and had a mystery person contest. They worked very hard at meeting deadlines and selling ads. The staff spends time before, during and after school to work on layouts and new ideas. They even had a special issue for Christmas which contained a new kind of Santa-Gram. The newspaper contains information about new trends, school activities, sports, and personal interviews with teachers and students. The Tribune is for you, the Waltrip student body.

Principal-Paul I. Ofield

Ofield Praises Waltrip Spirit

Principal Paul Ofield in his ninth year at Waltrip commented that spirit has always been an earmark of Waltrip High. "Spirit is not just the cheering that goes on at a football game but the association with other students and involvement in different activities." Many students are beginning to become more involved in activities and are attending school not only for an education — although he feels this is the most important aspect of school.

He enjoys the interaction with students; he can be seen conversing with students over a school related concern or a personal problem. One of Waltrip's greatest assets is the varying socioeconomic background of its students. "There is a diverse group of students who all work well together to "Keep Waltrip bursting with Spirit!"

Assistant Principals keep the School in Line

Louis Carothers-Assistant Principal, Paul Ofield-Principal, William Weygant-Assistant, Margaret Scott-Dean of Instruction.

By Aiding Mr. Ofield

Lewis Carothers-Assistant Principal

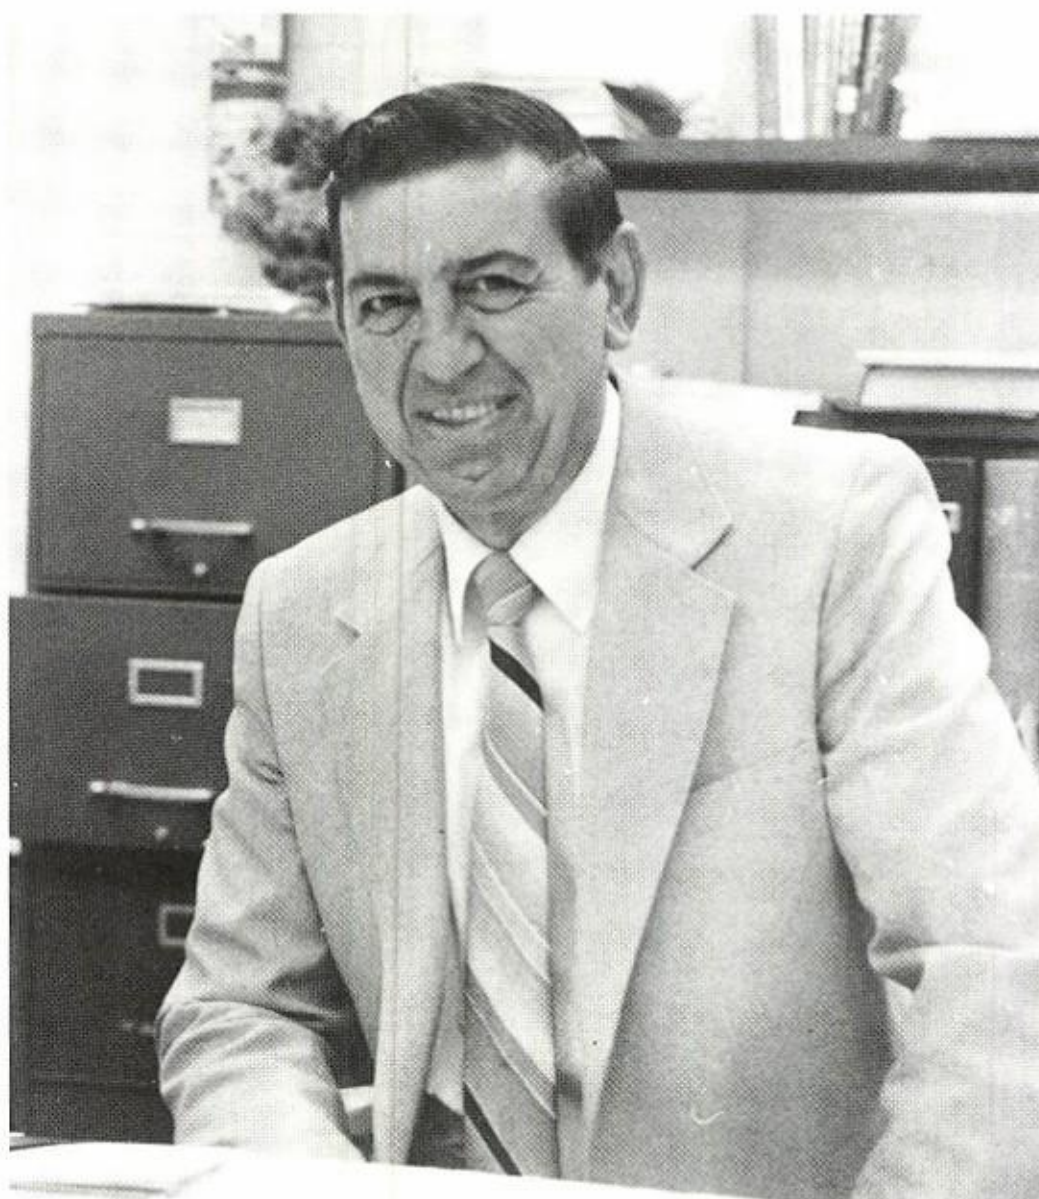

Through interacting with students and helping them with their problems, Mr. Carothers and Mr. Weygandt are able to help students discipline themselves. They also work with scheduling and assisting Mr. Ofield in assessing the teachers.

Ms. Scott as Dean of Instruction, deals with Waltrip's curriculum and the T.S.E. classes. She also selects and enrolls students in the International Baccalaureate program.

All of the administrators believe that spirit has been predominantly evident in Waltrip's activities.

Margaret Scott-Dean of Instruction

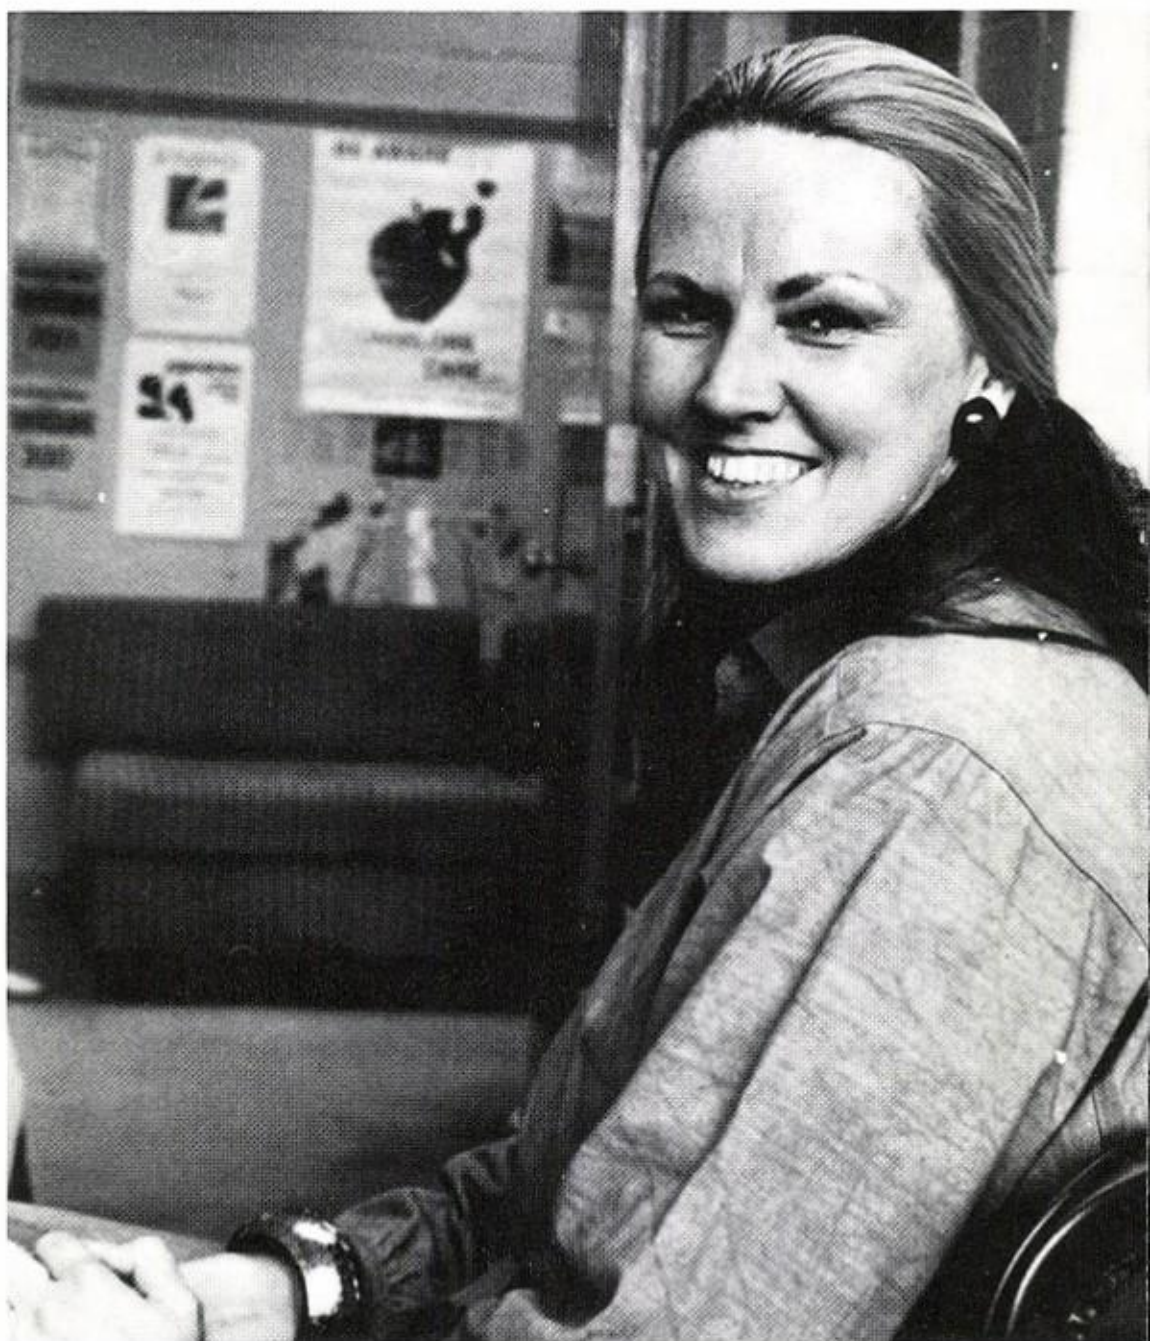

William Weygandt-Assistant Principal

Counselors Shape Our Future

The counselors, having a first-hand insight of Waltrip High, were happy to say that despite the declining economy, Waltrip students displayed exceptional spirit. Ms. Nikolic and Ms. Jefferson were especially impressed with the well-rounded determination that is leading Waltrip students to accept more responsibilities. Even our new counselor, Mr. Handler, was pleased with the amiable atmosphere that students and faculty expressed through everyday activities.

Of course, there is plenty of hard work in counseling: Keeping the student body in order is not easy. All the same, Waltrip spirit made the job of counseling well worth the effort.

STAY DOWN TO THE BALL! Get in close enough to to the flight of the ball so you can keep your head down and your shoulders forward. Stay over the shot and you will be more consistent. The closer your eyes are to the ball point of contact, the easier it will be to place the ball on the center of the racket.
